Summary and Explanation

The Council's Constitution

Swindon Borough Council has agreed a constitution that sets out how the Council operates, how decisions are made and the procedures that are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution includes Articles that set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols in Annexes at the end of the document.

What's in the Constitution?

Article 1 describes the Constitution and is a statement of purpose. Articles 2-16 explain the rights of citizens and how the key parts of the Council operate. These are:

- Members of the Council (Article 2).
- Citizens and the Council (Article 3).
- The Full Council (Article 4).
- Chairing the Council (Article 5).
- Overview and Scrutiny (Article 6).
- The Cabinet (The Council's Executive) (Article 7).
- Regulatory and Other Committees (Article 8).
- The Standards Committee (Article 9).
- Community Involvement (Article 10).
- Joint Arrangements (Article 11).
- The Council's Officers (Article 12).
- Decision Making (Article 13).
- Finance, Contracts and Legal Matters (Article 14).
- Review and Revision of the Constitution (Article 15).
- Suspension, Interpretation and Publication of the Constitution (Article 16).

How the Council Operates

The Council is composed of 57 councillors with one-third elected three years in four. Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties ("The Members' Code of Conduct"). The Standards

Committee recommends training on any aspect of conduct and behaviour for Councillors and assists them on their obligations in respect of the code of conduct.

All councillors meet together as the Council (Full Council). Meetings of the Council are normally open to the public. Here, councillors decide the Council's overall policies and set the budget each year. The Council will elect the Leader of the Council.

Governance

The Council has a key role in governing and leading the communities within the Borough of Swindon. Effective local government relies on public confidence in elected councillors, and officers. An effective system of corporate governance underpins the credibility and confidence in public services. The Swindon Local Code of Governance in Part 5 of the Constitution sets out the way in which the Council demonstrates that it has such an effective system.

How Decisions are made

The Leader and Cabinet is the part of the Council that is responsible for most day-to-day decisions. The Cabinet (or Executive) is made up of the Leader of the Council and a Cabinet of up to 9 Councillors to whom the Leader allocates portfolios (Cabinet Members). When major decisions are to be discussed or made, these will be published in the Cabinet's Work Programme / Forward Plan in so far as they can be anticipated. If these major decisions are to be discussed with Council Officers at a meeting of the Cabinet, this will generally be open for the public to attend, except where personal or confidential matters are being discussed. The Cabinet has to make decisions that are in line with the Council's overall policies and budget. If it wishes to make a decision that is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

To speed-up decision making and to allow the Cabinet to concentrate on major matters, the Leader and Cabinet Members have the delegated power to make day-to-day decisions in relation to the areas within their portfolio. In addition, specified Council officers have powers / functions delegated to them either under the scheme of delegation in Part 8 of the Constitution, or under other parts of the Constitution, or by the Leader or by resolution of a committee or Council body. Councillors and officers operate in accordance with various agreed procedures and protocols as set out in Part 5 of this Constitution.

There are other Regulatory Committees that make decisions on planning applications, licensing matters and similar issues. The Council also has a Standards Committee which promotes and maintains high standards of conduct by Councillors and others, and an Audit Committee which provides independent audit assurance to the Council in respect of its governance and financial arrangements.

Cabinet Members may also, from time to time, appoint one or more Advisory Groups to assist them in the discharge of any or all of their Portfolio responsibilities. The Cabinet Member determines the membership of the Advisory Group and whether it shall be chaired by the Cabinet Member or his/her nominee. Advisory Groups are informal non-decision-making bodies and do not exercise executive power. The Cabinet Member

decides whether the public or other members of the Council shall be allowed to attend or be on the circulation list for papers prepared for an Advisory Group. The Monitoring Officer maintains a register of such Advisory Groups.

Community Involvement

The Borough Council's relationship with the Parish Councils seeks to ensure inclusivity and enhanced ways of working. It will meet regularly with Parish Councils in the Borough both at Member level and at Officer level, these meetings to be conducted in accordance with agreed working principles to govern its interactions with the Parish Councils.

The Borough Council will continue to work with the parishes to promote community involvement, enable community empowerment and devolve power and responsibility to neighbourhood level. The Borough will also continue to work with Residents Associations and other Community Groups to the same end.

The Borough Council will also continue to seek to ensure that community governance within the Borough is effective and convenient, and reflective of the identities and interests of communities within the Borough.

Petitions

Petitions from members of the public will be dealt with under the Council's Petitions Scheme, which is set out in Part 4 of the Constitution.

The Council's Staff

The Council has people working for it (called 'officers') to give advice, implement decisions, and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely.

Citizens' Rights

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The Citizens' Advice Bureau can advise on individuals' legal rights.

Where members of the public use specific council services, for example as a parent of a school pupil or as a council tenant, they have additional rights. These are not covered in this Constitution.

The Overview and Scrutiny Committees also monitor the decisions of the Cabinet. These committees can ‘call-in’ decisions that have been made by the Cabinet and may also call-in a decision made by an individual Cabinet Member. This enables the committee to consider whether the decision is appropriate. It may recommend either that the Cabinet or Cabinet Member reconsider the decision or that the matter be investigated further. There is also a call-in procedure set out in Part 4 of the Constitution which enables other Members to call in a decision.

The Overview and Scrutiny Committees may be consulted by the Cabinet or the Council on forthcoming decisions as 'pre-decision scrutiny'.

The draft policies will be informed by input from

stakeholders to ensure they are fit for purpose, workable, and reflect the Council's priorities and pledges.

The Committees will act as subject matter experts in the matters falling within the committee's remit, and will oversee the performance of policies devised by that committee, and also other policies falling within its remit.

3. Decisions Outside the Budget or Policy Framework

4. Urgent Decisions Outside the Budget or Policy Framework

5. Virement

6. In-Year Changes to Policy Framework

7. Call-In Decisions Outside the Budget or Policy Framework

8. Objections by the Council to Key Plans and Strategies Proposed by the Cabinet

1 The Framework for Executive Decisions

The Council will be responsible for the adoption of its Budget and Policy Framework. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Cabinet to implement it.

2 Process for Developing the Framework

The process by which the Budget and Policy Framework shall be developed is:

- (a) At least 2 months before the Budget and Policy Framework needs to be adopted, the Cabinet will publish initial proposals for the Budget and Policy Framework, having first taken into account the views of local stakeholders as appropriate and in a manner suitable to the matters under consideration. The Cabinet will have regard to the outcome of any prior representations made by an Overview and Scrutiny Committee, the Policy Development and Scrutiny Committees, and the outcome of consultations undertaken as part of the Council's strategic review process in formulating its initial proposals. Details of the Cabinet's consultation process shall be referred to in its initial proposals report. Any other representations made to the Cabinet, shall be taken into account in formulating the initial proposals, and shall be reflected in any report dealing with them. If the matter is one where an Overview and Scrutiny Committee or a Policy Development and Scrutiny Committee has carried out a review of policy, then the outcome of that review will be reported to the Cabinet and considered in the preparation of initial proposals.
- (b) The Cabinet's initial proposals shall be referred to appropriate Overview and Scrutiny Committee(s) and/or the relevant Policy Development and Scrutiny Committee(s) for further advice and consideration. The proposals will be referred by sending a copy to the Monitoring Officer who will forward them to the Chair of the Committees. If there is no such chair, a copy must be sent to every member of the Committees. The Overview and Scrutiny Committees and Policy Development and Scrutiny Committee(s) may canvass the views of local stakeholders if it considers it appropriate in accordance with the matter under consideration, and having particular regard not to duplicate any consultation carried out by the Cabinet on behalf of the Council. The Overview and Scrutiny Committees and Policy Development and Scrutiny Committee(s) shall report to the Cabinet on the outcome of their deliberations. The Committees shall have not less than four weeks to respond to the initial proposals of the Cabinet unless the Cabinet considers that there are special factors that make this timescale inappropriate. If it does, it will inform the Overview and

Scrutiny Committees and the Policy Development and Scrutiny Committees of the time for response when the proposals are referred to it.

- (c) Having considered any report of an Overview and Scrutiny Committee, and/or a Policy Development and Scrutiny Committee(s), the Cabinet, if it considers it appropriate, may amend its proposals before submitting them to the Council meeting for consideration. It will also report to Council on how it has taken into account any recommendations from an Overview and Scrutiny Committee and/or Policy Development and Scrutiny Committee(s).
- (d) The Council will consider the proposals of the Cabinet and may adopt them, amend them, refer them back to the Cabinet for further consideration, or substitute its own proposals in their place. In considering the matter, the Council shall have before it the Cabinet's proposals and any report from an Overview and Scrutiny Committee and/or Policy Development and Scrutiny Committee(s).
- (e) The Council's decision will be publicised and a copy shall be given to the Leader of the Council. The Council's decision will become effective on the expiry of at least five clear days after the publication of the decision, unless the Leader of the Council objects to it in that period.
- (f) If the Leader of the Council objects to the decision of the Council, he/she shall give written notice to the Monitoring Officer to that effect as soon as possible prior to the date upon which the decision is to be effective. The written notification must state the reasons for the objection. Where such notification is received, the Monitoring Officer shall convene a further meeting of the Council to reconsider its decision and the decision shall not be effective pending that meeting.
- (g) The Council meeting must take place within ten clear days of the receipt of the Leader's written objection. At that Council meeting, the decision of the Council shall be reconsidered in the light of the objection that shall be available in writing for the Council.
- (h) The Council shall at that meeting make its final decision on the matter on the basis of a simple majority. The decision shall be made public and shall be implemented immediately.
- (i) In approving the Budget and Policy Framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the Cabinet, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the Budget and Policy Framework are reserved to the Council.

3 Decisions Outside the Budget or Policy Framework

- (a) Subject to the provisions of paragraph 5 (virement) the Cabinet, individual members of the Cabinet and any officers, other Council bodies or joint arrangements discharging executive functions may only take decisions that are in line with the Budget and Policy Framework. - (b) If the Cabinet, individual members of the Cabinet and any officers, other Council bodies or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the S151 Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to, or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the Budget and Policy Framework) shall apply.

4 Urgent Decisions Outside the Budget or Policy Framework

- (a) The Cabinet, an individual member of the Cabinet or officers, other Council bodies or joint arrangements discharging executive functions may take a decision that is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
 - i) if it is not practical to convene a quorate meeting of the full Council (or Special Committee); and
 - ii) if the Chair of the appropriate Overview and Scrutiny Committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the Chair of the appropriate Overview and Scrutiny Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chair of the appropriate Overview and Scrutiny Committee, the consent of the Mayor and in the absence of both the Deputy Mayor will

be sufficient.

- (b) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5 Virement

- (a) The service areas set out in the Council's Budget Book shall be the budget heads set by the Council. The Council may approve, on the recommendation of the Cabinet, variations to the budget heads or the transfer of approved resources between budget heads in pursuit of policy objectives.
- (b) The Chief Executive, Corporate Directors, Directors and Heads of Service, in consultation with Cabinet Members where appropriate, may transfer resources between budget heads provided that this does not give rise to a change in approved Council policy. Where such a change does affect approved policy, then the approval of the Cabinet will be required (subject to the provisions controlling urgent decisions).
- (c) Any significant variations from approved budgets that are not in themselves a result of deviation from approved policy will be reported to the Cabinet as part of the periodic in-year expenditure monitoring process.
- (d) The Cabinet may authorise allocations from the Council's general reserves to supplement existing budgets or in pursuit of approved policy objectives subject to a report to the following meeting of the Council in respect of the latter.

6 In-year Changes to Policy Framework

The responsibility for agreeing the Budget and Policy Framework lies with the Council, and decisions by the Cabinet, a committee of the Cabinet (if any), an individual member of the Cabinet or officers or joint arrangements discharging executive functions must be in line with it. No changes to any policy and strategy that make up the policy framework may be made by those bodies or individuals except those changes:

- (a) that will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or Government guidance;

- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration;
- (d) that relate to policy in relation to schools, where the majority of school governing bodies agree with the proposed change.

7 Call-in Decisions Outside the Budget or Policy Framework

- (a) Where an Overview and Scrutiny Committee is of the opinion that an executive decision is, or, if made, would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or S151 Officer.
- (b) In respect of functions that are the responsibility of the Cabinet, the Monitoring Officer's report and/or S151 Officer's report shall be sent to the Cabinet with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's / S151 Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the S151 Officer conclude that the decision was a departure, and to the appropriate Overview and Scrutiny Committee if the Monitoring Officer or S151 Officer conclude that the decision was not a departure.
- (c) If the decision is yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the S151 Officer is that the decision is, or would be, contrary to the policy framework or contrary to, or not wholly in accordance with, the budget, the appropriate Overview and Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within ten clear days of the request by the Overview and Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the S151 Officer. The Council may either:
 - i) endorse a decision or proposal of the Cabinet decision taker as falling within the existing Budget and Policy Framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or

- ii) amend the Council's Financial Regulations or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer/S151 Officer.

8 Objections by the Council to Key Plans and Strategies proposed by the Cabinet

- (a) Where the Council has any objection to a draft key plan or strategy, falling within Article 4.01 of the Constitution, proposed by the Cabinet then before amending, approving or adopting (with or without modifications) it must inform the Leader of the Council of any such objection and must give to him/her instructions regarding the Cabinet to reconsider in the light of those objections the draft plan or strategy submitted to it.
- (b) In giving such instructions the Council must specify a period of at least five clear days following receipt of these instructions by the Leader of the Council within which the Leader may: -
 - (i) submit to Council a revised draft plan or strategy as amended by Cabinet with reason for such amendments; or
 - (ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.
- (c) When the period specified by the Council referred to in (b) above has expired the Council must when amending/approving or adopting (with or without modification) the draft plan or strategy take into account any amendments made by the Cabinet together with reasons, for those amendments, and disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for these disagreements of which the Council were notified by the Leader within the period specified.

1 How Does the Cabinet Work?

1.1 Who May Make Executive Decisions?

The arrangements for the discharge of Cabinet or “executive” functions may be set out in the executive arrangements adopted by the Council. If they are not set out there, then the Leader of the Council may decide how they are to be exercised. In either case, the arrangements or the Leader of the Council may provide for executive functions to be discharged by:

- i) the Cabinet as a whole;
- ii) a committee of the Cabinet;
- iii) an individual member of the Cabinet;
- iv) an officer;
- v) joint arrangements; or
- vi) another local authority.

1.2 Delegation by the Leader

As soon as practicable after being elected to the position, the Leader of the Council will circulate to all members and the Monitoring Officer a written record of delegations made by her/him. The document circulated by the Leader, and published along with the Constitution on the Council’s Website (www.swindon.gov.uk) will contain the following information about executive functions in relation to the coming year:

- i) the names and wards of the people appointed to the Cabinet and their individual portfolios;
- ii) the extent of any authority delegated to Cabinet members individually, including details of the limitation on their authority;
- iii) the terms of reference and constitution of such Cabinet committees as the Leader / Cabinet appoints with delegated authority and the names of Cabinet members appointed to them;
- iv) the nature and extent of any delegation of executive functions to any other authority or any joint arrangements and the names of those Cabinet members appointed to any joint committee for the coming year; and

- v) the nature and extent of any delegation to officers with details of any limitation on that delegation, and the title of the officer to whom the delegation is made.

1.3 Sub-Delegation of Executive Functions

- (a) Where the Cabinet, a committee of the Cabinet or an individual member of the Cabinet is responsible for an executive function, that body or person may delegate the exercise of that function further by means of joint arrangements or to an officer.
- (b) Unless the Council directs otherwise and the issue is not one reserved by legislation to the executive, if the Leader of the Council delegates functions to the Cabinet, then the Cabinet may delegate further to a committee of the Cabinet or to an officer.
- (c) Unless the Leader of the Council directs otherwise, a committee of the Cabinet to whom functions have been delegated by the Leader may delegate further to an officer.
- (d) Even where executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.

1.4 The Council's Scheme of Delegations and Executive Functions

- (a) Subject to (b) below, the Council's scheme of delegations will be subject to adoption by the Council and may only be amended by the Council. It will contain the details required and set out in the provisions of the Council's Constitution.
- (b) The Leader of the Council is able to decide to delegate executive functions. He/she may amend the scheme of delegation relating to executive functions at any time during the year. To do so, the Leader must give written notice to the Monitoring Officer and to the person, body or committee concerned. The notice must set out the extent of the amendment to the scheme of delegation, and whether it entails the withdrawal of delegation from any person, body, committee or the Cabinet as a whole. The Monitoring Officer will present a report to the next ordinary meeting of the Council setting out the changes made by the Leader and the changes will also be published on the Council's Website.
- (c) Where the Leader seeks to withdraw delegation from a committee, notice will be deemed to be served on that committee when he/she has served it on its chair.

- (d) Where delegated business must be transacted (through a Cabinet Member Decision Note, a Cabinet Member Briefing Note or an Officer Decision Note) and the relevant Cabinet Member is not available, the Leader will have power to make the decision. This shall not require the publication of an updated scheme of delegations as set out in (c) above.

1.5 Conflicts of Interest

- (a) Where the Leader of the Council has a conflict of interest, this should be dealt with as set out in the Council's Code of Conduct that forms part of the Council's Constitution.
- (b) If any member of the Cabinet has a conflict of interest, this should be dealt with as set out in the Council's Code of Conduct.
- (c) If the exercise of an executive function has been delegated to a committee of the Cabinet, an individual member or an officer, and should a conflict of interest arise, then the function will be exercised in the first instance by the person or body by whom the delegation was made and otherwise as set out in the Council's Code of Conduct.

1.6 Executive Meetings – When and Where?

The Cabinet will meet at least 6 times per year at times to be agreed by the Leader of the Council. The Cabinet shall meet at the Council's main offices or another location to be agreed by the Leader of the Council.

1.7 Quorum

The quorum for a meeting of the Cabinet, or a committee of it, shall be one quarter of the total number of members of the Cabinet (including the Leader or Deputy Leader / Vice-Chair of the Cabinet), or 3 (including the Leader or Deputy Leader or the member appointed by the Leader to preside in his/her absence), whichever is the larger.

1.8 How are Decisions to be taken by the Cabinet?

- (a) Executive decisions that have been delegated to the Cabinet as a whole will be taken at a meeting convened in accordance with the Access to Information Rules set out in the Constitution.
- (b) Where executive decisions are delegated to a committee of the Cabinet, the rules applying to executive decisions taken by them shall be the same as those applying to those taken by the Cabinet as a whole.

1.9 How are Decisions to be taken by Cabinet members?

Executive decisions which have been delegated to Cabinet members need not be exercised in public but must only be exercised in accordance with the procedure set out in the Access to Information Procedure Rules and the Executive (Cabinet) Procedure Rules.

2 How Are Cabinet Meetings Conducted?

- (v) reports containing the recommendations of an Overview and Scrutiny or Policy Development and Scrutiny Committee, Sub-Committee / Task Group for consideration by the Cabinet (if the proposals are consistent with the existing budgetary and policy framework), or to the Council as

appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework). If a report is to be submitted directly to Council, it will include consideration of any contribution Cabinet may wish to make.

2.4 Consultation

All reports to the Cabinet from any member of the Cabinet or an officer on proposals relating to the Budget and Policy Framework must contain details of the nature and extent of consultation with stakeholders and the appropriate Overview and Scrutiny Committee, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration and shall have regard to the Council's Consultation Policy.

2.5 Who can put items on the Cabinet Agenda?

The Leader of the Council will decide upon the schedule for the meetings of the Cabinet. He/she may put on the agenda of any Cabinet meeting any matter which he/she wishes, whether or not authority has been delegated to the Cabinet, a committee of it or any member or officer in respect of that matter. The Monitoring Officer will comply with the Leader's requests in this respect.

Any member of the Council may ask the Leader of the Council to put an item on the agenda of a Cabinet meeting for consideration, and if the Leader agrees the item will be considered at the next available meeting of the Cabinet. The notice of the meeting will give the name of the Councillor who asked for the item to be considered. This individual will be invited to attend the meeting, whether or not it is a public meeting. However, there may only be up to one such item per Cabinet meeting.

The Monitoring Officer and/or the S151 Officer may include an item for consideration on the agenda of a Cabinet meeting and may require the proper officer to call such a meeting in accordance with their statutory duties. In other circumstances, where any two of the Head of Paid Service, S151 Officer and Monitoring Officer are of the opinion that a meeting of the Cabinet needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of a Cabinet meeting. If there is no meeting of the Cabinet soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

Where it does so, the relevant Committee shall report its findings and any recommendations back to the Cabinet and/or Council. The Council and/or the Cabinet shall consider the report of the Committee within one month of receiving it or at the first available meeting after that date.

