

# All about Alex

## What do I do?

I am the Young People's Champion for travel within the SEND service for Swindon Borough Council. My job is to make sure the young peoples voices and opinions are heard.

## One thing I like is....

**In work:** Knowing that my job makes a difference to children and young people's lives.

**Out of work:** I enjoy anything that will give an adrenaline buzz.

## One thing I do not like is....

**In work:** Not understanding a task or objective first time.

**Outside work:** I've never been to keen on spiders.

## The best thing about my job is....

Being disabled myself and understanding the difficulties that come with it. The one thing I enjoy the most about my job is being able to give children and young people a voice and an opinion in order to make their time on travel a better experience.
