- Overview

## BESPOKE

- Offer life skills which promote and enable independence.
- Research, creation, testing and selling of Enterprise items.
- Access the wider community.

## SKILLS FOR LIFE

- Offer an inclusive, social environment for the YP/A to socialise within.
- Enable communication and choice through communication tools.
- Offer a variety of structured activities that promote independence, communication and development.

# SKILLS FOR LIFE

# SKILLS FOR WORK

- Offer real-life, professional skill development.
- Enable opportunities through work experience.
- Develop professional conduct and interpersonal skills.

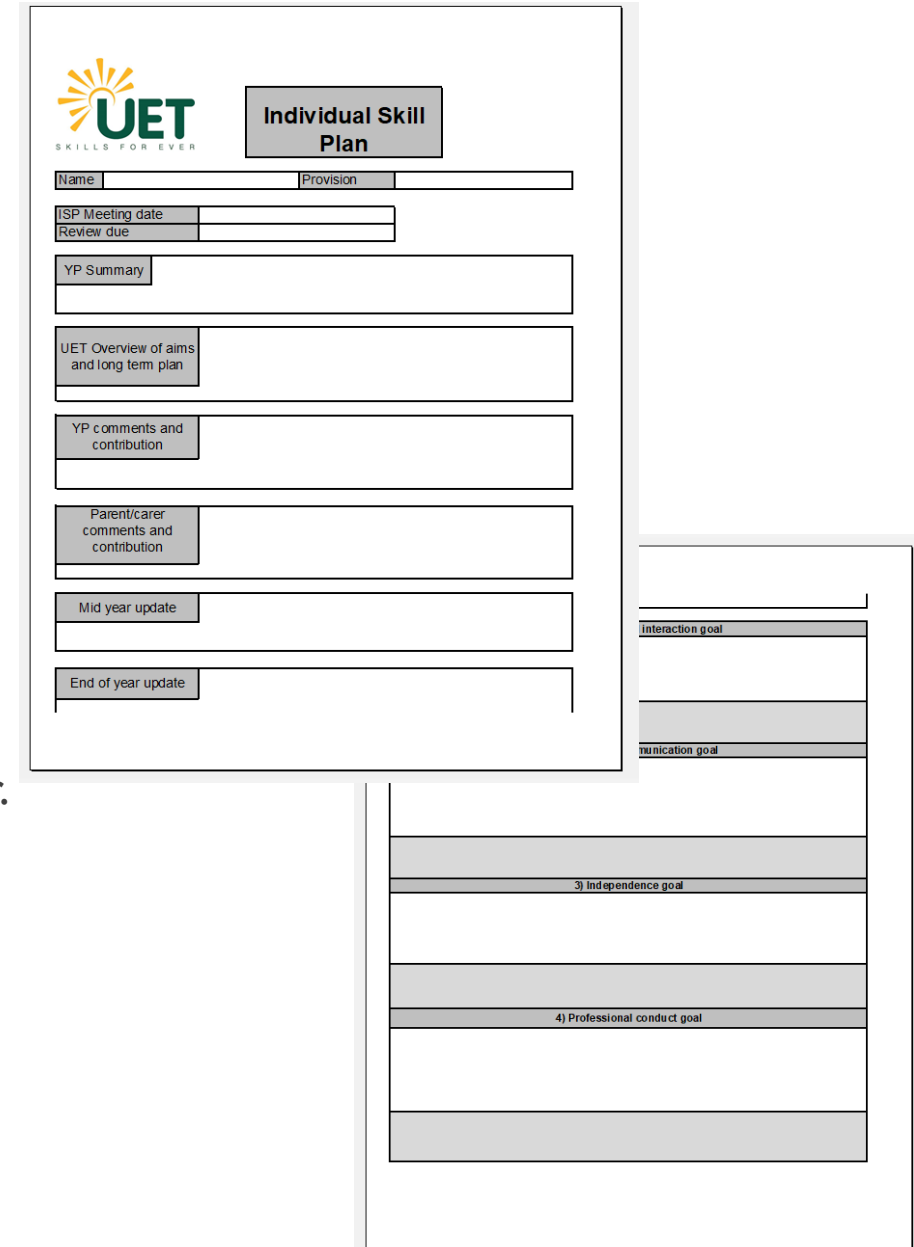

# SKILLS FOR WORK

# INDIVIDUAL SKILL PLANS (ISP'S)

- Each Young Person & Adult (YP/A) has an ISP, which is created in collaboration with the YP/A, parents/carers and the team who support the YP/A.
- The ISP captures specific goals for the YP/A to achieve or develop during the year, with a review taking place each 6 months and each year.

The form is titled "Individual Skill Plan" and features the UET logo (Skills for Ever) in the top left. It contains several sections for data entry:

- Name** and **Provision** fields.
- ISP Meeting date** and **Review due** fields.
- YP Summary** text area.
- UET Overview of aims and long term plan** text area.
- YP comments and contribution** text area.
- Parent/carer comments and contribution** text area.
- Mid year update** text area.
- End of year update** text area.

On the right side, there are three goal categories, each with a corresponding text area:

- Interaction goal**
- Communication goal**
- 3) Independence goal**
- 4) Professional conduct goal**