The Children's and Adult's Services Overview and Scrutiny Committee will also respond to referrals from the Council's Health and Wellbeing Board, and National Health Service Health Commissioning bodies and to referrals by Healthwatch within the statutory response period as established by Regulation.

11. Unplanned items

Unplanned items are items of business that fall outside a committee's work plan, but the committee may agree to consider. This may not include items that could be considered through:

- Pre-decision scrutiny of Cabinet decisions; or
- Call-in of a Cabinet decision made but not implemented.

An Overview and Scrutiny or Policy Development and Scrutiny member may request an unplanned item of business, that falls within the committee's remit, is considered by the committee, by giving notice in writing no less than 10 working days before the date of the next committee meeting, stating the reasons for the request and proposed outcome.

The Scrutiny Officer will add the request to the committee agenda and the committee will determine whether the unplanned item of business shall be considered by the committee and when.

12. Councillor Call For Action

Any member of the Council who is not a member of an Overview and Scrutiny Committee may give written notice to the Monitoring Officer that he or she wishes to be included on the agenda of the Overview and Scrutiny Committee any local government matter which is relevant to the functions of the Committee and which affects all or part of the member's ward and is not an 'excluded matter' as defined in section 9FC of the Local Government Act 2000 (as amended). If the Monitoring Officer receives such a notification, then that item will be included on the first available agenda of the Overview and Scrutiny Committee for consideration.

In deciding whether or not to exercise any of its powers, the Committee shall comply with the requirements of section 9FD of the Local Government Act 2000 together with any guidance issued by the Secretary of State, the Centre for Governance and Scrutiny (formerly CfPS) or the Local Government Association (LGA). Existing best practice guidance states that the Councillor Call for Action is about helping councillors to resolve issues and problems on behalf of their residents. It should not be regarded merely as a scrutiny process. It should only be used as a means of last resort after other avenues have been exhausted.

13. Budget and Policy Review

- (a) The role of the Corporate Overview and Scrutiny Committee in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure that forms part of this Constitution.

- (b) In relation to the development of the Council's approach to other matters not forming part of its Policy and Budget Framework, the Overview and Scrutiny Committees, Policy Development and Scrutiny Committees, or their Sub-Committees or Task Groups may make proposals to the Cabinet in so far as these relate to matters within their terms of reference.
- (c) The Overview and Scrutiny Committees, Policy Development and Scrutiny Committees, or their Sub-Committees and Task Groups may hold enquiries and investigations and may appoint advisers and assessors to assist them in this process. They may go on site visits, and subject to the identification and approval of the necessary funding, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. The Committee may agree to ask, via the Committee's Clerk, witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

14. Reports from An Overview and Scrutiny or Policy Development and Scrutiny Committee

- (a) Once it has formed recommendations, an Overview and Scrutiny or Policy Development and Scrutiny Committee, Sub-Committee / Task Group will prepare a formal report and submit it for consideration by the Cabinet (if the proposals are consistent with the existing budgetary and policy framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework). If a report is to be submitted directly to Council, it will include consideration of any contribution Cabinet may wish to make.
- (b) If an Overview and Scrutiny Committee or Policy Development and Scrutiny Committee cannot agree on one single final report to the Council or Cabinet as appropriate, then one minority report may be prepared by the Committee clerk to reflect the minority views, and be submitted for consideration by the Council or Cabinet with the majority report.
- (c) The Council or Cabinet shall consider the report of the Overview and Scrutiny or Policy Development and Scrutiny Committee within one month or at its first meeting after the time it has been submitted (via the Monitoring Officer).
- (d) An Overview and Scrutiny or Policy Development and Scrutiny Committee may also make formal reports and recommendations to local National Health Service bodies, and where appropriate, in

accordance with statutory provisions, to the Secretary of State, insofar as these matters fall within their remit.

15. Making sure that Overview and Scrutiny and Policy Development and Scrutiny Committee reports are considered by the Cabinet

- (a) Where appropriate, the agenda for Cabinet shall include an item entitled ‘References’ (from the Overview and Scrutiny or Policy Development and Scrutiny Committees and other appropriate bodies). The reports of a Committee referred to the Cabinet shall be included at an appropriate point in the agenda (unless they have been considered in the context of deliberations on a substantive item on the agenda) as soon as practicable following the Committee completing its report / recommendations.
- (b) Once an Overview and Scrutiny or Policy Development and Scrutiny Committee has completed its deliberations on any matter, it will forward a copy of its final report to the Monitoring Officer who will allocate it to either or both the Cabinet and the Council for consideration, according to whether the contents of the report would have implications for the Council’s Budget and Policy Framework. If the Monitoring Officer refers the matter to Council, he/she will also serve a copy on the Leader of the Council with notice that the matter is to be referred to Council. The Cabinet will respond to the report as soon as practicable, and the Council shall not consider it until the Cabinet has responded. When the Council does meet to consider any referral from a Committee on a matter that would impact on the Budget and Policy Framework, it shall also consider the response of the Cabinet to the relevant Overview and Scrutiny or Policy Development and Scrutiny Committee proposals.
- (c) Where an Overview and Scrutiny or Policy Development and Scrutiny Committee (or its Sub-Committee / Task Group) prepares a report for consideration by the Cabinet, in relation to a matter where the Leader or the Council has delegated decision making power to another individual member of the Cabinet, then the Committee will submit a copy of their report to him/her for consideration. At the time of doing so, the Committee shall serve a copy on the Monitoring Officer. The member with delegated decision-making power must consider the report and respond in writing to the Committee within no more than 4 weeks of receiving it. A copy of his/her written response to it shall be sent to the Monitoring Officer and the Leader of the Council. The member will also attend a future meeting of the relevant Committee to present their response.
- (d) If the member with delegated decision-making power does not accept the recommendations of the Committee then he/she must then refer the matter to the next available meeting of the Cabinet for debate

before exercising his/her decision-making power and responding to the report in writing to the relevant Committee. The Cabinet member to whom the decision-making power has been delegated will respond to the relevant Committee within no more than 4 weeks of receiving it. A copy of his/her written response to it shall be sent to the Monitoring Officer and he/she will attend a future meeting to respond.

- (e) The Overview and Scrutiny and Policy Development and Scrutiny Committees will have access to the Cabinet's Work Programme and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from a Committee, the Committee will be able to respond in the course of the Cabinet's consultation process in relation to key decisions.

16. Rights of Overview and Scrutiny Committee Members to Documents

- (a) In addition to their rights as councillors, members of the Overview and Scrutiny Committees have the additional right to documents and to notice of meetings, as set out in the Council's Access to Information Procedure that forms part of this Constitution and as defined in the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.
- (b) Nothing in this paragraph prevents more detailed liaison between the Cabinet and Scrutiny Committee as appropriate depending on the particular matter under consideration.

17. Members and Officers giving Account

- (a) The Overview and Scrutiny Committees, or their Sub-Committees or Task Groups, may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions insofar as they fall within the Committee's remit. As well as reviewing documentation, in fulfilling the overview and scrutiny role, it may require any member of the Cabinet or Senior Officer, (Chief Executive, Corporate Directors, Directors and Heads of Service) to attend before it to explain in relation to matters within their remit:
 - i) any particular decision or series of decisions;
 - ii) the extent to which the actions taken implement Council policy; and/or
 - iii) their performance,

and it is the duty of those persons to attend if so required.

- (b) Where any Councillor or officer is required to attend an Overview and Scrutiny Committee under this provision, the Chair of that Committee will inform the Monitoring Officer. The Monitoring Officer shall inform the Councillor or officer in writing giving at least 5 working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, then the Councillor or officer concerned must be given sufficient notice to allow for preparation of that documentation.
- (c) Where, in exceptional circumstances, the Councillor or officer is unable to attend on the required date, then the Overview and Scrutiny Committee shall in consultation with the Councillor or officer arrange an alternative date for attendance.

18. Attendance by Others

The Overview and Scrutiny Committees, Policy Development and Scrutiny Committees, or their Sub-Committees / Task Groups may invite people to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

An Overview and Scrutiny Committee or Policy Development and Scrutiny Committee may also require officers of local National Health Service bodies, clinical commissioning groups or other relevant health service providers to address it, discuss issues of local concern and/or answer questions on matters within the Committees remit.

Further to section 9FF of the Local Government Act 2000 and section 104 of the Local Government and Public Involvement in Health Act 2007 as amended and associated Regulations (e.g. The Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013), an Overview and Scrutiny Committee or Policy Development and Scrutiny Committee may also require specified partner bodies to provide information to, address, discuss issues of local concern and/or answer questions at the Overview and Scrutiny Committee, in relation to matters within the Committee's remit.

Where committees have representatives from partner organisations, it is recommended that the committee chair indicate at the time the agenda is published whether a representative of that body is required.

19. Call-in Procedure

"Call-in" is the process by which either the Corporate or Children's and Adults

Services Overview and Scrutiny Committee exercises its statutory right to scrutinise executive decisions that have been made but not yet implemented by the Council. The relevant decision maker must consider any recommendations made by the committee before it can be implemented.

- 19.1 The Scrutiny Officer shall call-in any decision where (s)he receives a valid call-in request, which is one which:
- is submitted in writing (including by electronic means but excluding text or social media) by any four councillors and citing a lead councillor by **5pm on the fourth working day** after the publication of the Notice of Decision; and
 - gives reasons in writing for call-in and outlines the alternative course of action, or recommendations proposed; and
 - it is not excluded from call-in as set out in these Rules

The Scrutiny Officer may seek clarification from the lead councillor on the call-in when considering its validity but has no obligation to assist councillors in ensuring that a call-in is valid.

- 19.2 **A decision is excluded from call-in where:**

 - the decision has already been considered by an Overview and Scrutiny Committee before it was made (pre-decision scrutiny) and there has been no substantive change in the decision (except one to accept a recommendation of an Overview and Scrutiny Committee);
 - where the alternative course of action, or recommendations proposed in the call-in have already been considered and rejected; or
 - where the Cabinet or other decision maker has given notice that it will reconsider its decision without the need for call-in (so long as the decision maker has notified the Chair of the relevant Overview and Scrutiny Committee and Scrutiny Officer in writing).

Any decisions not called in by this deadline will immediately become effective.

19.3 **Urgent Decisions & Waiver of Call In**

The call-in procedure set out above shall not apply to urgent decisions.

An urgent decision is one:

- which is made under the urgency procedures in the Access to Information Rules in the Council's Constitution,

- The Chair of the relevant Overview and Scrutiny Committee has given consent to the waiver of call-in (or, in their absence, the Deputy Chair of the relevant Overview and Scrutiny Committee).

Once notified of a call-in, the Scrutiny Officer in consultation with the Chief Executive shall take one of the following actions:

- refer the call to the next appropriate Overview and Scrutiny committee meeting if that is within 7 working days of the receipt of the request for call-in; if not, convene an extraordinary meeting to take place as soon as practicable; and if not

Status of Financial Regulations

- 1.1 Financial regulations provide the framework for managing the authority's financial affairs. They should be read in conjunction with the Council's Procurement Policy which incorporates Contract Regulations. They apply to every member and officer of the authority and anyone acting on its behalf, although separate Financial Regulations incorporating the same principles of financial management apply to schools operating under the scheme of local management. Failure by an Officer of the Council to comply with these Financial Regulations may result in formal disciplinary action being taken against the Officer concerned.
- 1.2 The regulations identify the financial responsibilities of the full Council, Executive (Cabinet) and Overview and Scrutiny members, the Head of Paid Service, the Monitoring Officer, the S151 Officer and other Senior Officers (see the Schedule of Officer Responsibilities). Executive (Cabinet) members and Senior Officers should maintain a written record where decision-making has been delegated to members of their staff, including seconded staff. Where decisions have been delegated, references to the Senior Officer in the regulations should be read as referring to the officer exercising the delegated authority (but note the position in relation to schools set out above).
- 1.3 All members and staff have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, is properly authorised, provides value for money and achieves best value.
- 1.4 The S151 Officer is responsible for maintaining a continuous review of the financial regulations and submitting any material additions or changes necessary to the full Council for approval. The S151 Officer will also issue and maintain more detailed notes of guidance and practice notes, as required to supplement these Financial Regulations, with which all Members and staff of the Council shall comply.
- 1.5 The S151 Officer is also responsible for reporting, where appropriate, breaches of the financial regulations to the Council and/or to the Executive (Cabinet) members.
- 1.6 Senior Officers are responsible for ensuring that all staff in their departments are aware of the existence and content of the authority's financial regulations and other internal regulatory documents and that they comply with them. They must also ensure that an adequate number of copies are available for reference within their departments. Where a Senior Officer employs a consultant or external contractor to undertake any function which might otherwise be undertaken by a direct employee of the Council, the individual(s) concerned must act in accordance with these Regulations and must be made aware by the appropriate Senior Officer of this requirement.
- 1.7 The S151 Officer is ultimately responsible for issuing advice and guidance to underpin the financial regulations that Members, Officers and others acting on behalf of the Authority are required to follow. On a day to day basis, support and advice is available from professional Finance staff across the Authority.

- 1.8 The pages within this document are individually numbered and dated for ease of update and amendment.

Financial Regulations

FINANCIAL REGULATION A: FINANCIAL MANAGEMENT

INTRODUCTION

- 1 Financial management covers all financial accountabilities in relation to the running of the authority, including the policy framework and budget. These Financial Regulations are an integral part of the Council's Constitution and are contained within Part 4 of that Constitution that sets out the Council's "Rules of Procedure". Further details on the roles and responsibilities of Members and Officers are provided in the Council's Constitution.

THE FULL COUNCIL

- 2 The full Council is responsible for adopting the authority's Constitution and members' code of conduct and for approving the policy framework and budget within which the Executive (Cabinet) operates. It is also responsible for approving and monitoring compliance with the authority's overall framework of accountability and control. The framework is set out in its constitution. The full Council is also responsible for monitoring compliance with the agreed policy and related Executive (Cabinet) decisions.
- 3 The full Council is responsible for approving procedures for recording and reporting decisions taken. This includes those key decisions delegated by and decisions taken by Council and its committees. These delegations and details of who has responsibility for which decisions are set out in the constitution.

THE EXECUTIVE (CABINET)

- 4 The Executive (Cabinet) is currently comprised of the Leader and Deputy Leader of the Council and a Cabinet of up to 8 Members. It is responsible for proposing the policy framework and budget to the full Council, and for discharging Executive (Cabinet) functions in accordance with the policy framework and budget.
- 5 Executive (Cabinet) decisions can be delegated to a committee of the Executive (Cabinet), an individual Executive (Cabinet) member, an officer or a joint committee.
- 6 The Executive (Cabinet) is responsible for establishing protocols to ensure that individual Executive (Cabinet) members, or groups of Members comprising any committee, working party or specific task group consult with, and take advice from, relevant officers before taking a decision or making a recommendation within his or her delegated authority. Individual members must take account of legal and financial liabilities and risk management issues that may arise from any decision taken within their delegated authority.

COMMITTEES OF THE COUNCIL

Overview and Scrutiny Committees

- 7 The Overview and Scrutiny Committees will advise the Executive (Cabinet) on policies and strategies of the Council and other relevant bodies within the terms of reference agreed for each commission.
- 8 The Overview and Scrutiny Committees are responsible for scrutinising Executive (Cabinet) decisions before or after they have been implemented, scrutinising the service delivery of the authority, and for holding the Executive (Cabinet) to account.

The Committees will consider the need for, and develop or revise, policies relating to matters within the Committee's remit, and to conduct specific and/or periodic scrutiny of existing policies to ensure effectiveness. The Cabinet, the Council, Cabinet Members, or members of a Policy and Development Scrutiny Committee will refer policy initiatives to the relevant Policy Development and Scrutiny Committee, which will then undertake detailed developmental work in liaison with the appropriate Cabinet Member.

Other Regulatory Committees

- 12 The Council will appoint such regulatory and other committees as are required to discharge specific functions (including appeals and licensing, Officer appointments and planning decisions) and will determine their terms of reference accordingly.

THE STATUTORY OFFICERS

Head of Paid Service

- 13 The Head of Paid Service is responsible for the corporate and overall strategic management of the authority as a whole. Appendix to Financial Regulation A

A1 FINANCIAL MANAGEMENT STANDARDS

1.1 *Why Is This Important?*

1.1.1 All staff and members have a duty to abide by the highest standards of probity in dealing with financial issues. This is facilitated by ensuring everyone is clear about the standards to which they are working and the controls that are in place to ensure that these standards are met.

1.2 *Key Controls*

1.2.1 The key controls and control objectives for financial management standards are:

- (a) their promotion throughout the authority
- (b) a monitoring system to review compliance with financial standards, and regular comparisons of performance indicators and benchmark standards that are reported to the Executive (Cabinet) and full Council.

1.3 *Responsibilities of the S151 Officer*

- 1.3.1 To ensure the proper administration of the financial affairs of the authority.
- 1.3.2 To set the financial management standards and to monitor compliance with them.
- 1.3.3 To ensure proper professional practices are adhered to and to act as head of profession in relation to the standards, performance and development of finance staff throughout the authority.
- 1.3.4 To advise on the key strategic controls necessary to secure sound financial management.
- 1.3.5 To ensure that financial information is available to enable accurate and timely monitoring and reporting of comparisons of national and local financial performance indicators.

1.4 *Responsibilities of Senior Officers*

- 1.4.1 To promote the financial management standards set by the S151 Officer in their departments and to monitor adherence to the standards and practices, liaising as necessary with the S151 Officer.
- 1.4.2 To promote sound financial practices in relation to the standards, performance and development of staff in their departments.

A2 MANAGING EXPENDITURE - VIREMENT

2.1 *Why Is This Important?*

2.1.1 The scheme of revenue virement is intended to enable the Executive (Cabinet), Senior Officers and their staff to manage budgets with a degree of flexibility within the overall policy framework determined by the full Council, and therefore to optimise the use of resources.

2.2 *Key Controls*

2.2.1 Key Controls for the scheme of revenue virement are:

- (a) it is administered by the S151 Officer within guidelines set by the full Council. Any variation from this scheme requires the approval of the full Council
- (b) the overall budget is agreed by the Executive (Cabinet) and approved by the full Council. Senior Officers and budget managers are therefore authorised to incur expenditure in accordance with the estimates that make up the budget. The rules below cover virement; that is, switching resources between approved estimates or heads of expenditure. For the purposes of this scheme, a budget head is considered to be a line in the approved estimates report, or, as a minimum, at an equivalent level to the standard service subdivision as defined by CIPFA's Service Expenditure Analysis
- (c) virement does not create additional overall budget liability. Senior Officers are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should aim to avoid supporting recurring expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Senior Officers must plan to fund such commitments from within their own budgets.

2.3 *Responsibilities of the S151 Officer*

2.3.1 To monitor the exercise of virement by Senior Officers and advise the Executive (Cabinet) of any amendments which may be appropriate over time.

2.4 *Responsibilities of Senior Officers*

2.4.1 A Senior Officer may exercise virement on revenue budgets under his or her control subject to the conditions below.

2.4.2 The prior approval of the Executive (Cabinet) is required for any virement, of whatever amount, where it is proposed to:

- vire between budgets of different accountable Executive (Cabinet) members
- vire between budgets managed by different Senior Officers.

- 2.4.3 Virement that is likely to impact on the level of service activity of another Senior Officer should be implemented only after agreement with the relevant Senior Officer.
- 2.4.4 No virement relating to a specific financial year should be made after 31 March in that year.
- 2.4.5 Where an approved budget is a lump-sum budget or contingency intended for allocation during the year, its allocation will not be treated as a virement, provided that:
 - (a) the amount is used in accordance with the purposes for which it has been established
 - (b) the Executive (Cabinet) has approved the basis and the terms, including financial limits, on which it will be allocated. Individual allocations in excess of the financial limits should be reported to the Executive (Cabinet).

A3 MANAGING EXPENDITURE - TREATMENT OF YEAR-END BALANCES

3.1 *Why Is This Important?*

- 3.1.1 Overspends or underspends in relation to the approved revenue budget may occur for a variety of reasons. There is no 'as of right' carry forward of underspends and clear justification must exist prior to consideration by the Executive (Cabinet) of any request.

3.2 *Key Controls*

- 3.2.1 Appropriate accounting procedures are in operation to ensure that carry-forward requests are robustly based.

3.3 *Responsibilities of the S151 Officer*

- 3.3.1 To administer the scheme of carry-forward within the guidelines approved by the full Council.

3.4 *Responsibilities of Senior Officers*

- 3.4.1 To ensure that all over and underspendings are fully investigated and appropriate corrective action identified and implemented.

