Swindon Borough Council CIL Finance Monitoring Report for Infrastructure Funding Statement for Financial Year 2020/21

Purpose:

Under the above Regulations (commonly known as the 'CIL Regulations') Swindon Borough Council as CIL Charging Authority for its administrative area is required to publish a report for any financial year in which it collects Community Infrastructure Levy known as CIL, or has retained CIL receipts.

From the 1st September 2019 as a result of amendments to the CIL Regulations this is to be published within a new document named an Infrastructure Funding Statement. This statement will also identify proposed anticipated use of future CIL Receipts.

The Council implemented Charging CIL on 6th April 2015.

This is CIL Monitoring Report published by Swindon Borough Council and covers financial year 2020/21 CIL receipts, but it also includes financial information on any outstanding CIL receipts from previous financial years including that spent, not spent, or allocated but unspent as relevant.

The report contains the following Acronyms:

- CIL: Community Infrastructure Levy
- NP: CIL Neighbourhood Proportion of CIL Receipts

The tables refer to specific clause reference numbers within Regulation 121A to be able to cross-reference the relevant item to the relevant reporting requirement.
