

# Building Control Charges

**The Building (Local Authority Charges) Regulations 2010**  
Valid from 15th January 2024 vat 20%

**General Notes:**

These charges are in accordance with The Building (Local Authority Charges) Regulations 2010.

**1. Full Plans Charges**

- (a) Plan Charge - payable on deposit of submission
- (b) Inspection Charge - is invoiced to the applicant after the first inspection
- (c) Payment in full if works are due to commence within 2 weeks of submission

**2. Building Notice Charge**

Is the total of the 'plan' and 'inspection' charges added together and is payable when the Building Notice is submitted

**3. Non-standard charges**

If the charge for your building work is not listed as a standard charge it will be individually determined. Please contact us so that we can give you a quotation for your project.

**4. Electrical works**

Where electrical work is 'notifiable' and is undertaken by an electrician who is not a member of a Part P 'competent persons scheme' a charge of £506.28 + VAT will be made to recover the Councils costs in checking this element of the project. (You are advised to discuss with your Building Control Surveyor before work commences)

**5. Supplementary charges**

These charges have been set on the basis that the building work does not consist of, or include, innovative or high risk construction techniques and/or the duration of the building work from commencement to completion does not exceed 12 months.

If no inspections are carried out within a 12 month period an additional fee of £156.00, Inc VAT, will be applied.

The charges have also been set on the basis that the design and building work is undertaken by a person or company that is competent to carry out the relevant design and building work. If they are not the work may incur supplementary charges.

**6. Disabled persons**

Some alterations and extensions to existing buildings to provide or improve facilities for disabled persons are exempt from charges. We will require a Doctors or OT letter confirming the need for the works. For details and advice please contact us.