A4 ACCOUNTING POLICIES

4.1 *Why Is This Important?*

- 4.1.1 The S151 Officer is responsible for the preparation of the authority's statement of accounts, in accordance with proper practices as set out in the format required by the *Code of Practice on Local Authority Accounting in the United Kingdom: A Statement of Recommended Practice* (CIPFA/LASAAC), for each financial year ending 31 March.

4.2 *Key Controls*

- 4.2.1 The key controls for accounting policies are:

- (d) financial statements are prepared which present fairly the financial position of the authority and its expenditure and income.

4.3 *Responsibilities of the S151 Officer*

4.3.1 To implement appropriate accounting policies which comply with statutory requirements and codes of practice and to ensure that they are applied consistently. The accounting policies are set out in the statement of accounts, which is prepared at 31 March each year, and covers such items as:

- accounting standards
- separate accounts for capital and revenue transactions
- the basis on which debtors and creditors at year end are included in the accounts
- provisions and reserves
- fixed assets
- depreciation
- capital charges
- work in progress
- stocks and stores
- deferred charges
- accounting for value added tax
- government grants

5.1.1 Maintaining proper accounting records is one of the ways in which the authority discharges its responsibility for stewardship of public resources. The authority has a statutory responsibility to prepare its annual accounts to present fairly its operations during the year. These are subject to external audit. This audit provides assurance that the accounts are prepared properly, that proper accounting practices have been followed and that quality arrangements have been made for securing economy, efficiency and effectiveness in the use of the authority's resources.

5.2 Key Controls

5.2.1 The key controls for accounting records and returns are:

- (a) all Executive (Cabinet) members, finance staff and budget managers operate within the required accounting standards and timetables
- (b) all the authority's transactions, material commitments and contracts and other essential accounting information are recorded completely, accurately and on a timely basis
- (c) procedures are in place to enable accounting records to be reconstituted in the event of systems failure
- (d) reconciliation procedures are carried out to ensure transactions are correctly recorded
- (e) prime documents are retained in accordance with legislative and other requirements.

5.3 Responsibilities of the S151 Officer

5.3.1 To determine the accounting procedures and records for the authority. Where these are maintained outside the finance department, the S151 Officer must approve the controls to be applied in consultation with the Chief Officer concerned.

5.3.2 To arrange for the compilation of all accounts and accounting records under his or her direction.

5.3.3 To comply with the following principles when allocating accounting duties:

- (a) separating the duties of providing information about sums due to or from the authority and calculating, checking and recording these sums from the duty of collecting or disbursing them
- (b) employees with the duty of examining or checking the accounts of cash transactions must not themselves be engaged in these transactions.

5.3.4 To make proper arrangements for the audit of the authority's accounts in accordance with the Accounts and Audit Regulations 2015.

5.3.5 To ensure that all claims for funds including grants are made by the due date.

5.3.6 To prepare and publish the audited accounts of the authority for each financial year, in accordance with the statutory timetable and with the requirement for the full Council to approve the statement of accounts before 30 September.

5.3.7 To ensure the proper retention of financial documents in accordance with legislative requirements.

5.4 Responsibilities of Senior Officers

5.4.1 To consult and obtain the approval of the S151 Officer before introducing or making any changes to accounting records and procedures.

- 5.4.2 To consult with the S151 Officer at feasibility study or initial outline specification stage (whichever is the earlier) for any computer system which may have an impact on corporate financial or financial-related systems, including accounting, payments, stock control and income.
- 5.4.3 To comply with the principles outlined in paragraph 5.3.3 when allocating accounting duties.
- 5.4.4 To maintain adequate records to provide a management trail (the “audit trail”) leading from the source of income/expenditure through to the accounting statements.
- 5.4.5 To supply information required to enable the statement of accounts to be completed in accordance with guidelines issued by the S151 Officer.

A6 THE ANNUAL STATEMENT OF ACCOUNTS

6.1 *Why Is This Important?*

- 6.1.1 The authority has a statutory responsibility to prepare its own accounts to present fairly its operations during the year. The Audit Committee is responsible for approving the statutory annual statement of accounts.

6.2 *Key Controls*

- 6.2.1 The key controls for the annual statement of accounts are:
- the authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of these affairs.
 - the authority’s statement of accounts must be prepared in accordance with proper practices as set out in the *Code of Practice on Local Authority Accounting in the United Kingdom: A Statement of Recommended Practice* (the SORP) (CIPFA/LASAAC).

6.3 *Responsibilities of the S151 Officer*

- 6.3.1 To implement appropriate accounting policies and to apply them consistently.
- 6.3.2 To make judgements and estimates that are reasonable and prudent.
- 6.3.3 To comply with the SORP.

Appendix to Financial Regulation B

B1 PERFORMANCE PLANS

1.1 *Why Is This Important?*

1.1.1 Each local authority has a statutory responsibility to publish various performance plans, including crime reduction strategies, community care plans, etc. The purpose of performance plans is to explain overall priorities and objectives, current performance, and proposals for further improvement. Such plans are a key element in the authority's programme of engaging with the public. External audit is required to report on whether the authority has complied with statutory requirements in respect of the preparation and publication of such statutory Plans.

1.2 *Key Controls*

1.2.1 The key controls for performance plans are:

- (a) to ensure that all relevant plans are produced and that they are consistent
- (b) to produce plans in accordance with statutory requirements
- (c) to meet the timetables set
- (d) to ensure that all performance information is accurate, complete and up to date
- (e) to provide improvement targets which are meaningful, realistic and challenging.

1.3 *Responsibilities of the S151 Officer*

1.3.1 To ensure the provision of the financial information that needs to be included in performance plans in accordance with statutory requirements and agreed timetables.

1.3.2 To contribute to the development of corporate and service targets and objectives and performance information.

1.4.2 To contribute to the development of corporate and service targets and objectives and performance information.

1.4.3 To ensure that performance information is monitored sufficiently frequently to allow corrective action to be taken if targets are not likely to be met.

B2 BUDGETING - FORMAT OF THE BUDGET

2.1 *Why Is This Important?*

2.1.1 The format of the budget determines the level of detail to which financial control and management will be exercised. The format shapes how any rules around virement operate, the operation of cash limits and sets the level at which funds may be reallocated within budgets.

2.2 *Key Controls*

2.2.1 The key controls for the budget format are:

- (a) the format complies with all legal requirements
- (b) the format complies with CIPFA's *Best Value Accounting – Code of Practice*
- (c) the format reflects the accountabilities for services.

2.3 *Responsibilities of the S151 Officer*

2.3.1 To advise the Executive (Cabinet) on the format of the budget that is approved by the full Council.

2.4 *Responsibilities of Senior Officers*

2.4.1 To comply with accounting guidance provided by the S151 Officer.

B3 REVENUE BUDGET PREPARATION, MONITORING AND CONTROL

3.1 *Why Is This Important?*

3.1.1 Budget management ensures that once the budget has been approved by the full Council, resources allocated are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the authority to review and adjust its budget targets during the financial year. It also provides the mechanism that holds designated managers accountable for defined elements of the budget.

3.1.2 By continuously identifying and explaining variances against budgetary targets, the authority can identify changes in trends and resource requirements at the earliest opportunity. The authority itself operates within an annual cash limit, approved when setting the overall budget. To ensure that the authority in total does not overspend, each service is required to manage its own expenditure within the cash-limited budget allocated to it.

3.1.3 For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service area or cost centre. However, budgetary control may take place at a more detailed level if this is required by the Chief Officer's scheme of delegation.

3.2 Key Controls

3.2.1 The key controls for managing and controlling the revenue budget are:

- (a) budget managers should be responsible only for income and expenditure that they can influence
- (b) there is a nominated budget manager for each cost centre heading
- (c) budget managers accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities
- (d) budget managers follow an approved certification process for all expenditure
- (e) income and expenditure are properly recorded and accounted for
- (f) performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget.
- (g) Budget Managers must not charge goods and services against the budgets of other managers without obtaining prior agreement.

3.3 Responsibilities of the S151 Officer

3.3.1 To establish an appropriate framework of budgetary management and control that ensures that:

- (a) budget management is exercised within annual cash limits unless the full Council agrees otherwise
- (b) each Senior Officer has available timely information on receipts and payments on each budget which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities
- (c) each cost centre has a single named manager, determined by the relevant Senior Officer. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making processes that commit expenditure
- (d) significant variances from approved budgets are investigated and reported by budget managers regularly.

3.3.2 To administer the authority's scheme of virement.

3.3.3 To submit reports to the Executive (Cabinet) and to the full Council, in consultation with the relevant Senior Officer, where a Senior Officer is unable to balance expenditure and resources within existing approved budgets under his or her control.

3.3.4 To prepare and submit reports on the authority's projected income and expenditure compared with the budget on a regular basis.

3.4 Responsibilities of Senior Officers

3.4.1 To maintain budgetary control within their departments and to ensure that all income and expenditure is properly recorded and accounted for.

- 3.4.2 To ensure that an accountable budget manager is identified for each item of income and expenditure under the control of the Chief Officer (grouped together in a series of cost centres). As a general principle, budget responsibility should be aligned as closely as possible to the decision-making that commits expenditure.
- 3.4.3 To ensure that budget managers do not charge goods and services against the budgets of other managers without obtaining prior agreement.
- 3.4.4 To ensure that spending remains within the service's overall cash limit, and that individual budget heads are not overspent, by monitoring the budget and taking appropriate corrective action where significant variations from the approved budget are forecast.
- 3.4.5 To ensure that a monitoring process is in place to review performance levels/levels of service in conjunction with the budget and is operating effectively.
- 3.4.6 To prepare and submit to the Executive (Cabinet) reports on the service's projected expenditure compared with its budget, in consultation with the S151 Officer.
- 3.4.7 To ensure prior approval by the full Council or Executive (Cabinet) (as appropriate) for significant new proposals:
- (a) create new financial commitments in the current year
 - (b) create financial commitments in future years
 - (c) change existing policies, initiate new policies or cease existing policies
 - (d) materially extend or reduce the authority's services.
- 3.4.8 To ensure compliance with the scheme of virement.
- 3.4.9 To agree with the relevant Senior Officer where it appears that a budget proposal, including a virement proposal, may impact materially on another service area or Chief Officer's level of service activity.

B4 BUDGETS AND MEDIUM-TERM PLANNING

4.1 *Why Is This Important?*

- 4.1.1 The authority is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the authority's plans and policies.

² A report on new proposals should explain the full financial implications, following consultation with the S151 Officer. Unless the full Council or Executive (Cabinet) has agreed otherwise, Chief Officers must plan to contain the financial implications of such proposals within their cash limit.

- 4.1.2 The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the full Council. Budgets (spending plans) are needed so that the authority can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for an authority to budget for a deficit.
- 4.1.3 Medium-term planning involves a planning cycle in which managers develop their own plans. As each year passes, another future year will be added to the medium-term plan. This ensures that the authority is always preparing for events in advance.

4.2 Key Controls

- 4.2.1 The key controls for budgets and medium-term planning are:
- (a) specific budget approval for all expenditure
 - (b) budget managers are consulted in the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Executive (Cabinet) for their budgets and the level of service to be delivered
 - (c) a monitoring process is in place to review regularly the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

4.3 Responsibilities of the S151 Officer

- 4.3.1 To prepare and submit reports on budget prospects for the Executive (Cabinet), including resource constraints set by the Government. Reports should take account of medium-term prospects, where appropriate.
- 4.3.2 To determine the detailed form of revenue estimates and the methods for their preparation, consistent with the budget approved by the full Council, and after consultation with the Executive (Cabinet) and Senior Officers.
- 4.3.3 To prepare and submit reports to the Executive (Cabinet) on the aggregate spending plans of departments and on the resources available to fund them, identifying, where appropriate, the implications for the level of Council tax to be levied.
- 4.3.4 To advise on the medium-term implications of spending decisions.
- 4.3.5 To encourage the best use of resources and value for money by working with Senior Officers to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options, and in developing financial aspects of service planning.
- 4.3.6 To advise the full Council on Executive (Cabinet) proposals in accordance with his or her responsibilities under Section 151 of the Local Government Act 1972.

4.4 Responsibilities of Senior Officers

- 4.4.1 To prepare estimates of income and expenditure, in consultation with and having regard to the formal guidance issued by the S151 Officer, to be submitted to the Executive (Cabinet).

- 4.4.2 To integrate financial and budget plans into service planning, so that budget plans can be supported by financial and non-financial performance measures.
- 4.4.3 When drawing up draft budget requirements, to have regard to:
- (a) guidance issued by the S151 Officer
 - (b) spending patterns and pressures revealed through the budget monitoring process
 - (c) legal requirements
 - (d) policy requirements as defined by the full Council in the approved policy framework
 - (e) initiatives already under way
 - (f) revenue costs of proposed capital schemes

B5 RESOURCE ALLOCATION

5.1 *Why Is This Important?*

- 5.1.1 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities. Resources may include staff, money, equipment, goods and materials.

5.2 *Key Controls*

- 5.2.1 The key controls for resource allocation are:
- (a) resources are acquired in accordance with the law and using an approved authorisation process
 - (b) resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for
 - (c) resources are securely held for use when required
 - (d) resources are used with the minimum level of waste, inefficiency or loss for other reasons.

5.3 *Responsibilities of the S151 Officer*

- 5.3.1 To advise on methods available for the funding of resources, such as grants from central government and borrowing requirements.
- 5.3.2 To assist in the allocation of resources to budget managers.

5.4 *Responsibilities of Senior Officers*

- 5.4.1 To work within budget limits and to utilise resources allocated, and further allocate resources, in the most efficient, effective and economic way.

5.4.2 To identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

B6 Capital Programmes

6.1 *Why Is This Important?*

6.1.1 Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the authority, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.

6.2 *Key Controls*

6.2.1 The key controls for capital programmes are:

- (a) specific approval by the full Council for the programme of capital expenditure (regardless of the funding source)
- (b) if considered appropriate by the s151 Officer, for large or otherwise significant projects, a scheme and estimate, including project plan, progress targets and associated revenue expenditure is prepared for each capital project, for approval by the Executive (Cabinet)
- (c) capital schemes financed from the revenue budget, up to a specified amount will be approved by the Executive (Cabinet), and by full Council where the expenditure exceeds this amount
- (d) no scheme to proceed unless all required finance and other necessary approvals have been obtained
- (e) proposals for improvements and alterations to buildings must be following consultation with the appropriate Senior Officer and the Head of Property and Assets
- (f) if considered appropriate by the s151 Officer, for large or otherwise significant projects, schedules for individual schemes within the overall budget approved by the full Council must be submitted to the Executive (Cabinet) for approval (for example, minor works), or under other arrangements approved by the full Council
- (g) the development and implementation of asset management plans
- (h) a nominated, accountable budget manager for each scheme and/or component of the programme
- (i) monitoring of progress in conjunction with expenditure, and comparison with approved budget and remedial action taken to address overspends.
- (j) compliance with the Council's Procurement Policy and Contract Standing Orders, for example when inviting competing quotes or tenders.

6.3 *Responsibilities of the S151 Officer*

- 6.3.1 To prepare capital estimates jointly with Senior Officers and the Head of Paid Service and to report them to the Executive (Cabinet) for approval. The Executive (Cabinet) will make recommendations on the capital estimates and on any associated financing requirements to the full Council. The approval of the Executive (Cabinet) is required where a Senior Officer proposes to bid for or exercise additional borrowing approval not anticipated in the capital programme. This is because the extra borrowing may create future commitments to financing costs.
- 6.3.2 To prepare and submit reports to the Executive (Cabinet) on the projected income, expenditure and resources compared with the approved estimates and to obtain authorisation for any variations outside approved virement limits.
- 6.3.3 As deemed necessary by the s151 Officer, to issue guidance concerning capital schemes and controls, for example, on project appraisal techniques. The definition of 'capital' will be determined by the S151 Officer, having regard to government regulations and accounting requirements.

6.4 *Responsibilities of Senior Officers*

- 6.4.1 To comply with guidance concerning capital schemes and controls issued by the S151 Officer.
- 6.4.2 To ensure that all capital proposals have undergone a project appraisal in accordance with any guidance that may be issued by the S151 Officer.
- 6.4.3 To ensure that tenders and/or quotations are obtained in accordance with the Council's Procurement Policy and Contract Standing Orders. This includes ensuring that centrally negotiated contracts are used if they are in place.
- 6.4.4 To prepare regular reports reviewing the capital programme provisions for their services. They should also prepare regular returns of estimated final costs of schemes in the approved capital programme for consideration by the S151 Officer and inclusion in regular reports to the Executive (Cabinet) where appropriate.
- 6.4.5 To ensure that adequate records are maintained for all capital contracts in line with Contract Standing Orders.
- 6.4.6 To proceed with projects only when there is adequate provision in the capital programme and with the agreement of the S151 Officer where required.
- 6.4.7 To ensure that all necessary approvals have been received from the Planning Authority, or Government Departments where appropriate.
- 6.4.8 To prepare and submit reports, jointly with the S151 Officer, to the Executive (Cabinet), of any variation in contract costs greater than the amount approved within the Capital Programme. S151 Officer
- 6.4.9 To prepare and submit reports, jointly with the S151 Officer, to the Executive (Cabinet), on completion of all contracts where the final expenditure exceeds the approved contract sum.

- 6.4.10 To ensure that the revenue implications of all capital proposals are fully evaluated, and provision made within the relevant service area revenue cash limit.
- 6.4.11 To ensure s151 Officer approval has been obtained in relation to any unspent budgets in the Capital Programme which are not scheme specific, and which remain unspent at the year-end and are to be carried forward. S151 Officer
- 6.4.12 To ensure that credit arrangements, such as leasing agreements, are not entered into without the prior approval of the S151 Officer and, if applicable, approval of the scheme through the capital programme. All agreements for lease must be reported to Cabinet.
- 6.4.13 To consult with the S151 Officer and to seek Executive (Cabinet) approval where the Chief Officer proposes to bid for external funding to support expenditure that has not already been included in the approved Capital Programme.
- 6.4.14 To ensure that no schemes are brought forward or substituted in the Capital Programme where 'slippage' of an approved scheme may have occurred.

B7 MAINTENANCE OF RESERVES

7.1 *Why Is This Important?*

- 7.1.1 The local authority must decide the level of general reserves it wishes to maintain before it can decide the level of Council Tax. Reserves are maintained as a matter of prudence. They enable the authority to provide for unexpected events and thereby protect it from overspending, should such events occur. Reserves for specific purposes may also be maintained, such as the purchase or renewal of capital items.

7.2 *Key Controls*

- 7.2.1 To maintain reserves in accordance with the *Code of Practice on Local Authority Accounting in the United Kingdom: A Statement of Recommended Practice* (CIPFA/LASAAC) and agreed accounting policies.
- 7.2.2 For each reserve established, the purpose, usage and basis of transactions should be clearly identified.
- 7.2.3 Authorisation and expenditure from specific reserves by the appropriate Senior Officer only with the approval of the S151 Officer (except in the case of allocations from the Council's general contingency reserves, which will require the approval of the Executive (Cabinet)).

7.3 *Responsibilities of the S151 Officer*

- 7.3.1 To advise the Executive (Cabinet) and/or the full Council on prudent levels of general reserves for the authority.

7.4 *Responsibilities of Senior Officers*

- 7.4.1 To ensure that resources are used only for the purposes for which they were intended

FINANCIAL REGULATION C: RISK MANAGEMENT AND CONTROL OF RESOURCES

TRUST FUNDS, FUNDS HELD FOR THIRD PARTIES AND OTHER VOLUNTARY FUNDS

- 17 All trust funds, funds held for third parties and other voluntary(unofficial)funds must be approved by the S151 Officer.  - the proper use of appointment procedures.

Appendix to Financial Regulation C

C1 RISK MANAGEMENT AND INSURANCE

1.1 *Why Is This Important?*

- 1.1.1 All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure the continued financial and organisational well-being of the organisation. In essence it is, therefore, an integral part of good business practice. Risk management is concerned with evaluating the measures an organisation already has in place to manage identified risks and then recommending the action the organisation needs to take to control these risks effectively.
- 1.1.2 It is the overall responsibility of the Executive (Cabinet) to approve the authority's risk management strategy, and to promote a culture of risk management awareness throughout the authority.

1.2 *Key Controls*

- 1.2.1 The key controls for risk management are:
- (a) procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the authority
 - (b) a monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process should be conducted on a continuing basis
 - (c) managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives
 - (d) provision is made for losses that might result from the risks that remain
 - (e) procedures are in place to investigate claims within required timescales
 - (f) acceptable levels of risk are determined and insured against where appropriate
 - (g) the authority has identified service continuity plans for implementation in the event of disaster that results in significant loss or damage to its resources.

