

All about Jaimie

What do I do?

I am an Education, Health and Care Plan (EHCP) Co-ordinator in the Central Team.

One thing I like is....

In work: Helping everyone, both children and families, access the support that they need and making a difference.

Outside of work: Reading books in my spare time. If you see me, I've probably got a book in my hand!

One thing I do not like is....

Having to give bad news.

The best thing about my job is....

Being able to work with a variety of people and personality and seeing a difference being made.

The best way to contact me is....

Send me an email or contact our Team's "front door" – this way I can make sure I find the right information to address your query.
