STATEMENT OF REASONS

-

The order is as a consequence of a School Street's initiative to restrict motorised vehicles during school drop off and pick up times so that the road can be free of parked vehicles to allow pedestrians and cycles space.

The reason for making this order is as follow;

- b. For facilitating the passage on the road, or any other road of cyclists and pedestrians), or
- c. For preserving or improving the amenities of the area through which the road runs, or
- d. to improve the environment for local residents

This request has been delivered in conjunction with local Ward Councillors & the Head Teacher of Badbury Park. Consultation has been carried out with residents, emergency services, developer and other relevant stakeholders.