1.3 *Responsibilities of the Head of Paid Service and S151 Officer*

Head of Paid Service

- 1.3.1 To prepare and promote the authority's risk management policy statement.
- 1.3.2 To develop risk management controls in conjunction with other Senior Officers.

S151 Officer

- 1.3.3 To include all appropriate employees of the authority in a suitable fidelity guarantee insurance.
- 1.3.4 To effect corporate insurance cover, through external insurance and internal funding, and to negotiate all claims in consultation with other officers, where necessary.
- 1.3.5 To maintain a continuous review of claims experience and to effect the optimum balance of internal and external insurance cover over time.

1.4 *Responsibilities of Senior Officers*

- 1.4.1 To notify the S151 Officer immediately of any loss, liability or damage that may lead to a claim against the authority, together with any information or explanation required by the S151 Officer or the authority's insurers.
- 1.4.2 To co-operate at all times with investigations and supply all information upon request. It is imperative that officers comply with the timescales for investigating claims. Failure could directly affect the authority's ability to defend a claim or could result in financial penalties being imposed on the authority.
- 1.4.3 To take responsibility for risk management, having regard to advice from the S151 Officer and other specialist officers (eg crime prevention, fire prevention, health and safety).
- 1.4.4 To ensure that there is a continuous review of exposure to risk within their departments.
- 1.4.5 To notify the S151 Officer promptly of all new risks, properties or vehicles that require insurance and of any alterations affecting existing insurances.
- 1.4.6 To consult the S151 Officer on the terms of any indemnity that the authority is requested to give.
- 1.4.7 To ensure that employees, or anyone covered by the authority's insurances, do not admit liability or make any offer to pay compensation that may prejudice the assessment of liability in respect of any insurance claim.

C2 INTERNAL CONTROLS

2.1 *Why Is This Important?*

- 2.1.1 The authority is complex and beyond the direct control of individuals. It therefore requires internal controls to manage and monitor progress towards strategic objectives.
- 2.1.2 The authority has statutory obligations, and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.

2.1.3 The authority faces a wide range of financial, administrative and commercial risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks.

2.1.4 The system of internal controls is established in order to provide measurable achievement of:

- (a) efficient and effective operations
- (b) reliable financial information and reporting
- (c) compliance with laws and regulations
- (d) risk management.

2.2 Key Controls

2.2.1 The key controls and control objectives for internal control systems are:

- (a) key controls should be reviewed on a regular basis and the authority should make a formal statement annually (within the Annual Governance Statement) to the effect that it is satisfied that the systems of internal control are operating effectively
- (b) managerial control systems, including defining policies, setting objectives and plans, monitoring financial and other performance and taking appropriate anticipatory and remedial action. The key objective of these systems is to promote ownership of the control environment by defining roles and responsibilities
- (c) financial and operational control systems and procedures, which include physical safeguards for assets, segregation of duties, authorisation and approval procedures and information systems
- (d) an effective internal audit function that is properly resourced. It should operate in accordance with the principles contained in the Public Sector Internal Audit Standards (Applying the IIA International Standards to the UK Public Sector) and with any other statutory obligations and regulations.

C4 AUDIT REQUIREMENTS – EXTERNAL AUDIT

4.1 *Why Is This Important?*

4.1.1 The Local Government Finance Act 1982 set up the Audit Commission, which was responsible for appointing external auditors to each local authority in England and Wales. The current appointment was made by the Audit Commission under a contract running until 2017 or beyond. The contract is now managed by Public Sector Audit Appointments Ltd following the disbanding of the Audit Commission with effect from 1st April 2015. The external auditor has rights of access to all documents and information necessary for audit purposes.

4.1.2 The basic duties of the external auditor are defined in the Audit Commission Act 1998 and the Local Government Act 1999. In particular, section 4 of the 1998 Act requires the Audit Commission to prepare a code of audit practice, which external auditors follow when carrying out their duties. The latest code of practice relating to Local Government was published in 2010 and sets out the auditor's objectives to review and report:

- (a) an opinion on the Council's financial statements
- (b) grant claim certification
- (c) a conclusion on the Council's Use of Resources (including value for money opinion)..

4.1.3 The authority's accounts are scrutinised by external auditors, who must be satisfied that the statement of accounts 'presents fairly' the financial position of the authority and its income and expenditure for the year in question and complies with the legal requirements.

4.2 *Key Controls*

4.2.1 The current external auditors were appointed by the Audit Commission under a contract up to 2017 or beyond. The Audit Commission prepares a code of audit practice, which external auditors follow when carrying out their audits.

4.3 *Responsibilities of the S151 Officer*

4.3.1 To ensure that external auditors are given access at all reasonable times to premises, personnel, documents and assets that the external auditors consider necessary for the purposes of their work.

4.3.2 To ensure there is effective liaison between external and internal audit.

4.3.3 To work with the external auditor and advise the full Council, Executive (Cabinet) and Senior Officers on their responsibilities in relation to external audit.

4.4 *Responsibilities of Senior Officers*

4.4.1 To ensure that external auditors are given access at all reasonable times to premises, personnel, documents and assets which the external auditors consider necessary for the purposes of their work.

4.4.2 To ensure that all records and systems are up to date and available for inspection.

5.1.1 The authority will not tolerate fraud and corruption in the administration of its responsibilities, whether from inside or outside the authority.

5.1.2 The authority's expectation of propriety and accountability is that members and staff at all levels will lead by example in ensuring adherence to legal requirements, rules, procedures and practices.

5.1.3 The authority also expects that individuals and organisations (eg suppliers, contractors, service providers) with whom it comes into contact will act towards the authority with integrity and without thought or actions involving fraud and corruption.

5.4.2 To instigate the authority's disciplinary procedures where the outcome of an audit investigation indicates improper behaviour.

- 5.4.3 To ensure that where financial impropriety is discovered, the S151 Officer is informed. - 5.4.4 To maintain a departmental register of staff interests, such that potential conflicts of interest are identified and avoided wherever possible.

C6 SECURITY OF ASSETS

6.1 *Why Is This Important?*

- 6.1.1 The authority holds assets in the form of property, vehicles, equipment, furniture and other items worth many millions of pounds. It is important that assets are safeguarded and used efficiently in service delivery, and that there are arrangements for the security of both assets and information required for service operations. Up-to-date asset registers (or inventories) are a prerequisite for proper fixed asset accounting and sound asset management.

6.2 *Key Controls*

- 6.4.2 To ensure that lessees and other prospective occupiers of Council land are not allowed to take possession or enter the land until a lease or agreement, in a form approved by the Senior Officer in consultation with the S151 Officer and Head of Property and Assets, has been established as appropriate.

- 6.4.19 To ensure stocks are maintained at reasonable levels, having regard to factors such as turnover, value, delivery quantities and delivery period, and are subject to a regular independent physical check. All discrepancies should be investigated and pursued to a satisfactory conclusion, where significant in conjunction with the S151 Officer.
- 6.4.20 To investigate and remove from the authority's records (ie write off) discrepancies as necessary, in accordance with approved procedures, or to obtain Executive (Cabinet) approval if they are of significant value following consultation with the S151 Officer.

- 6.4.22 To ensure that goods are checked at the time of delivery, matched to order specification and that a delivery note is obtained.

C7 INTELLECTUAL PROPERTY

7.1 *Why Is This Important?*

- 7.1.1 Intellectual property is a generic term that includes inventions and writing. If these are created by the employee during the course of employment, then, as a general rule, they belong to the employer, not the employee. Various acts of Parliament cover different types of intellectual property.
- 7.1.2 Certain activities undertaken within the authority may give rise to items that may be patentable, for example, software development. These items are collectively known as intellectual property.

7.2 *Key Controls*

- 7.2.1 In the event that the authority decides to become involved in the commercial exploitation of inventions, the matter should only proceed following consultation with and on the advice of the S151 Officer.

7.3 *Responsibilities of the S151 Officer*

- 7.3.1 To develop and disseminate good practice through the authority's intellectual property procedures.

7.4 *Responsibilities of Senior Officers*

- 7.4.1 To ensure that controls are in place to ensure that staff do not carry out private work in Council time and that staff are aware of an employer's rights with regard to intellectual property.

C8 DISPOSAL OF ASSETS

8.1 *Why Is This Important?*

- 8.1.1 It would be uneconomic and inefficient for the cost of assets to outweigh their benefits. Obsolete, non-repairable or unnecessary resources should be disposed of in accordance with the law and the documented procedures which are set out as appendices to the Council's Procurement Policy .

8.2 *Key Controls*

- 8.2.1 Assets for disposal are identified and are disposed of at the most appropriate time, and only when it is in the best interests of the authority, and best price is obtained, bearing in mind other factors, such as environmental issues. For items of significant value, disposal should be by competitive tender or public auction.
- 8.2.2 Procedures protect staff involved in the disposal from accusations of personal gain.

8.3 *Responsibilities of the S151 Officer*

- 8.3.1 To issue guidelines representing best practice for disposal of assets.

8.3.2 To ensure appropriate accounting entries are made to remove the value of disposed assets from the authority's records and to include the sale proceeds if appropriate.

8.4 *Responsibilities of Senior Officers*

8.4.1 To ensure that the guidelines on the disposal of surplus or obsolete materials, stores or equipment are followed.

8.4.2 To ensure that income received for the disposal of an asset is properly banked and coded.

C9 TREASURY MANAGEMENT

9.1 *Why Is This Important?*

9.1.1 Many millions of pounds pass through the authority's books each year. This has led to the establishment of formal codes of practice. These aim to provide assurances that the authority's money is properly managed in a way that balances risk with return, but with overriding consideration being given to the security of the authority's financial resources.

9.2 *Key Controls*

9.2.1 That the authority's borrowings and investments comply with the CIPFA *Code of Practice on Treasury Management* and with the authority's treasury policy statement.

9.3 *Responsibilities of S151 Officer*

9.3.1 To arrange the borrowing and investments of the authority in such a manner as to comply with the CIPFA *Code of Practice on Treasury Management* and the authority's treasury management policy statement and strategy.

9.3.2 To report at least twice a year on treasury management activities to the Executive (Cabinet).

9.3.3 To operate bank accounts as are considered necessary – opening or closing any bank account shall require the approval of the S151 Officer.

9.3.4 To ensure that all investments of money are made in the name of the authority or in the name of nominees approved by the full Council.

9.3.5 To ensure that all securities that are the property of the authority or its nominees and the title deeds of all property in the authority's ownership are held in the custody of the appropriate Senior Officer.

9.3.6 To effect all borrowings in the name of the authority.

9.3.7 To act as the authority's registrar of stocks, bonds and mortgages and to maintain records of all borrowing of money by the authority.

9.3.8 To provide employees of the authority with cash or bank imprest accounts to meet minor expenditure on behalf of the authority and to prescribe rules for operating these accounts. Minor items of expenditure should not exceed any prescribed amount.

9.3.9 To reimburse imprest holders as often as necessary to restore the imprests, but normally not more than monthly.

9.4 Responsibilities of Senior Officers

9.4.1 To follow the instructions on banking issued by the S151 Officer.

9.4.2 To ensure that loans are not made to third parties and that interests are not acquired in companies, joint ventures or other enterprises without the approval of the S151 Officer who will be responsible for seeking approval of the Executive (Cabinet) and/or full Council where appropriate.

C10 TRUST FUNDS, FUNDS HELD FOR THIRD PARTIES AND OTHER VOLUNTARY FUNDS

10.1 Why Is This Important?

10.1.1 Trust Funds and other voluntary funds frequently provide service areas with additional sources of finance to provide services to their customers. Although not public money, such funds are administered by employees of the Council in normal work time and therefore minimum standards must be met. In addition, customers, clients and benefactors who contribute to the fund are entitled to expect minimum levels of financial stewardship and accountability.

10.1.2 It is most important that an effective audit is carried out by a person with experience appropriate to the level of turnover of the fund. The table below, shows the Council's recommendations for appointment of auditors: -

Turnover of the fund	Recommended level of Auditor
Less than £10,000	Independent skilled person (e.g. bank or building society official)
Between £10,000 and £20,000	The Council recommends that a qualified Accountant is appointed as the auditor
Over £20,000	A qualified Accountant must be appointed as auditor

Turnover is defined as the greater of receipts or payments in the year.

The auditor must be totally independent from and have no indirect connection with the administration of the fund such as might inhibit the impartial conduct of the audit. This precludes: -

- a relative of any member of staff responsible for administering the fund.

- any member of staff involved in the administration of the fund

10.1.4 In addition the auditor should have the requisite ability and practical experience to carry out a competent examination of the accounts.

10.1.6 Where the annual vatable income of the fund exceeds the VAT registration threshold (currently £55,000), the auditor should be a member of one of the six recognised accountancy bodies: -

- The Institute of Chartered Accountants of England and Wales
- The Institute of Chartered Accountants of Scotland
- The Institute of Chartered Accountants of Ireland
- The Chartered Association of Certified Accountants
- The Chartered Institute of Management Accountants
- The Chartered Institute of Public Finance and Accountancy

10.2 Key Controls

10.2.1 The key controls for Trust Funds, funds held for third parties and other voluntary funds are

- (a) Funds are only used for the purposes for which they are intended
- (b) All funds are audited on an annual basis by an appropriately qualified auditor
- (c) All monies are accounted for and kept separate from Council Funds

10.3 Responsibilities of S151 Officer

10.3.1 To ensure that all trust funds held in the name of the Council are audited in line with any statutory requirements.

10.3.2 To provide guidance on accounting arrangements.

10.4 Responsibilities of Senior Officers

10.4.1 To arrange for all trust funds to be held, wherever possible, in the name of the authority. All officers acting as trustees by virtue of their official position shall deposit securities, etc relating to the trust with the S151 Officer, unless the deed otherwise provides.

10.4.2 To arrange, where funds are held on behalf of third parties, for their secure administration, approved by the S151 Officer, and to maintain written records of all transactions.

10.4.3 To ensure that trust funds are operated within any relevant legislation and the specific requirements for each trust.

10.4.4 To follow all guidance issued by the S151 Officer.

C11 STAFFING

11.1 *Why Is This Important?*

11.1.1 In order to provide the highest level of service, it is crucial that the authority recruits and retains high calibre, knowledgeable staff, qualified to an appropriate level.

11.2 *Key Controls*

11.2.1 The key controls for staffing are:

- (a) an appropriate staffing strategy and policy exists, in which staffing requirements and budget allocation are matched within agreed limits/tolerances
- (b) procedures are in place for forecasting staffing requirements and cost
- (c) controls are implemented that ensure that staff time is used efficiently and to the benefit of the authority
- (d) checks are undertaken prior to employing new staff to ensure that they are appropriately qualified, experienced and trustworthy.

11.3 *Responsibilities of the Head of People and Development*

11.3.1 To act as an advisor to Senior Officers on areas such as National Insurance and pension contributions, as appropriate.

11.4 *Responsibilities of Senior Officers*

11.4.1 To produce an annual staffing budget.

11.4.2 To ensure that the staffing budget is an accurate forecast of staffing levels and is equated to an appropriate revenue budget provision (including on-costs and overheads).

11.4.3 To monitor staff activity to ensure adequate control over such costs as sickness, overtime, training and temporary staff.

11.4.4 To ensure that the staffing budget is not exceeded without due authority and that it is managed to enable the agreed level of service to be provided.

GENERAL

- 2 The S151 Officer is responsible for the operation of the authority's accounting systems, the form of accounts and the supporting financial records. Any changes made by Senior Officers to the existing financial systems or the establishment of new systems must be approved by the S151 Officer. However, Senior Officers are responsible for the proper operation of financial processes in their own departments.
- 3 Any changes to agreed procedures required or identified by Senior Officers to meet their own specific service needs must be agreed with the S151 Officer.
- 4 Senior Officers must ensure that their staff receive relevant financial training that has been approved by the S151 Officer.

Specifically, authorised signatories and the limits of financial responsibility should be formally recorded in line with the procedure issued by the S151 Officer. - 10 The S151 Officer reserves the right to withdraw petty cash/imprest facilities from

officers if it is deemed that they are being used inappropriately or the expenditure limit is exceeded.

- 11 The accounts should be kept on the imprest system and officers should maintain a record of their receipts and payments in a form and manner prescribed by the S151 Officer.

TAXATION

- 12 The S151 Officer is responsible for advising Senior Officers, in the light of guidance issued by appropriate bodies and relevant legislation as it applies, on all taxation issues that affect the authority.

TRADING ACCOUNTS/BUSINESS UNITS

- 14 It is the responsibility of the S151 Officer to advise on the establishment and operation of trading accounts and business units.

Appendix to Financial Regulation D

D1 GENERAL

1.1 *Why Is This Important?*

1.1.1 Service areas have many systems and procedures relating to the control of the authority's assets, including purchasing, costing and management systems. Departments are increasingly reliant on computers for their financial management information. The information must therefore be accurate and the systems and procedures sound and well administered. They should contain controls to ensure that transactions are properly processed and errors detected promptly.

1.1.2 The S151 Officer has a professional responsibility to ensure that the authority's financial systems are sound and should therefore be notified of any new developments or changes.

1.2 *Key Controls*

1.2.1 The key controls for systems and procedures are:

- (a) basic data exists to enable the authority's objectives, targets, budgets and plans to be formulated
- (b) performance is communicated to the appropriate managers on an accurate, complete and timely basis
- (c) early warning is provided of deviations from target, plans and budgets that require management attention
- (d) operating systems and procedures are secure.

1.3 *Responsibilities of the S151 Officer*

1.3.1 To make arrangements for the proper administration of the authority's financial affairs, including to:

- (a) issue advice, guidance and procedures for officers and others acting on the authority's behalf
- (b) determine the accounting systems, form of accounts and supporting financial records
- (c) establish arrangements for audit of the authority's financial affairs
- (d) approve any new financial systems to be introduced
- (e) approve any changes to be made to existing financial systems.

1.4 *Responsibilities of Senior Officers*

1.4.1 To ensure that accounting records are properly maintained and held securely.

1.4.2 To ensure that vouchers and documents with financial implications are not destroyed, except in accordance with arrangements approved by the S151 Officer.

- 1.4.3 To ensure that a complete management trail, allowing financial transactions to be traced from the accounting records to the original document, and vice versa, is maintained.
- 1.4.4 To incorporate appropriate controls to ensure that, where relevant:
- (a) all input is genuine, complete, accurate, timely and not previously processed
 - (b) all processing is carried out in an accurate, complete and timely manner
 - (c) output from the system is complete, accurate and timely.
- 1.4.5 To comply with all other system controls as required by the S151 Officer.
- 1.4.6 To ensure compliance with all guidance and relevant legislation in relation to Inland Revenue and Customs and Excise requirements, and be responsible for meeting any penalties and interest payments which may arise following non-compliance from delegated budgets.
- 1.4.7 To ensure that the organisational structure provides an appropriate segregation of duties to provide adequate internal controls and to minimise the risk of fraud or other malpractice.
- 1.4.8 To ensure there is a documented and tested disaster recovery plan to allow information system processing to resume quickly in the event of an interruption.
- 1.4.9 To ensure that systems are documented and staff trained in operations.
- 1.4.10 To consult with the S151 Officer before changing any existing system or introducing new systems.
- 1.4.11 To establish a scheme of delegation identifying officers authorised to act upon the Chief Officer's behalf in respect of payments, income collection and placing orders, including variations, and showing the limits of their authority; specifically to maintain an up-to-date record of authorised signatories.
- 1.4.12 To supply lists of authorised officers, with specimen signatures and delegated limits, to the S151 Officer, together with any subsequent variations.
- 1.4.13 To ensure that effective contingency arrangements, including back-up procedures, exist for computer systems. Wherever possible, back-up information should be securely retained in a fireproof location, preferably off site or at an alternative location within the building.
- 1.4.14 To ensure that, where appropriate, computer systems are registered in accordance with data protection legislation and that staff are aware of their responsibilities under the legislation.
- 1.4.15 To ensure that relevant standards and guidelines for computer systems issued by the Council's Head of Core Process, Information and Technology are observed.

1.4.16 To ensure that computer equipment and software are protected from loss and damage through theft, vandalism, etc.

1.4.17 To comply with the copyright, designs and patents legislation and, in particular, to ensure that:

- (a) only software legally acquired and installed by the authority is used on its computers
- (b) staff are aware of legislative provisions
- (c) in developing systems, due regard is given to the issue of intellectual property rights.

