Date: 11 October 2024

Dear Sir/Madam

**Re – Possible Parking Restrictions, Ridge Green**

I am writing to advise you that Swindon Borough Council is considering amending and introducing new parking restrictions within the designated parking area located within the circulatory turning area as part of the School Safe Environment Zone.

This proposal is part of the Council's approach to delivering road safety and congestion improvements for schools across Swindon as part of the School Safe Environment Zones (SSEZ) programme. It is anticipated that SSEZ's will encompass a package of measures that aim to encourage behavioural change and improve safety outside and in the vicinity of schools.

The intended purpose of the proposed waiting & parking restrictions is to prevent misuse of the blue badge holder's bays and obstruction around circulatory turning area on Ridge Green.

Prior to Swindon Borough Council starting the statutory process, you are invited to comment on the proposals that have been prepared in conjunction with your local Ward Councillors and the Schools representative.

Details of the proposals can be viewed on the Council's website, under the heading of 'Stage 1 - Informal consultation' at [www.swindon.gov.uk/trafficregulationorders](http://www.swindon.gov.uk/trafficregulationorders); using the above reference. Please review the plans and submit any comments you may have via the form on the website by 25 October 2024.

All comments will be collated and reported back to Ward Councillors for consideration of the next steps and whether to proceed to formal statutory consultation. The volume of feedback, both in support of and against the proposals will be taken into account so it is important that you record your views.