D2 INCOME

2.1 *Why Is This Important?*

2.1.1 Income can be a vulnerable asset and effective income collection systems are necessary to ensure that all income due is identified, collected, receipted and banked properly. It is preferable to obtain income in advance or at the point of supplying goods or services as this improves the authority's cashflow and also avoids the time and cost of administering debts.

2.2 *Key Controls*

2.2.1 The key controls for income are:

- (a) all income due to the authority is identified and charged correctly, in accordance with an approved charging policy, which is regularly reviewed
- (b) all income is collected from the correct person, at the right time, using the correct procedures and the appropriate stationery
- (c) all money received by an employee on behalf of the authority is paid without delay to the S151 Officer or, as he or she directs, to the authority's bank or National Giro account, and properly recorded. The responsibility for cash collection should, ideally, be separated from that:
 - for identifying the amount due
 - for reconciling the amount due to the amount received
- (d) income received is not used to meet expenditure
- (e) effective action is taken to pursue non-payment within defined timescales
- (f) formal approval for debt write-off is obtained
- (g) appropriate write-off action is taken within defined timescales
- (h) appropriate accounting adjustments are made following write-off action
- (i) all appropriate income documents are retained and stored for the defined period in accordance with the document retention schedule

- (j) money collected and deposited is reconciled to the bank account by a person who is not involved in the collection or banking process.

2.3 Responsibilities of the S151 Officer

- 2.3.1 To agree arrangements and promote best practice for the collection of all income due to the authority and to approve the procedures, systems and documentation for its collection.
- 2.3.2 To collect income due in all cases where formal invoices are raised.
- 2.3.3 To ensure that all income received is banked properly.
- 2.3.4 To order and supply to departments all receipt forms, books or tickets and similar items and to satisfy himself or herself regarding the arrangements for their control.
- 2.3.5 To agree the write-off of bad debts and to report to the Executive (Cabinet) on a periodic basis.
- 2.3.6 To approve all debts to be written off in consultation with the relevant Senior Officer and to keep a record of all sums written off and to adhere to the requirements of the Accounts and Audit Regulations 1996.
- 2.3.7 To establish and initiate appropriate recovery procedures, including legal action where necessary, for debts that are not paid promptly.
- 2.3.8 To ensure that appropriate accounting adjustments are made following write-off action.

2.4 Responsibilities of Senior Officers

- 2.4.1 To establish a charging framework for the supply of goods or services, including the appropriate charging of VAT, which accords with the Council's charging policy and to review it regularly.
- 2.4.2 To separate the responsibility for identifying amounts due and the responsibility for collection, as far as is practicable. Where official invoices are raised, to ensure that the debtor makes payment to the S151 Officer and not to collect or directly pursue income in such cases.
- 2.4.3 To issue official receipts or to maintain other documentation for income collection in a form approved by the S151 Officer.
- 2.4.4 To ensure that at least two employees are present when post is opened so that money received by post is properly identified and recorded.
- 2.4.5 To hold securely receipts, tickets and other records of income for the appropriate period.
- 2.4.6 To lock away all income to safeguard against loss or theft, and to ensure the security of cash handling.

- 2.4.7 To ensure that income is paid fully and promptly into the appropriate authority bank account in the form in which it is received. Appropriate details should be recorded on to paying-in slips to provide an audit trail. Money collected and deposited must be reconciled to the bank account on a regular basis. All cheques, money orders and postal orders received in any service area shall be crossed "Swindon Borough Council".
- 2.4.8 To ensure income is not used to cash personal cheques or make other payments.
- 2.4.9 To ensure that debtor invoices are raised and despatched promptly following any work done, goods supplied or services rendered where payment has not been received at or prior to the point of supply. Senior Officers should establish performance management systems to monitor the timely billing and collection of income and draw any areas of concern to the attention of the S151 Officer. Senior Officers have a responsibility to assist the S151 Officer in collecting debts that they have originated, by providing any further information requested by the debtor, or by the S151 Officer's credit control staff. Specifically, service areas should not themselves pursue income where official invoices have been raised.
- 2.4.10 To ensure that only up to approved (and insured) levels of cash are held on any premises.
- 2.4.11 To keep a record of every transfer of money between employees of the authority. The receiving officer must sign for the transfer and the transferor must retain a copy.
- 2.4.12 To recommend to the S151 Officer debts to be written off and to keep a record of all sums written off up to the approved limit. Once raised, no bona fide debt may be cancelled, except by full payment or by its formal writing off. A credit note to replace a debt can only be issued to correct a factual inaccuracy or administrative error in the calculation and/or billing of the original debt.
- 2.4.13 To notify the S151 Officer of any contracts, leases or other arrangements entered into, which involve the payment of money to the Council.

D3 ORDERING AND PAYING FOR WORK, GOODS AND SERVICES

3.1 *Why Is This Important?*

- 3.1.1 Public money should be spent with demonstrable probity and in accordance with the authority's policies. Authorities have a statutory duty to achieve best value through economy and efficiency. The authority's procedures should help to ensure that services obtain value for money from their purchasing arrangements. These procedures should be read in conjunction with the authority's procurement policy.
- 3.1.2 Every officer and member of the authority has a responsibility to declare any links or personal interests that they may have with purchasers, suppliers and/or contractors if they are engaged in contractual or purchasing decisions on behalf of the authority, in accordance with appropriate codes of conduct.

3.2 *Key Controls*

- 3.2.1 The key controls for ordering and paying for work, goods and services are:

- (a) all goods and services are ordered only by appropriate persons and are correctly recorded
- (b) all goods and services shall be ordered in accordance with the Council's Procurement Policy.
- (c) goods and services received are checked to ensure they are in accordance with the order. Goods should not be received by the person who placed the order
- (d) payments are not made unless goods have been received by the authority to the correct price, quantity and quality standards
- (e) all payments are made to the correct person, for the correct amount and are properly recorded, regardless of the payment method
- (f) all appropriate evidence of the transaction and payment documents are retained and stored for the defined period, in accordance with the document retention schedule
- (g) all expenditure, including VAT, is accurately recorded against the right budget and any exceptions are corrected
- (h) in addition, the effect of e-business/e-commerce and electronic purchasing requires that processes are in place to maintain the security and integrity of data for transacting business electronically.

3.2.2 Official orders must be in a form approved by the S151 Officer and must be issued for all work, goods or services to be supplied to the authority, except for supplies of utilities, periodic payments such as rent or rates, petty cash purchases or other exceptions specified or agreed by the S151 Officer. Standard terms and conditions must not be varied without the prior approval of the S151 Officer.

3.2.3 Apart from petty cash, schools' own bank accounts and other payments from advance accounts, the normal method of payment from the authority shall be by cheque or other instrument or approved method, drawn on the authority's bank account by the S151 Officer. The use of direct debit shall require the prior agreement of the S151 Officer.

3.2.4 Official orders must not be raised for any personal or private purchases, nor must personal or private use be made of authority contracts.

3.3 *Responsibilities of the S151 Officer*

3.3.1 To ensure that all the authority's financial systems and procedures are sound and properly administered.

3.3.2 To approve any changes to existing financial systems and to approve any new systems before they are introduced.

3.3.3 To approve the form of official orders and associated terms and conditions.

3.3.4 To make payments from the authority's funds on the Chief Officer's authorisation that the expenditure has been duly incurred in accordance with financial regulations.

3.3.5 To make payments, whether or not provision exists within the estimates, where the payment is specifically required by statute or is made under a court order.

3.3.6 To make payments to contractors on the certificate of the appropriate Senior Officer, which must include details of the value of work, retention money, amounts previously certified and amounts now certified.

3.3.7 To provide advice and encouragement on making payments by the most economical means.

3.4 Responsibilities of Senior Officers

3.4.1 To ensure that unique pre-numbered official orders are used for all goods and services, other than the exceptions specified in 4.43.

3.4.2 To ensure that no orders are issued for goods or services where the cost is not covered by an approved budget.

3.4.3 To ensure that orders are only used for goods and services provided to and for the use of the service area. Individuals must not use official orders to obtain goods or services for their private use.

3.4.4 To ensure that only those staff authorised by him or her sign orders and to maintain an up-to-date list of such authorised staff, including specimen signatures identifying in each case the limits of their authority. The authoriser of the order should be satisfied that the goods and services ordered are appropriate and needed, that there is adequate budgetary provision and that quotations or tenders have been obtained if necessary. Best value principles should underpin the authority's approach to procurement. Value for money should always be achieved.

3.4.5 To ensure that copy orders are retained and made readily available for inspection and that these contain full details of goods and services to be supplied, prices and discounts where appropriate. To ensure that stocks or unused order forms are held securely by a designated officer in each service area.

3.4.6 To ensure that goods and services are checked on receipt to verify that they are in accordance with the order. This check should, where possible, be carried out by a different officer from the person who authorised the order. Appropriate entries should then be made in inventories or stores records.

3.4.7 To ensure that payment is not made unless a proper VAT invoice has been received, checked, coded and certified for payment, confirming:

- (a) receipt of goods or services
- (b) that the invoice has not previously been paid
- (c) that expenditure has been properly incurred and is within budget provision
- (d) that prices and arithmetic are correct and accord with quotations, tenders, contracts or catalogue prices
- (e) correct accounting treatment of tax
- (f) that the invoice is correctly coded
- (g) that discounts have been taken where available
- (h) that appropriate entries will be made in accounting records.

- 3.4.8 To ensure that two authorised members of staff are involved in the ordering, receiving and payment process. If possible, a different officer from the person who signed the order, and in every case, a different officer from the person checking a written invoice, should authorise the invoice.
- 3.4.9 To ensure that the department maintains and reviews periodically a list of staff approved to authorise invoices. Names of authorising officers together with specimen signatures and details of the limits of their authority shall be forwarded to the S151 Officer.
- 3.4.10 To ensure that payments are not made on a photocopied or faxed invoice, statement or other document other than the formal invoice. Any instances of these being rendered should be reported to the head of internal audit.
- 3.4.11 To encourage suppliers of goods and services to receive payment by the most economical means for the authority. It is essential, however, that payments made by direct debit have the prior approval of the S151 Officer.
- 3.4.12 To ensure that the department obtains best value from purchases by taking appropriate steps to obtain competitive prices for goods and services of the appropriate quality, in accordance with the procurement policy.
- 3.4.13 To ensure that employees are aware of the national code of conduct for local government employees (summarised in the procedures and conditions of employment manual).
- 3.4.14 To ensure that loans, leasing or rental arrangements are not entered into without prior agreement from the S151 Officer. This is because of the potential impact on the authority's borrowing powers, to protect the authority against entering into unapproved credit arrangements and to ensure that value for money is being obtained.
- 3.4.15 To notify the S151 Officer of outstanding expenditure relating to the previous financial year as soon as possible after 31 March in line with the timetable determined annually by the S151 Officer.
- 3.4.16 With regard to contracts for construction and alterations to buildings and for civil engineering works, to document and agree with the S151 Officer the systems and procedures to be adopted in relation to financial aspects, including certification of interim and final payments, checking, recording and authorising payments, the system for monitoring and controlling capital schemes and the procedures for validation of subcontractors' tax status.
- 3.4.17 To notify the S151 Officer immediately of any expenditure to be incurred as a result of statute/court order where there is no budgetary provision.
- 3.4.18 To ensure that all appropriate payment records are retained and stored for the defined period, in accordance with the document retention schedule.

D4 PAYMENTS TO EMPLOYEES AND MEMBERS

4.1 *Why Is This Important?*

4.1.1 Staff costs are the largest item of expenditure for most authority services. It is therefore important that payments are accurate, timely, made only where they are due for services to the authority and that payments accord with individuals' conditions of employment. It is also important that all payments are accurately and completely recorded and accounted for and that members' allowances are authorised in accordance with the scheme adopted by the full Council.

4.2 *Key Controls*

4.2.1 The key controls for payments to employees and members are:

- (a) proper authorisation procedures are in place and that there is adherence to corporate timetables in relation to:
 - starters
 - leavers
 - variations
 - enhancements
 - and that payments are made on the basis of timesheets or claims
- (b) frequent reconciliation of payroll expenditure against approved budget and bank account
- (c) all appropriate payroll documents are retained and stored for the defined period in accordance with the document retention schedule

(In Consultation where appropriate with the Head of People and Development)

4.3.1 To arrange and control secure and reliable payment of salaries, wages, compensation or other emoluments to existing and former employees, in accordance with procedures prescribed by him or her, on the due date.

4.3.6 To ensure that there are adequate arrangements for administering superannuation matters on a day-to-day basis.

4.4 *Responsibilities of Senior Officers*

4.4.1 To ensure appointments are made in accordance with the regulations of the authority and approved establishments, grades scales of pay and approved budget levels.

4.4.2 To notify the S151 Officer promptly of all appointments, terminations or variations which may affect the pay or pension of an employee or former employee, in the form and to the timescale required by the S151 Officer.

4.4.3 To ensure that adequate and effective systems and procedures are operated, so that:

4.4.5 To ensure that payroll transactions are processed only through the payroll system, in order to ensure compliance with Inland Revenue requirements. Senior Officers should give careful consideration to the employment status of individuals employed on a self-employed consultant or subcontract basis. The Inland Revenue applies a tight definition for employee status, and in cases of doubt, advice should be sought from the S151 Officer.

4.4.6 To certify travel and subsistence claims and other allowances. Certification is taken to mean that journeys were authorised and expenses properly and necessarily incurred, and that allowances are properly payable by the authority, ensuring that cost-effective use of travel arrangements is achieved. Due consideration should be given to tax implications and that the S151 Officer is informed where appropriate.

4.4.7 To ensure that the S151 Officer is notified of the details of any employee benefits in kind, to enable full and complete reporting within the income tax self-assessment system.

4.4.8 To ensure that all appropriate payroll documents are retained and stored for the defined statutory period

4.5 Responsibilities of Members

- 4.5.1 To submit claims for members' travel and subsistence allowances on a monthly basis and, in any event, within one month of the financial year end.

D5 IMPREST AND PETTY CASH ACCOUNTS

5.1 Why Is This Important?

- 5.1.1 There are times when it is not appropriate to raise an order and purchase through the creditor payments system. Imprest and petty cash accounts allow:-

- Urgent purchases where officers are unable to obtain goods or services in a timely manner to allow the continued delivery of the service.
- Minor items of expenditure when it would not be cost effective to purchase the item through the creditor payments system.

- 5.1.2 Imprest and petty cash accounts must not be used as methods of avoiding normal purchasing/payment arrangements.

5.2 Key Controls

- 5.2.1 The key controls for imprest and petty cash accounts are:

- (a) all transactions are properly accounted for
- (b) proper authorisation procedures are in place
- (c) there is appropriate supporting documentation for all purchases
- (d) purchases are appropriate and could not be made through the Council's normal payments system
- (e) accounts are kept in balance and reconciled on a regular basis
- (f) cash, cheque books and accounting records are held securely

5.3 Responsibilities of the S151 Officer

- 5.3.1 To establish a petty cash/imprest system to be operated by the Council.
- 5.3.2 To ensure that petty cash is accounted for and correctly presented in the Council's accounts.

5.4 Responsibilities of Senior Officers

- 5.4.1 To ensure that employees operating an imprest account:
- (a) obtain and retain vouchers to support each payment from the imprest account. Where appropriate, an official receipted VAT invoice must be obtained
 - (b) maintain the account in balance and records and submitted as required by the S151 Officer at regular intervals for examination and the reimbursement of expenditure.
 - (c) make adequate arrangements for the safe custody of the account

- (d) produce upon demand by the S151 Officer cash and all vouchers to the total value of the imprest amount
- (e) record transactions promptly
- (f) reconcile and balance the account at least monthly; reconciliation sheets to be signed and retained by the imprest holder
- (g) reconcile and balance the account to the satisfaction of their line manager on leaving the employment of the Council or on ceasing to be responsible for the account
- (h) provide the S151 Officer with a certificate of the value of the account held on request (normally once a year)
- (i) ensure that the float is never used to cash personal cheques or to make personal loans and that the only payments into the account are the reimbursement of the float and change relating to purchases where an advance has been made
- (j) ensure that no income received on behalf of the Council may be paid into a petty cash/imprest account but must be banked or paid into the Council
- (k) repay to the Council the balance of the petty cash/imprest held upon leaving the Council or at the request of the S151 Officer

5.4.2 In no circumstances shall cheque imprest accounts be allowed to go overdrawn.

D6 Taxation

6.1 *Why Is This Important?*

6.1.1 Like all organisations, the authority is responsible for ensuring its tax affairs are in order. Tax issues are often very complex and the penalties for incorrectly accounting for tax are severe. It is therefore very important for all officers to be aware of their role.

6.2 *Key Controls*

6.2.1 The key controls for taxation are:

- (a) budget managers are provided with relevant information and kept up to date on tax issues
- (b) budget managers are instructed on required record keeping
- (c) all taxable transactions are identified, properly carried out and accounted for within stipulated timescales
- (d) records are maintained in accordance with instructions
- (e) returns are made to the appropriate authorities within the stipulated timescale.

6.3 *Responsibilities of the Head of People, Performance and Engagement, and the S151 Officer*

6.3.1 To complete all Inland Revenue returns regarding PAYE.

S151 Officer

6.3.2 To complete a monthly return of VAT inputs and outputs to HM Customs and Excise.

6.3.3 To provide details to the Inland Revenue regarding the construction industry tax deduction scheme.

6.3.4 To maintain up-to-date guidance for authority employees on taxation issues in the accounting manual and the tax manual.

6.4 *Responsibilities of Senior Officers*

6.4.1 To ensure that the correct VAT liability is attached to all income due and that all VAT recoverable on purchases complies with HM Customs and Excise regulations.

6.4.2 To ensure that, where construction and maintenance works are undertaken, the contractor fulfils the necessary construction industry tax deduction requirements.

6.4.3 To ensure that all persons employed by the authority are added to the authority's payroll and tax deducted from any payments, except where the individuals are bona fide self-employed or are employed by a recognised staff agency.

6.4.4 To follow the guidance on taxation issued by the S151 Officer in the authority's accounting manual and VAT manual.

D7 TRADING ACCOUNTS AND BUSINESS UNITS

7.1 *Why Is This Important?*

7.1.1 Trading accounts and business units have become more important as local authorities have developed a more commercial culture. Under best value, authorities are required to keep trading accounts for services provided on a basis other than straightforward recharge of cost. They are also required to disclose the results of significant trading operations.

7.2 *Responsibilities of the S151 Officer*

7.2.1 To advise on the establishment and operation of trading accounts and business units.

7.3 *Responsibilities of Senior Officers*

7.3.1 To observe all statutory requirements in relation to business units, including, where required, the maintenance of a separate revenue account to which all relevant income is credited and all relevant expenditure, including overhead costs, is charged.

7.3.2 To ensure that the same accounting principles are applied in relation to trading accounts as for other services or business units.

7.3.3 To ensure that any business unit prepares an annual business plan.

Appendix to Financial Regulation E

E1 PARTNERSHIPS

1.1 *Why Is This Important?*

1.1.1 Partnerships are likely to play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others: public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.

1.1.2 Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

1.2 *Key Controls*

1.2.1 The key controls for authority partners are:

- (a) if appropriate, to be aware of their responsibilities under the authority's financial regulations and the code of practice on tenders and contracts
- (b) to ensure that risk management processes are in place to identify and assess all known risks
- (c) to ensure that project appraisal processes are in place to assess the viability of the project in terms of resources, staffing and expertise
- (d) to agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences
- (e) to communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

1.3 *Responsibilities of the S151 Officer*

1.3.1 To advise on effective controls that will ensure that resources are not wasted.

1.3.2 To advise on the key elements of funding a project. They include:

- (a) a scheme appraisal for financial viability in both the current and future years
- (b) risk appraisal and management
- (c) resourcing, including taxation issues
- (d) audit, security and control requirements

- (e) carry-forward arrangements
- (f) recovery of overheads.

1.3.3 To ensure that the accounting arrangements are satisfactory.

1.4 Responsibilities of Senior Officers

1.4.1 To maintain a register of all contracts entered into with external bodies in accordance with procedures specified by the S151 Officer.

1.4.2 To ensure that, before entering into agreements with external bodies, a risk management appraisal has been prepared for the S151 Officer.

1.4.3 To ensure that such agreements and arrangements do not impact adversely upon the services provided by the authority.

1.4.4 To ensure that all agreements and arrangements are properly documented.

1.4.5 To provide appropriate information to the S151 Officer to enable a note to be entered into the authority's statement of accounts concerning material items.

E2 EXTERNAL FUNDING

2.1 Why Is This Important?

2.1.1 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of the authority. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds from external agencies such as the National Lottery and the single regeneration budget provide additional resources to enable the authority to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the authority's overall plan.

2.2 Key Controls

2.2.1 The key controls for external funding are:

- (a) to ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood
- (b) to ensure that funds are acquired only to meet the priorities approved in the policy framework by the full Council
- (c) to ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future revenue budgets reflect these requirements.

2.3 *Responsibilities of the S151 Officer*

- 2.3.1 To ensure that all funding notified by external bodies is received and properly recorded in the authority's accounts.
- 2.3.2 To ensure that the match-funding requirements are considered prior to entering into the agreements and that future revenue budgets reflect these requirements.
- 2.3.3 To ensure that audit requirements are met.

2.4 *Responsibilities of Senior Officers*

- 2.4.1 To ensure that all claims for funds are made by the due date.
- 2.4.2 To ensure that the project progresses in accordance with the agreed project and that all expenditure is properly incurred and recorded.

E3 WORK FOR THIRD PARTIES

3.1 *Why Is This Important?*

- 3.1.1 Current legislation enables the authority to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements should be in place to ensure that any risks associated with this work are minimised and that such work is intra vires.

3.2 *Key Controls*

- 3.2.1 The key controls for working with third parties are:
 - (a) to ensure that proposals are costed properly in accordance with guidance provided by the S151 Officer
 - (b) to ensure that contracts are drawn up using guidance provided by the S151 Officer and that the formal approvals process is adhered to
 - (c) to issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.

3.3 *Responsibilities of S151 Officer*

- 3.3.1 To issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.

3.4 *Responsibilities of Senior Officers*

- 3.4.1 To ensure that the approval of the Executive (Cabinet) is obtained before any negotiations are concluded to work for third parties.
- 3.4.2 To maintain a register of all contracts entered into with third parties in accordance with procedures specified by the S151 Officer.
- 3.4.3 To ensure that appropriate insurance arrangements are made.

- 3.4.4 To ensure that the authority is not put at risk from any bad debts.
- 3.4.5 To ensure that no contract is subsidised by the authority.
- 3.4.6 To ensure that, wherever possible, payment is received in advance of the delivery of the service.
- 3.4.7 To ensure that the department/unit has the appropriate expertise to undertake the contract.
- 3.4.8 To ensure that such contracts do not impact adversely upon the services provided for the authority.
- 3.4.9 To ensure that all contracts are properly documented.
- 3.4.10 To provide appropriate information to the S151 Officer to enable a note to be entered into the statement of accounts.

Section A - Scope of Standing Orders and General Information

1 Principles

- 1.1 By law, the Council is required to make standing orders with respect to contracts for the supply of goods or materials or for the execution of works which provide for securing competition and regulation of the manner in which tenders are invited.
- 1.2 These Standing Orders set out the rules which must be followed by the Council when it procures goods, services or works (including disposal of the same). They should be read in conjunction with the Council's Procurement Policy and guidance within the Procurement Toolkit which must also be complied with. The purpose of these Standing Orders is to provide guidance and procedures to assist officers who deal with any form of procurement and are designed to obtain competition, ensure Best Value is achieved, ensure propriety, secure compliance with UK and relevant and applicable International Law and serve to deter fraud and corruption. They also provide a framework within which the contracts process is accountable, transparent and auditable.
- 1.3 The Council is a contracting authority for the purposes of the Public Procurement Regulations 2015 and is thereby legally bound to comply with certain practices and procedures in the award of contracts therefore every contract made by the Council or on its behalf (irrespective of the source of funding) shall comply with the Public Contracts Regulations 2015 (amended by The Public Procurement (Amendments, Repeals and Revocations) Regulations 2016 and The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020), Health Care Services (Provider Selection Regime) Regulations 2023 (for the procurement of Healthcare services), the Procurement Act 2023 and the Procurement Regulations 2024 and all other applicable International and domestic legal requirements including the World Trade Organisations (WTO) Government Procurement Agreement (GPA). In the event that there is any conflict or inconsistency between the provisions of Standing Orders and any legal requirement, the legal requirement shall apply.
- 1.4 The principles of procurement are set out within the Public Contracts Regulations 2015 and include requirements to treat economic operators equally and without discrimination and that the contracting authority shall act in a transparent and proportionate manner. The principles apply generally in the award of public contracts – including those of a value below the GPA Thresholds. Care must be taken at all times to ensure that nothing is done which is discriminatory, improper or which distorts competition.
- 1.5 The procedures for the procurement of “relevant” Health Care services in England are set out within the Health Care Services (Provider Selection Regime) Regulations 2023. The Provider Selection Regime (PSR) does **not** apply to the procurement of goods or non-health care services (unless as part of a mixed procurement). The Procurement of Healthcare services defined by the Common Procurement Vocabulary Codes (CPV)

listed in Section H, must be undertaken in strict compliance with PSR regulations and the Statutory guidance issued by NHS England. The procedural requirements of the PSR have no minimum threshold and the requirements of both the Procurement Authorisation Documents and Gateway will apply to services procured under the PSR at the Thresholds within these Standing Orders. For more information on the PSR, (including procedural and transparency requirements) please review the information available on the Procurement Toolkit.

- 1.6 These Standing Orders supplement the officers' code of conduct and a failure to comply will normally be regarded as a disciplinary offence. Where a person who is not a Council employee is contracted to a position where they are authorised to carry out purchasing functions, it is a condition of their contract that they comply with Standing Orders.

2. Extent and Application

- 2.1 These Contract Standing Orders are made under Section 135 of the Local Government Act 1972 and apply to all contracts for the procurement of all goods, services and works by the Council irrespective of the source of funding, including, ad hoc, one-off requirements, and they will be applied by any employee or agent of Swindon Borough Council undertaking any procurement (or disposal) activity on behalf of the Council.
- 2.2 Standing Orders must be complied with strictly. They are minimum requirements. A more thorough procedure may be appropriate for a particular contract.
- 2.3 These Standing orders **do not apply** to Contracts relating to:
- a) the employment of staff;
 - b) the engagement of specialist legal advice (including Counsel); or
 - c) the acquisition, disposal, or transfer of land (as defined by Section 270 Local Government Act 1972); or
 - d) the contract entered into by a school under a scheme for the Local Management of Schools.
 - e) the award of grants by the Council to third parties, not covered by the relevant Procurement regulations.

3 Officer Responsibilities

3.1 Officers

- 3.1.1 The Officer responsible for purchasing or disposal must comply with:
- these Contract Standing Orders including the relevant procurement processes
 - the Officers Code of Conduct
 - all UK and GPA binding legal requirements
 - Ensuring that agents acting on his/her behalf also comply with these Standing Orders
 - the requirement to take all necessary legal, financial, procurement and professional advice

 - Allowing sufficient time for submission of quotation/tender bids
 - Safe receipt and storage of Tender documents

3.3.2 The Head of Procurement must:

Maintain a register of all contracts awarded in excess of £5,000 awarded by the Procurement Authorisation Document

3.4 Appointment of Agents to Act on Behalf of the Council

It is a condition of appointment that any consultant, architect, surveyor or any other external agent appointed to act on behalf of the Council and who is responsible for completion of a procurement process and / or the supervision of a contract on the Council's behalf will:

3.5 Community Right to Challenge

3.5.1 The Community Right to Challenge means community organisations can submit to Local Authorities an Expression of Interest to run local services. This right is granted under the Localism Act 2011.

- 3.5.2 The relevant Corporate Director in consultation with the Cabinet Member for Finance, the Chief Legal Officer and Head of Service must ensure that appropriate processes are in place for:
- a) where considered appropriate in respect of any relevant service, the publication of details of any specified period in which expressions of interest may be submitted, including publication on the Council's website;
 - b) expressions of interest received to be acknowledged within the statutory time limits; and
 - c) expressions of interest to be assessed and determined.

If an Expression of Interest is accepted by Swindon Borough Council this will trigger a procurement exercise.

4. Exemptions

4.1 An exemption under this Standing Order 4 allows a contract to be placed by direct negotiation with one or more suppliers (rather than in accordance with Standing Order 10) provided it is satisfied that special, exceptional or emergency circumstances justify the exemption.

4.2 Before seeking an exemption the Officer must take any necessary advice from the Head of Procurement, Head of Finance, and Chief Legal Officer (or their nominated representatives).

4.3 Where contract limits dictate that the full extent of the Procurement Regulations apply, exemptions cannot normally be made.

4.4 Senior Officers may propose exemptions in accordance with paragraph 4.4 for contracts below the relevant GPA Procurement thresholds however these must be authorised by the Chief Legal Officer, Head of Procurement and Head of Finance (or their nominated representatives) and the reasons for the exemption recorded using the '**Procurement Authorisation Document**'.

- a) Where an exemption is necessary because of **unforeseen emergency** involving immediate risk to persons, property or serious disruption to Council services
- b) Where an exemption is necessary because the contract relates to Goods, work or services which in the opinion of the Head of Service is **considered urgent**. Exemptions will not be granted through lack of sufficient planning and / or internal process delays.
- c) Where an exemption is necessary because the goods, materials, works or services are of a **proprietary or very specialist nature** in respect of which there or which there is only a single source of supply e.g. patent, copyright or other exclusive design rights exist or because a pilot project is being undertaken.
- d) Where compliance with Standing Orders would result in the Council having to forego a **clear financial or commercial benefit** such as purchase at a dispersal sale or purchase of second hand goods/equipment.
- e) Where an exemption is necessary because specific terms and conditions attached to a **third party funding** source sets out a legally compliant method for the way a contract is to be let.

- b) consult with the Head of Procurement and the Head of Service responsible for the relevant Service Area in connection with any communication received which might constitute an expression of interest;
- c) consult with the Head of Procurement the Head of Service responsible for the relevant service and the Chief Legal Officer as to assessing, determining and responding to an expression of interest;

6. Records

- 6.1 On completion of the Request for Quotation or Tender process, all related documentation and written records (including correspondence with Suppliers and clarifications) must be filed in a master **Contract file** by the Officer and retained for a period appropriate to the contract.
- 6.2 The **Contract file** must be retained in hard copy format on the Council premises or via an approved electronic Contract storage system.
- 6.3 For all contracts in excess of £500,000 for works or require Contract Sealing, the original tender document, the tender clarifications and any subsequent contract variations shall be passed to the to the Chief Legal Officer for safekeeping with copies kept by the officer for practical purposes.
- 6.4 For standard low risk goods and services the retention period will typically be the contract period plus one year, or the period of warranty cover, whichever is the greater. For more complex goods and services contracts and for works contracts, the retention period shall be six years (twelve years if under seal) after the end of the contract in order to deal with any long term contractual issues.
- 6.5 Records relating to unsuccessful Suppliers, including records of any communications with Suppliers must be stored by a suitable method (e.g. Electronically) and retained for a period of 3 years
- 6.6 Disposal of any documents under these standing orders shall be in accordance with the Councils Retention and Disposal Policy.

7. Advertising

- 7.1 All contract opportunities exceeding the relevant GPA procurement Thresholds are required to be advertised on the UK's e-notification service, Find a Tender Service (FTS). Strict rules apply; Officers should refer to the Procurement Toolkit for more information.
- 7.2 It is recommended to consider proportionate advertising for contract opportunities below the relevant GPA procurement thresholds, in particular when;
 - a) The Senior Officer cannot clearly evidence suitable competition from a restricted list
 - b) There is no relevant benchmarking data with regard to pricing
 - c) Tendered prices from an initial restricted list exceeds pre tender estimates
 - d) Qualitative responses from an initial restricted list are not considered adequate
 - e) Best Value cannot be clearly evidenced

The relevant Senior Officer will be responsible for ensuring Best Value is achieved through non advertised contract opportunities. The reasons for not advertising a contract opportunity in excess of £25,000 must be recorded on the Procurement Authorisation Document.

7.3 Contracts Finder/ Find a Tender Service

Find a Tender Service is the UK's e-notification service, a single web-based portal which is provided by or on behalf of the UK Government Cabinet Office for publication of contract notices for placing and finding procurement opportunities in the UK's public sector areas.

Contracts Finder is an UK Government- domestic online portal for Suppliers to search and find new procurement opportunities within England.

For below GPA procurement Threshold contracts, contract opportunities that are in excess of £25,000 (excluding VAT) and that are **advertised** through **any other means** (e.g. Local press, regional tender portals, find a Tender etc.) must also be replicated on Contracts Finder until

the new Procurement Act is implemented, when the advert must then be replicated on Find a Tender. For contract notices that must be published on FTS and Contracts Finder, the notice on FTS must be published first and before it is also published elsewhere. Any additional notices must not provide additional information not referred to in the FTS notice.

Contract award notices for all contract awards exceeding £25,000(excluding VAT) (including single source awards, framework call offs and mini competitions) must also be placed on Contracts Finder no later than 30 days after the contract award date regardless if the original contract opportunity was advertised.

8. Contract Value and Aggregation

Contract value is calculated as the Total Aggregated Value of the requirement across the Council over the contract term (including any potential contract extension periods and additional ad-hoc requirements), exclusive of VAT. When determining if GPA procedures apply to recurrent purchases, the contract value should be measured over the entire contract period including any proposed extensions. Officers are required to consider and include the value of similar requirements in other parts of the Council when calculating a contract value. There are no exceptions to the application of the aggregation rule. On no account should any requirement be split in an attempt to avoid using the proper procedure.

Section C – Conducting a Purchase and Disposal

9. Preliminary Market Consultations (Soft Market Testing)

- 9.1 Before commencing a procurement procedure the Officer responsible for the purchase may conduct market consultations with a view to preparing the procurement and informing suppliers of their procurement plans and requirements.
- 9.2 For this purpose, the Officer may, for example, seek or accept advice from independent experts or authorities or from suppliers.
- 9.3 Such advice may be used in the planning and conduct of the procurement procedure, provided that it does not have the effect of distorting competition and does not result in a violation of the principles of non-discrimination and transparency. All relevant information provided to suppliers during preliminary market consultation shall also be provided to all tenderers to ensure equal treatment.
- 9.4 For more information on preliminary market consultations Officers should refer to the Procurement Toolkit or seek advice from the procurement team.

10. Minimum Competition Thresholds

10.1 See the table below for the processes to be adopted according to the value of the contract:

Procurement Requirement	Value	Procurement Process
All requirements	Up to £25,000	Under £1,000 - at least one verbal quotation Over £1,000 - at least one written quotation obtained. Over £5,000 – recommend Inviting at least three written quotations All requirements in excess of £5,000 must be recorded using the Procurement Authorisation Document. Best Value must be evidenced if only one quotation sought or received and the reasons clearly recorded on self-certified
Goods and Services	Between £25,000 and *GPA Procurement Thresholds	Procurement Authorisation Document. Invite at least three written quotations from the relevant industry (one if a ‘direct call off’ only from an approved framework agreement). Recommend advertising to ensure suitable competition. Best Value must be clearly evidenced if only one quotation/tender is received or advertising is not applied and the reasons recorded on self-certified
Works	Between £25,000 and £500,000	Procurement Authorisation Document. Invite at least three written quotations from relevant industry (one if ‘direct call off’ from an approved framework agreement). Recommend advertising to ensure suitable competition. Best Value must be clearly evidenced if only one quotation/tender received or advertising is not applied and the reasons clearly recorded on self-

certified **Procurement Authorisation Document**.

Goods and Services	Above *GPA Threshold	GPA Compliant Tender process, procurement strategy must be approved through Gateway Procedure prior to tender. Procurement Authorisation Document must also be completed.
Works	Between £500,000 and *GPA Works threshold	Advertising is strongly advised. Alternatively, and if justification to not advertise can be evidenced, invite at least five written quotations from relevant industry. Best Value must be evidenced and the reasons recorded on self-certified Procurement Authorisation Document if advertising not undertaken. For all works contracts in excess of £500,000 Procurement strategy must be approved through Gateway Procedure prior to tender.

** For the latest GPA procurement thresholds please refer to the Procurement Toolkit*

- 10.2 The authorising Officer is responsible for the obligation to conclusively prove Best Value for below GPA threshold purchases.
- 10.3 Assets for disposal must be sent to public auction except where an agreed alternative procedure is in place or where Best Value is likely to be obtained by inviting Quotations and Tenders. In the latter event, the method of disposal of assets other than land must be formally agreed with the Head of Procurement and Senior Finance Manager.
- 10.4 All disposals of ICT equipment must also formally consult with the Head of ICT (or his/her nominated representative) to agree the method for disposal.

11. Procurement Authorisation Document

- 11.1 The Procurement Authorisation Document is an electronic authority document that requires mandatory completion for all contract expenditure in excess of £5,000 (including framework call offs and mini competition) and must be completed by the responsible Officer, and forwarded to the Procurement team within 10 calendar days of the contract award decision to ensure compliance with legislative requirements relating to the publication of Contract award decisions.
- 11.2 The Procurement Authorisation Document must be self-certified by Officers and Senior Officers in line with their **authorised budget permission**, as documented by the Authorised

Signatory List, up to the relevant GPA thresholds for Goods and Services and £500,000 for works contracts.

- 11.3 For all other Contracting decisions, including GPA Procedures, the Councils Gateway process will apply which includes a requirement for formal consultation with the Head of Procurement, Head of Finance and the Chief Legal Officer (or their nominated representatives) before deciding the method of conducting the purchase.
- 11.4 The Procurement Authorisation document must record all supporting evidence on achieving Best Value particularly in restricted tender lists, single source tenders and application of exemptions and must include (but not limited) to the following;
- Confirmation of budget availability
 - Tender Cost has been adequately benchmarked
 - Evidence of market stimulation, where appropriate
 - Evidence of Best Value

12. Gateway Process

The Gateway process is a mandatory scrutiny process for all major procurement exercises undertaken by or on behalf of the Council that exceed the following thresholds;

- a) The relevant GPA threshold for Goods and Services
- b) £500,000 for Works contracts

The Head of Procurement, Chief Legal Officer and the Head of Finance collectively reserve the right to waive the Gateway process in exceptional circumstances only. For more information on the Gateway process, please refer to the procurement toolkit.

13. Framework Agreements

- 13.1 Where there is a benefit to the Council from using another public sector organisation's framework agreement then a due diligence exercise must be undertaken to ensure the suitability of non-standard agreement terms, the Framework has been procured in accordance with the relevant legislation and reference to the ability of the Council to join the Framework under the terms of the original advertisement. The Chief Legal Officer must, in consultation with the Head of Procurement (or their respective nominated representatives) approve the use of framework agreements.
- 13.2 When the use of an approved framework agreement allows for 'Direct call off' with a single supplier then minimum competition requirements under the GPA threshold will be deemed to have been satisfied however the Best Value rationale for using a specified framework shall be clearly set out within the **Procurement Authorisation Document**.
- 13.3 The proposed use of Framework agreements in excess of the GPA threshold for goods and services and £500,000 for works will be assessed as part of the Gateway process.
- 13.3 For all other frameworks where a mini competition must be held the results of the mini competition must be recorded using the **Procurement Authorisation Document**.

14. Evaluation Criteria

14.1 Principles of Evaluation

14.1 The Senior Officer shall be responsible for ensuring that all persons or bodies invited to quote or tender for the supply of goods, services or works to the Council are suitably and proportionately assessed including (but not limited to) assessment of health and safety and financial standing.

14.2 Evaluation of proposals should be based on the "Most Economically Advantageous Tender" and may take account of the best price-quality ratio quality and whole life cost (or simply total acquisition cost), and must be objective, non-discriminatory and proportionate to the subject-matter of the contract.

14.3 Therefore for low value or low risk procurement exercises where the specification can be easily defined and assessed it may be suitable to use 'cost' award criteria only.

14.4 Evaluation of proposals must be strictly adhered to using the individual evaluation criteria weightings and scorings agreed during the planning stage. The criteria, Sub-Criteria and weightings must be agreed prior to the commencement of the process and detailed in any contract advertisements and tender documentation.

14.5 All criteria (including minimum suitability/selection criteria), Sub-Criteria and scoring must be detailed individually so that all suppliers / applicants know what scores are attached to each criteria area.

14.6 Weighting and criteria must not be changed once agreed and published and must be applied consistently across all proposals.

14.7 Where suitability/selection criteria or a separate Pre-Qualification process are to be applied, the evaluation criteria used to select applicants must not be used again in the final evaluation of proposals. Please note that a separate pre-qualification process is only permitted for tenders in excess of the relevant GPA threshold.

14.8 In an open tender process, all proposals that pass the minimum selection/suitability criteria shall have their tender assessed against the award criteria.

14.9 Records are to be kept of positive and negative reasons for scores, and a record made of the relative characteristics of each bid, as agreed by the Evaluation Panel. The Officer should notify in writing all those Suppliers who submitted a tender or quotation about the reasons why their bid was unsuccessful.

14.10 Please note for procurement projects exceeding the relevant GPA procurement Thresholds strict evaluation rules apply, for more information please refer to the Procurement Toolkit.

15. Invitations to Tender/Quotations

15.1 The Use of Standard Documents

Standard invitation to tender, Request for Quotation and selection questionnaire documents are maintained and Officers are required to use the current versions of standard documents available on the Procurement Toolkit

On occasion, amendment may be required to contract terms within the standard documentation to reflect a particular procurement exercise. Advice must be sought from the Chief Legal Officer and Head of Procurement prior to any amendment being made.

The Invitation to Tender or Request for quotation shall state that no tender or quotation will be considered unless it is received by the date and time stipulated in the invitation to tender.

15.2 All Invitations to Tender and Quotations exceeding £25,000 (excluding VAT) shall include the following:

- Instructions to Tenderers
- Notification that tenders are submitted to the Council on the basis that they are compiled at the tenderer's expense
- SBC Terms and Conditions
- Form of Tender
- Certificate of Bona Fide
- Freedom of Information Act 2000 Exemption Clause
- Evaluation Criteria and weightings to include Sub-Criteria.
- Specification
- Delivery Schedules
- Pricing Schedules

Where an Open Procedure is being conducted, a Tender Questionnaire is also to be included.

15.3 The Invitation to Tender or Request for Quotation must also state that the Council reserves the right not to award any contracts as a result of the procurement process, and that the contracting authority will not be liable for any of the Candidates costs in submitting a bid

16. Submission, Receipt and Opening of Tenders and Quotations Appendix 1

16.1 Suppliers invited to respond must be given an adequate period in which to prepare and submit a proper Quotation or Tender, consistent with the urgency and complexity of the contract requirement. The time periods laid down in the Public Contracts Regulations must be followed when they apply.

16.2 Tender opening procedures are set out below:

Type of purchase	Value	Acceptable format for receipt	Officers present at opening
Goods & Services or Works	Under £25,000	Approved E-tender system or Secure Electronic e-mail account	One officer

Goods & Services	Over £25,000 but under the relevant GPA threshold	Approved E-tender system or Secure Electronic e-mail account	Approved e-tender system, one authorised officer. For e-mail minimum two officers.
Goods & Services	GPA threshold and above	Approved E-tender system or alternative method agreed by the Chief Legal Officer	Approved e-tender system, one authorised officer.
Works	£25,001 - £500,000	Approved E-tender system or Secure Electronic e-mail account	Approved e-tender system, one authorised officer. For e-mail minimum two officers.
Works	£500,000 and above	Approved E-tender system or alternative method agreed by the Chief Legal Officer	Approved e-tender system, one authorised officer.

16.3 Tenders must not be opened prior to the stipulated closing date.

16.4 Upon opening, tenders or quotations must be logged immediately within the relevant procurement documentation.

16.5 For e-mail submissions, the procuring officer must ensure that tenderers limit the file size of their submission into a dedicated mailbox that is made available for receipt of tenders/quotations. The Officer must ensure that the mailbox has sufficient storage capacity to receive tenders and monitor the mailbox on a regular basis during the tendering period.
Appendix 1

16.6 Any tender or quotation received after the closing date must be rejected unless the Head of Procurement (or his/her representatives) is satisfied that it would not distort competition and it was submitted to the Council in adequate time but for technical reasons was not received (e.g. sent electronically by the Supplier prior to the closing date).

17. Clarification Procedures and Post-Tender Negotiation

17.1 Providing clarification of an Invitation to Tender to potential Suppliers or seeking clarification of a specification in writing is permitted.

- 17.2 Clarifications responses prepared by the Council in response to a supplier enquiry during a tender process should be communicated to all Candidates in writing to ensure equal treatment.
- 17.3 Officers may conduct post tender clarifications with suppliers regarding their tender submissions however this process must be done in compliance with the legislation and must not distort competition.
- 17.4 The officer must maintain a detailed record of all clarifications conducted during the bidding process and a record kept with the contract file. All clarifications shall also form part of the contract award documentation.
- 17.5 Post-tender negotiation means negotiations with any tenderer after submission of a Tender and before the award of the contract with a view to obtaining an adjustment in price, delivery or content. However, it must not distort competition particularly with regard to price. Post-tender negotiation must not be conducted in a procedure exceeding the Public Contracts Regulations thresholds unless the legislation permits this.
- 17.6 Where post-tender negotiation results in a fundamental change to the specification (or contract terms) the contract must not be awarded but re-tendered.
- 17.7 If post-tender negotiations take place after a single stage tender or after the second stage of a two stage tender and are permitted under the legislation, then such negotiations shall only be undertaken with the tenderer who has previously been identified as submitting the best tender and must not distort competition.
- 17.8 The Head of Procurement (or his/her representatives) must be consulted wherever it is proposed to enter into post-tender negotiation.
- 17.9 Negotiations must be conducted by a team of at least two Officers.
- 17.10 Officers appointed by the Senior Officer to carry out post tender negotiations must ensure that there are recorded minutes of all negotiation meetings and that both parties agree actions and clarifications in writing.

18. Award of Contract

- 18.1 Contracts must be evaluated and awarded in accordance with the Award Criteria.
- 18.2 Every Contract with a value in excess of £25,000 (excluding VAT) to the GPA procurement threshold* shall be signed on behalf of the Council by two Officers one of whom shall be the Senior Officer.

19. Debriefing Suppliers

- 19.1 Suppliers must be notified simultaneously and as soon as possible of any Contracting Decision including information with respect to the evaluation scoring for the supplier being notified and the successful suppliers scoring.
- 19.2 The notification must be in writing and sent electronically either via the approved e-tender system (where this is used) or by email.
- 19.3 For contracts where the Total Value is above the GPA Procurement Thresholds, a formal 'standstill' process will be entered into prior to the award of contract, therefore notification should be accompanied by detailed reasons for the Contracting Decision given in accordance with Procurement legislation, for more information see the Procurement Toolkit.

Section D – Contract Formalities

20. Contract Documents

- 20.1 All Relevant Contracts/orders shall be in writing using the Council's Standard Terms and Conditions contained within the Procurement Toolkit as determined by the value and risk of the individual procurement. When extending a contract (originally allowed for) with a value exceeding £5,000, a Procurement Authorisation Extension Document must be completed and self-certified by the relevant Officer and then sent to the procurement mailbox.

The Head of Procurement or Cabinet Member for this Service Area may from time to time require a report detailing the reasons for the proposed extension.

29.2 The maximum length of the extension should be explicitly stated in the original contract.

29.3 No other extensions to contract period may be made to contracts except when:-

A Senior Officer in consultation with the Head of Procurement, Chief Legal Officer and Head of Finance agree the extension to secure Best Value. The reasons for the extension must be set out by the Senior Officer via the Procurement Authorisation Document and must include a justification for achieving Best Value with reference to cost, benchmarking, market information and performance and any other relevant factors.

Petitions Scheme

- 1 Petitions
 - 1.1 The Council welcomes petitions as one way in which you can let us know your concerns. We set out below how the Council will respond to petitions that you send us.
- 2 What is a petition?
 - 2.1 A petition is any communication that is signed by or sent to us on behalf of a number of people. For practical purposes, we normally set a requirement for at least 10 names or signatures before we treat it as a petition. Whilst we like to hear from people who live, work or study in the Borough, this is not a requirement and we would take equally seriously a petition from, for example, 10 visitors to the STEAM museum on the facilities there.
- 3 What should a petition contain?
 - 3.1 **There should be a clear statement of your concerns and what you want the Council to do.** This must relate to something which is the responsibility of the Council, or over which the Council has some influence. If you are not certain about what the Council does, please contact our Committee and Member Services section on committeeservices@swindon.gov.uk and someone will be happy to assist you. Also, you can look at the guide on our website here: [How to petition the council | Swindon Borough Council](#).
 - 3.2 It must have the name and contact details of the “petition-organiser” or someone to whom you would like any correspondence about the petition to be sent. Contact details may be either a postal address or an email address. When submitting an e-petition you will be asked for both. Without these details we cannot accept it.
 - 3.3 It needs the names of at least 10 people (which can include the petition organiser). The minimum information requested for a petition in paper form is the person’s name, postcode and house number. Full address and email addresses are required to login to sign an e-petition on the Council’s e-petition platform. This same level of information is requested to be made available in relation to petitions conducted through alternative e-petition platforms. The Petitions Officer, in consultation with the Political group leaders, may accept a petition that does not contain all this information should he / she consider this appropriate. We will only print the name and postcode in any Council reports. This information will be used as a safeguard against bogus petitions.

- 3.4 Where the petition is in paper form, this can include an actual signature from each petitioner, but that is not essential. Where the petition is in electronic form, on the Council's e-petition platform, a list of the names of the petitioners will be displayed. You may include the addresses of petitioners on a paper petition, which may be useful to the Council, for example, in assessing the degree of local support or opposition to a problem that affects a precise geographical area.
- 3.5 If the petition is submitted electronically, or if the written petition contains an email address, the Council may use this to inform all petitions of the action the Council has taken.
- 3.6 If you want your petition to be debated at a meeting of the Council ("A Petition for Debate"), or to trigger a public meeting of the Overview and Scrutiny Committee at which a specific officer will be required to report ("A Petition to hold an Officer to Account"), your petition will need to contain a higher number of signatories or petitioners (see below).
- 3.7 Where a petition relates to a matter that is within the responsibility of another public Council, we will ask the petition organiser whether they would like us to redirect the petition to that other Council. For example, if your issue is the responsibility of the police, the NHS etc, we will ask if you want us to send it to their governing body.
- 3.8 Where a petition relates to a matter over which the Council has no responsibility or influence, we will return the petition to the petition organiser with an explanation for that decision.
- 3.9 Where a e-petition is collected via a platform other than the one provided by the Council, the petition organiser must send a file to the Petitions Officer (via CommitteeServices@swindon.gov.uk) with the same information, namely: each person's name, choice, email address, address and date signed. It is for the petition organiser to ensure in advance that this information can be provided.

4 How do you send in a petition?

- 4.1 The Council already undertakes many consultations throughout the year on planning matters or over the opening or closing of schools. Where you submit a petition in response to such a consultation, please address it to the return address set out in the invitation. This will ensure that it is reported at the same time as the matter to which it relates is considered. If you are not certain about where to send the petition, please email CommitteeServices@swindon.gov.uk .

- 4.2 We have appointed the Chief Legal Officer as the ‘Petitions Officer’, who is responsible for receiving, managing and reporting all other petitions sent to the Council. Please send paper petitions to –

The Chief Legal Officer (‘Petitions Officer’)
Swindon Borough Council
Civic Offices
Euclid Street
Swindon
SN1 2JH
Or to CommitteeServices@swindon.gov.uk

- 4.3 Alternatively a ‘request for petition’ can be made via the Council’s e-petition facility. When received, the Petition Officer will review the request and may suggest amendments before making it available for signature.
- 4.4 The Petitions Officer will ensure that each petition is acknowledged to the petition organiser and entered on the Council’s petitions website. The Petitions Officer can also provide you with advice about how to petition the Council or the progress of your petition, at either of the above addresses.

5 Types of Petition

- 5.1 There are five different types of petition, as set out below. How we deal with a petition depends on which type of petition you submit –

Consultation Petitions

- 5.1.1 These are petitions in response to an invitation from the Council for your views on a particular proposal. Consultation petitions which are received by the response date in the consultation invitation will be reported to a public meeting of the person or body which will be taking the decision on the proposal.

Statutory Petitions

- 5.1.2 The Government requires the Council to consider some petitions in a particular manner, for example a petition for a review of parish councils, or a petition for a directly-elected Mayor. Where you submit a petition under such a specific statute, we will report it to the next available meeting of the Council in accordance with the statutory requirements.

Petitions for Debate

5.1.3 If you want your petition to be reported to and debated at a meeting of the Council, it must contain at least 1,500 signatories or petitioners (this is reduced to 750 signatories or petitioners where the petition relates to a local issue, affecting no more than 2 or 3 wards within the Council's area or 350 signatories or petitioners for a single ward issue within the Council's area). If a petitioner is of the view that a petition is either a single ward issue, or affects no more than 2 or 3 wards, the petitioner should contact the Petitions Officer before submission of the petition in order to see whether this is also how it will be viewed by the Petitions Officer. Contact us at either of the above.

Petitions to Hold an Officer to Account

5.1.4 If you want your petition to be considered at a meeting of an Overview and Scrutiny Committee, where an officer, identified either by name or by post title, will be required to answer questions on the conduct of a particular matter, your petition should contain at least 750 names. The Council has determined that such petitions must relate to the Chief Executive, a Corporate Director, a Director or a Head of Service of the Council.

5.1.5 Where the petition raises issues of competence or misconduct, the petition will be referred to the Chief Executive and will be considered under the Council's Disciplinary Procedures, and not under this Petitions Procedure.

Ordinary Petitions

5.1.6 These are petitions that do not come within any of the above specific types. Such petitions will, generally, be referred to an appropriate responsible officer for acknowledgement and to deal with under delegated authority. Please note that petitions that raise issues of possible Councillor misconduct will be taken as complaints arising under the Local Government Act 2000 and will be reported to the Standards Committee, rather than considered under this Petitions Procedure.

6 The Petitions Website

6.1 The Council has established a petitions website.

6.2 When a request for an e-petition is submitted via the e-petition facility on the Council website, this will be made live for signature by the

Petitions Officer within 20 working days of receipt, unless clarification is required on the wording from the petition. If the matter falls outside the petitions scheme, the request for a petition will be rejected and the petitioner will be informed why.

6.3 As soon as it is decided who the e-petition will be considered by within the Council, and when that consideration will occur, this information will be entered on the website at the same time as it is sent to the petition organiser. Once the petition has been considered, the Council's decision will be notified to the petition organiser and put on the website within 10 working days of that consideration.

6.4 E-Petitions are presented on the petitions website in the order in which they are received. All petitions are kept on the website for at least 2 years from the date of receipt.

7 The Role of Councillors

7.1 When a petition is received it will be reported to the relevant decision-maker(s) within the Council (Cabinet Member, Cabinet, Officer, or Regulatory Committee) or an Overview and Scrutiny Committee.

7.2 When a petition is received which relates to a local matter (particularly affecting specific wards) the Petitions Officer will also send a copy of the petition to each relevant Ward Councillor(s) at the same time as acknowledging receipt of the petition to the petition organiser. The relevant Ward Councillor(s) will be invited to attend and to address any meeting at which the petition is considered for up to 5 minutes, immediately after the petition organiser.

8 What happens when a petition is received?

8.1 Within 10 working days of receipt, the Petitions Officer will acknowledge receipt to the petition organiser.

8.2 In some cases, the matter may be able to be resolved by getting the relevant Cabinet Member or officer to take appropriate action. For example, where the petition relates to fly-tipping and the Council can arrange for it to be cleared up directly. Where this is done, the Petitions Officer or the responsible officer will ask the petition organiser whether s/he considers that the matter is resolved.

8.3 Unless the matter has been resolved to the satisfaction of the petition organiser, the Petitions Officer will, within 10 working days of receipt of the petition, provide a substantive response to the petition organiser setting out who the petition will be reported to for consideration. If this involves a meeting of the Council, this will include information on

when and where this will take place and will invite the petition organiser to attend that meeting and to address the meeting for up to 5 minutes on the issue covered by the petition. The petitioner may appoint another person, who is also a signatory, to speak on their behalf. The invitation to the petition organiser to address the meeting is in addition to any other public speaking rights at that meeting.

- 8.4 Whilst we are committed to dealing with petitions promptly, a petition must be received before noon of the tenth day preceding the day of the meeting to which it is to be reported. Where it is necessary to undertake a significant amount of work to collect information and advice to enable the matter to be considered properly, it may be necessary for the Petitions Officer to decide that the petition will be held over until the following meeting of the relevant body.

9 What happens to a Consultation Petition?

- 9.1 Consultations Petitions are submitted in response to an invitation from the Council to submit representations on a particular proposal or policy.
- 9.2 The petition will be reported to person or body who will take the decision on the proposal or policy at the meeting when they are to take the decision. The Council's Constitution defines who will take different types of decision, as set out in the Scheme of Delegations and the Terms of Reference of Committees and Sub-Committees.
- 9.3 Where the petition relates to a matter that is within the delegated power of an officer, s/he will not exercise those delegated powers but will automatically refer the matter up to the relevant Cabinet Member for decision (using the Cabinet Member Decision Note process as set out in of the Constitution).
- 9.4 Where the petition relates to a matter that is within the delegated powers of an individual Cabinet Member, s/he may decide not to exercise those delegated powers but to refer the matter to Cabinet for decision.

10 What happens to a Statutory Petition?

- 10.1 Particular Acts of Parliament require the Council to consider petitions, for example a petition for a review of Parish Councils, or a petition for a directly-elected Mayor. Where you submit a petition under such a specific statute, we will report it to the next available meeting of the Council in accordance with the statutory requirements.

- 11 What happens to Petitions for Debate?
- 11.1 Petitions for Debate will be reported to the next convenient meeting of Council. Petitions will not be considered at the Annual Meeting of Council or at Extraordinary Meetings of Council, which are not convened to consider the subject matter of the petition.
 - 11.2 As set out below, the petition organiser, or their appointed deputy, will be invited to address the meeting for up to 5 minutes on the subject of the petition.
 - 11.3 The petition organiser will be notified of the outcome of the debate and of any follow-up actions that are agreed by the meeting.
- 12 What happens to a Petition to Hold an Officer to Account?
- 12.1 Petitions to hold an officer to account will be reported to the next convenient meeting of an Overview and Scrutiny Committee.
 - 12.2 In advance of the Committee meeting, the petition organiser will be invited to submit a list of questions that they would like put to the officer at the meeting. These questions will be provided to the Chair of the Committee, who will decide whether they are appropriate, and to the officer concerned, in advance of the meeting.
 - 12.3 At the meeting, the Chair will invite the petition organiser to address the Committee for a maximum of 5 minutes on the issue, and the relevant officer will then be required to report to the Committee in relation to the conduct of the subject matter of the petition. Members of the Committee may question the officer, and the Chair may invite the petition organiser to suggest questions for him/her to put to the officer.
- 13 What happens to an Ordinary Petition?
- 13.1 The Petitions Officer will arrange for each Ordinary petition to be reported to the appropriate Cabinet Member and/or Corporate Director or appropriate officer having the delegated Council to deal with the matter, the subject of the petition, or reported to the next convenient meeting of Cabinet, of Council or of a Committee or Sub-Committee of Council that has the power to take a decision on the matter.

14 In the event that a petition is referred to a meeting, when the matter to which the petition relates is considered –

14.1 Petitions that do not relate to an ordinary item of business will be considered before the normal business of the meeting, and will be considered in the order in which they were received, unless the Chair at the meeting determines otherwise¹. A maximum of 30 minutes will be allowed at each meeting for considering all such petitions and consideration of the contents of any petitions not reached in the time allowed will be referred to the relevant Cabinet Member for consideration or deferred until the next meeting.

14.2 In special circumstances the Chair may ask the meeting to suspend standing orders to permit the debate on petitions to extend beyond 30 minutes.

14.3 Any petitions relevant to particular items of business, such as petitions relating to planning applications or proposed traffic regulation orders, will be taken together with that item of business, in the normal order of business.

14.4 The decision-taker or the Chair of the meeting may invite a relevant officer to set out the background to the issue before inviting the petition organiser (or deputy) to address him/her for up to 5 minutes. The Cabinet Member/Chair may then ask questions of the petition organiser, and will then invite any relevant Ward Councillors present to address him/her on the matter for up to 5 minutes (each). The Cabinet Member/Chair will then invite a relevant officer(s) to advise him/her/the meeting, after which the matter will be open for debate among members of the decision-making body or committee. Where the matter is to be determined by a Cabinet Member, s/he will take a decision on the matter. That decision may be a determination of the matter, or may be a decision to refer the matter for investigation and report back, or to refer it up to a meeting of Council, Cabinet or a Committee of the Council for determination.

14.5 Within 10 working days of the consideration of the petition by the relevant Cabinet Member or Council body, the Petitions Officer (or, in the case of Ordinary petitions, the appropriate Cabinet Member, Corporate Director or other appropriate officer) will notify the petition organiser of the Cabinet Member's / Council body's decision and advise him/her that if s/he is not satisfied with that decision, s/he may require the matter to be reported to the next convenient meeting of an Overview and Scrutiny Committee for review.

¹ *In practice, where one person has submitted more than one petition, his/her second petition will be taken after consideration of the first petition submitted by each other person, and so on.*

15 Appeal to an Overview and Scrutiny Committee

- 15.1 If the petition organiser is not satisfied with the outcome of the Council's consideration of his/her petition, he/she may appeal to an Overview and Scrutiny Committee by notifying the Petitions Officer of his/her intention to appeal within 20 working days of being notified of the Council's decision on the petition. The petition organiser should specify, wherever possible, whether the appeal would most appropriately be considered by the Corporate Overview and Scrutiny Committee or the Children's and Adult's Services Overview and Scrutiny Committee.
- 15.2 Within 10 working days of receipt of intention to appeal, the Petitions Officer will confirm which Overview and Scrutiny Committee will consider the appeal, and notify the petition organiser of the time, date and place of the next convenient meeting of the nominated Overview and Scrutiny Committee and will invite the petition organiser (or deputy) to attend the meeting and to address the Committee for up to 5 minutes on why he considers that the Council's decision on the petition is inadequate.
- 15.3 At that meeting, the Overview and Scrutiny Committee will invite the petition organiser and Ward Councillors to make their representations and to explain why s/he considers that the Cabinet Member's / council body's response was insufficient. The Overview and Scrutiny Committee may not over-ride the Cabinet Member or Council body, but the Cabinet Member / Council body must consider any recommendations made by the Overview and Scrutiny Committee.

16 The Role of the Petition Organiser

- 16.1 The petition organiser will receive acknowledgement of receipt of the petition or the request for an e-petition within 10 working days of its receipt by the Council.
- 16.2 Where the petition is not accepted for consideration (see Paragraph 17 below for grounds for rejection of petitions), the petition organiser will be advised by the Petitions Officer of the rejection and the grounds for such rejection.
- 16.3 Where the petition is accepted for consideration, the petition organiser will be advised by the Petitions Officer within 10 working days of receipt by the Council or the completion of an e-petition as to who the petition will be considered by, and the date, time and place of the meeting at which it will be considered, and will be invited to address the meeting for up to 5 minutes. The meeting may then ask the petition organiser questions on the subject matter of the petition.

- 16.4 The petition organiser may nominate another person to address the meeting and to answer any questions on the matter.
- 16.5 The petition organiser will be informed regularly by the Petitions Officer of any decisions in respect of the petition and will be formally notified of the outcome of the petition's consideration within 5 working days of such decision.
- 16.6 The petition organiser may notify the Petitions Officer of his / her intention to appeal to an Overview and Scrutiny Committee against the decision of the Council relating to the petition within 20 working days of being notified of that decision, and may attend and address the meeting of the Overview and Scrutiny Committee for up to 3 minutes as to why s/he considers that the Council's decision on the petition was inadequate.

17 Petitions which will not be reported

Duplicate Petitions

- 17.1 Where more than one petition is received in time for a particular meeting, each supporting the same outcome on one matter, the petition organisers will be asked to combine the petitions and for one petition organiser to address the meeting. If this is unacceptable to the petition organisers, the Petitions Officer will determine which should proceed and who should be invited to address the relevant meeting.

Repeat Petitions

- 17.2 A petition will not normally be considered where it is received within 6 months of another petition being considered by the Council on the same matter.

Rejected Petitions

- 17.3 A petition will not be reported and an e-petition request will be rejected if in the opinion of the Petitions Officer, it:
- Contains intemperate, inflammatory, abusive or provocative language,
 - Is rude, defamatory, scurrilous or vexatious.
 - Is identical or too similar to a petition submitted in the past 6 months.
 - Discloses confidential or exempt information, including information protected by court order or government department.
 - Discloses material which is otherwise commercially sensitive.
 - Provides information relating to the personal and private lives of individual officers of public bodies or makes criminal accusations.

- Contains advertising statements.
- Refers to an issue which is currently the subject of a formal Council complaint, Local Ombudsman complaint or any legal proceedings.
- Relates to a specific issue where there is already a right of appeal.
- Relates to a specific and individual planning or licensing application or decision. Such 'petitions' will be referred to the relevant Officer or Regulatory Committee in accordance with existing procedures for representations.
- Does not relate to something which is the responsibility of the Council, or over which the Council has some influence.

This Code of Conduct is, when viewed as a whole, consistent with the following principles set out in the Localism Act 2011 (as revised to be in accordance with the Fourteenth Report of the Committee on Standards in Public Life published in January 2013):

<u>Principle</u>	<u>Description</u>
<i>Selflessness</i>	Members should act solely in terms of the public interest.
<i>Integrity</i>	Members must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.
<i>Objectivity</i>	Members must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
<i>Accountability</i>	Members are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.
<i>Openness</i>	Members should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.
<i>Honesty</i>	Members should be truthful.
<i>Leadership</i>	Members should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

1. Introduction

This Code of Conduct will:

- help you to understand how you can fulfil your ethical obligations in performing your role
- set clear expectations for your conduct as a public employee in the Council and
- provide guidance to help you deal properly with ethical issues you may encounter in your work.

1.1 Overview

As an employee of the Council, you are involved in complex issues associated with the provision of community services. The way you carry out your duties must promote and maintain public confidence and trust in the work of the Council.

Although there is no single set of rules that can answer all ethical questions, the Council's Code of Conduct provides an ethical framework for the decisions, actions and behaviour of your work as a public official. If you find yourself in a situation where there is no clear agreement on what is 'the right thing to do', you can:

- refer to this Code of Conduct, Ethical Decision Making Guidance (page 23) and/or any applicable guidelines, policies and procedures
- discuss the situation with your line manager and use the Quick Guide to work through the issues
- contact Human Resources, Audit or Law and Democratic Services for assistance.

1.2 What is the Code of Conduct?

This Code of Conduct is designed to provide guidance about what is expected from you in your daily work and in your dealings with elected members, colleagues and the public.

All Council employees must be familiar with the Code of Conduct. This document forms part of your contract of employment and you are required to comply with its contents. Failure to do so may result in disciplinary action, which could include dismissal.

For this reason, it is important that you read the **whole** of this document and ask your manager or supervisor for clarification if there is anything in it that you don't understand and needs explaining. Once you have signed and returned the acceptance section on the flap of the back cover, it will be assumed that you understand its contents and agree to comply with your contract of employment and all the rules and policies, etc that it refers to.

If you have management responsibilities, you need to ensure that employees reporting to you have access to the Code and are given opportunities for training where appropriate.

The basis for this revised document is: the Local Government Act 2000; the working party comprising the Local Government Association, the Employers Organisation and the public sector unions; and the nationwide consultation co-ordinated by the Office of the Deputy Prime Minister (ODPM).

1.3 Who does the Code apply to?

The Code applies to all employees and anyone acting as an employee of Swindon Borough Council. Inevitably, some of the issues covered will affect some employees more than others.

Although the Code does not directly apply to contractors, consultants or volunteers, the Council's continued association with these individuals and/or their organisations requires them to observe and comply with the Code. However, in some instances, compliance may be a condition of the contract between a third party and the Council, in which case their compliance with the Code would be binding. Elected Members have their own Code of Conduct, available on the Council's intranet site.

Breaches of the Code and standards set by the Council may result in disciplinary action. **If you are unsure about any aspect of the Code, please raise it with your manager or supervisor at the earliest opportunity.**

The Council has a responsibility to ensure that:

- You are clear about what is expected of you
- You have a safe and healthy working environment
- You have a work environment that is free from discrimination, harassment or bullying
- You are offered relevant training and development opportunities
- You have the opportunity to choose to be represented by a Trade Union in appropriate circumstances as determined by Council policy

1.4 What can you expect from the Council?

The Council exists to provide services to the public. All these services are delivered by people - the Council's employees. For the Council to run efficiently, it's vital that you understand your work and your responsibilities whilst at work. You also need to understand how your activities outside work may affect your ability to do your work during working hours.

So that you are clear about your responsibilities, the Council has various rules, procedures and policies that affect all employees. Some of these originate from European Law, others from UK Law implemented by Central Government, and others that are specific to the Council. There may also be very particular rules, requirements or codes that apply to your job or work area which you will have been told about before you start work. You will be advised should these rules or procedures change during your working life with the Council.

1.5 What does the Council expect from you?

In summary, you are required to:

- Attend work in a condition where you are able to carry out your duties safely and effectively.
- Act honestly.
- Act with dignity and treat all others with dignity and respect.
- Work in accordance with the terms and conditions of your contract of employment and job description.
- Understand and apply the Council's rules, policies and procedures.
- Be committed to delivering quality services to service users.
- Understand and act in accordance with the Council's vision and values, policy and procedures.

1.6 Where can you find details of the policies and standards that apply to you?

The various sections of this document summarise the Council's key policies and procedures in respect of behaviour and the ways in which you are required to work.

If you are affected by any of the policies contained in this document or you are in any doubt about how they apply to you, you should always refer to the detailed rules or the policies and procedures in full in any of the following ways:

- You can ask for a paper copy from your line manager or supervisor
- You can contact the HR First Response Team on extension 4343 or 0800 032 5642 and either ask for it to be emailed to you or for a paper copy
- Through your New Starter induction process
- You can find the information on the Council's Intranet site, in the Employment section. If you are reading this code on the Intranet, where a relevant document is indicated as available on the Intranet, it can be found by simply clicking on the reference <http://sbcint/employment.htm>

1.7 What happens if the content of the Code changes?

The Council will take every reasonable step to ensure that the Code of Conduct is kept up to date. The most up to date version will always be the one that is available on the Intranet site. Changes to the Code will be consulted on with Trade Unions and widely communicated.

2. Standards of Behaviour

For example:

- Offensive, abusive, belittling or threatening behaviour directed at an individual or group is unacceptable conduct
- It is not acceptable to restrict access to training or promotional opportunities on the basis of sex, sexual orientation, marital status, disability, race, colour, nationality or national origin, religion, age, address or union membership status
- You should make any reasonable adjustment to enable a person with a disability to perform a job
- When dealing with aggressive or agitated customers, you should deal with the person without aggression or bias
- You must not engage in any behaviour of a sexual nature that is unwelcome as it is unacceptable and unlawful conduct. For example leers, suggestive notes or e-mails, innuendo, or touching.

2.1 Workplace Behaviour and Personal Conduct

You should treat colleagues, elected Members and members of the public with dignity and respect.

You should:

- Ensure that your conduct is not inappropriately discriminatory or harassing to others.
- Ensure your behaviour and performance meets work place standards at any time that you are representing the Council or are likely to be identified or associated with your role as a public official (whether or not you are 'on duty' at the time).
- Make sure you are familiar with and follow the Council's policies on equal opportunities and the prevention of discrimination and harassment.
- Make reasonable efforts to develop and maintain appropriate skills in valuing diversity.

2.2 Grievances

If you have a concern or grievance in relation to certain aspects of your employment then you can use the Grievance procedure. This provides an opportunity for you to formally lodge a grievance that has not been resolved through informal means. Any employee who submits a grievance in good faith will not suffer any adverse consequences as a result of submitting the grievance.

2.3 Reporting Absence

If you are unable to attend work for any reason, you must advise your manager as soon as possible. In the specific case of sickness absence, you must advise your manager **within half an hour of your normal start time (at least)** to enable your manager to make alternative arrangements for your work to be covered. Further information is available in the Council's Sickness Absence Policy.

2.4 Misconduct

The Code of Conduct guides and assists employees acting in good faith. If, in your decisions, actions or conduct you wilfully fail to comply with the standards outlined in the Code of Conduct, you will be guilty of misconduct and are likely to fall subject to disciplinary action, which could include dismissal.

2.5 Learning and Development

You are obliged to participate in relevant learning and development opportunities to develop the skills and knowledge necessary to perform your job and to enhance the delivery of services to the community.

You should seek feedback on your work performance and reasonably engage in any plans for improving your work performance.

2.6 Alcohol and Drugs

You must not consume alcohol, use illicit drugs or other illegal substances while at work. You must also ensure that the use of any of them does not adversely affect the work performance and safety of yourself or others, and does not bring the Council into disrepute.

Similarly, if you are taking legally prescribed or over-the-counter drugs, you must ensure that their use does not adversely affect your work performance and the safety of yourself and others.

If you are a supervisor or manager, you will need to consider the options available for assisting employees who are required to take legally prescribed drugs and whose level of performance has been impaired. In these circumstances, a risk assessment should be undertaken with the assistance of the Occupational Health service.

Further guidance is available in the Council's Substance Misuse Policy and Guidance.

For example, if you are:

- On call, you should not consume alcohol in the event that you are recalled to work.
- Taking prescribed medication, you should ensure you are well aware of any side effects that may impair your ability to do your job.

2.7 Health, Safety and Well-Being

All employees have a personal and legal responsibility under the Health and Safety at Work Act 1974 for themselves, colleagues and visitors to the Council's buildings and premises.

These responsibilities are identified in the Council's Health and Safety policy. In summary, the policy states that you must:

- Look after the health and safety of yourself and others who may be affected by your actions or failure to carry out certain actions at work.
- Co-operate with your manager, attend training sessions, carry out reasonable instructions.

3. Protecting the Council and its Employees

For example, you should not:

- Use your status or position to obtain a transfer, promotion, advancement or appointment for yourself or another person or to improperly influence a selection process
- Falsify or improperly edit or destroy official records
- Seek to obtain a more favoured status for a funding application or for services to a particular stakeholder
- Instruct an employee to do any of the above.

3.1 Other Employment

In some instances, your contract of employment may prevent you from undertaking other employment without the written permission of your manager. If this is the case, it will be detailed specifically in your written statement of particulars (what you may refer to as your 'contract').

It is important that you ensure that any additional employment does not conflict with the interests of the Council or affect your ability and credibility to do your job. You must also ensure that Council time and/or resources are not utilised in connection with any approved private employment.

If in doubt, the best thing to do is to discuss the circumstances with your manager. Further guidance is also available in the Council's Additional Employment Policy.

3.2 Use of Authority

You should not use your official position, status, powers or authority to seek to improperly influence a decision or action.

You are expected to provide honest, impartial and comprehensive advice regardless of your personal assessment on a matter. If your personal views conflict with the performance of your official duties or if you believe that you cannot act impartially, you should contact your line manager and attempt to resolve the conflict.

When requested, you are expected to provide Members, the Chief Executive, line managers and co-workers with advice which is frank, independent, based on an accurate representation of the facts and as comprehensive as possible.

When exercising a discretionary power, you should ensure that the power is being used properly, impartially, equitably and is consistent with relevant legislation, delegations, procedures or guidelines. In exercising any power associated with your employment, you must ensure that you are either statutorily authorised to do so or that you have been delegated the power by a person with the necessary authority to issue the delegation.

While use of public resources for non-official purposes may be permitted under relevant Council guidelines, managers should ensure that the use:

- Does not impact on the performance of duties and tasks
- Is not for any unacceptable or unlawful purpose
- Is not related to any private commercial work or income-generating activity
- Does not erode public confidence in the Council
- Does not hinder the work of the Council
- Does not expose the Council to unintended legal liabilities
- Is approved by the Chief Executive or delegate if any cost from the use of property or facilities is incurred, or income derived.

3.3 Conduct Outside Working Time

Generally, what you do outside work is your own concern, but you should avoid doing anything that might adversely affect the reputation of the Council or bring the Council into disrepute. In your official capacity (as a Council employee) or personal capacity, you must not allow your personal interests to conflict with the Council's requirements or use your position to improperly confer an advantage or disadvantage on any person. If you are not sure whether or how this may affect you in your Council role, speak to your manager. If you act contrary to a caution provided by your manager, you may find yourself subject to disciplinary action.

3.4 Criminal Charges and Convictions

The Council requires all applicants for jobs to disclose all contraventions of, or failures to comply with, any provisions of law, whether committed in the UK or elsewhere, unless the Rehabilitation of Offenders Act applies and the rehabilitation period has expired. In some circumstances, Criminal Records Bureau checks are conducted on all successful applicants for certain positions in the Council.

Once you are an employee, you must notify the Council in writing if you are charged with any offence or if you are convicted of any offence. If you are charged with an offence, the notice must be given immediately after you are charged (ie. next working day). If you are convicted of any offence, the notification must be given immediately after you are convicted (ie. next working day). It should be noted that the term "conviction" includes a finding of guilt, regardless of whether or not a conviction is recorded. Failure to notify the Council in either case will constitute grounds for disciplinary action.

3.5 Use of Council Property, Facilities and Equipment

Council facilities are to be used for the Council's business and for no other purpose unless you have your Director's (or their nominees) permission beforehand.

Reasonable personal use of telephones, photocopiers, computers and faxes is allowed provided you have been authorised to do so by your manager. However, no private work may be carried out in the Council's time, or on the Council's premises or with the use of the Council's equipment.

The Council allows reasonable, non-official use of internet and email, as long as individual or service performance is not compromised or adversely affected as a result. Your line manager can provide you with clarification as to what constitutes reasonable, non-official use. However, as a general rule, such use should be restricted to outside of working hours, during lunch breaks etc.

3.6 Dealing with the Council's Money

All employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

Should you have responsibility for budgets and/or purchasing, you must ensure that you understand and comply with the Council's Standing Orders and financial regulations etc.

When committing Council money, you must ensure that there is an approved budget for such expenditure and that the expenditure is within the limits that you are personally authorised to incur.

Employees involved in the tendering process and dealing with contractors must be clear on the separation of client and contractor roles within the Council.

You must declare any financial interest, whether direct or indirect, that you or your partner may have in any contract or proposed contract with the Council. You should also consider declaring non-financial interests, for example, where you do voluntary work for an organisation in receipt of a grant from the Council. If you are in any doubt then you should make a declaration.

3.7 Conflict of Interest

If a conflict occurs between your private interests and public duties you must resolve the conflict in favour of your public duties. You can refer to Council procedures or guidelines for advice in analysing, declaring and registering conflicts of interest.

You must advise your manager in writing of any personal or immediate family private interests that may give rise to a conflict of interest with your official duties, particularly if you are involved in making decisions affecting contracting, tendering or regulatory functions.

You should comply with any reasonable request from the Chief Executive to provide information relating to your personal interests or the interests of a dependent or spouse.

Examples of conflicts (or perceived conflicts) between personal interests and public duties that should be declared and in some cases avoided include:

- Employees in positions that could influence or be perceived to influence, funding allocations, accepting appointments to executive or management positions in organisations that receive or seek to receive funding from the Council.
- Staff who have access to computer databases of customers\updating their own personal records or those of close relatives.
- As a purchasing officer liaising with a supplier who employs one of your close relatives.
- Employees being contracted to provide services to the Council outside of their paid employment.
- Generating work which involves travel to provide an opportunity to visit friends.
- A supervisor who is in a position to approve higher duties or provide other benefits to a subordinate where a close personal relationship exists (such as a partner or family member or close personal friend).
- Involvement with an interview panel when a relationship exists with one of the applicants.

- Small low value gifts such as flowers, a box of chocolates, diaries or similar items that may be used at work or shared with colleagues, may be accepted providing they are declared and recorded in the Register of Interests held by the Monitoring Officer.
- Other non-work related gifts (particularly drinks or hospitality etc) must not be accepted under any circumstances.

3.8 Gifts and Hospitality

The Local Govt Act 1972 states that an employee shall not “under colour of his office or employment accept any fee or reward other than their proper remuneration (i.e. salary/ pay)”

Should you be placed in a position where refusal of a gift would cause offence (this may be particularly relevant around Christmas and other festivals) it is suggested that consideration be given to passing the gift to the Mayor for use in relation to his/her charity.

If you are in any doubt, you should seek the guidance of the Council’s Monitoring Officer, or the Head of Internal Audit before accepting any gifts or hospitality offered.

3.9 Sponsorship

Where the Council sponsors an event or service, an employee, or any partner, spouse or relative must not benefit from the sponsorship. Employees must seek guidance from their manager if they are involved with any event or service that the Council proposes to sponsor.

3.10 Political, Professional and Trade Union Activity

You should ensure that your right to engage in political or professional activities does not result in an actual or perceived conflict of interest with your official duties with the Council. You should ensure that you are able, and be seen to be able, to remain unbiased in the performance of those duties.

Council employees serve the Council as a whole and in carrying out your work you must be politically neutral, ensuring that individual rights of all elected Members are respected. In your capacity as a Council employee, you should not attend meetings of political groups unless specifically authorised by the Chief Executive or your Group Director or Director. Such neutrality does not mean that you cannot be a member of a political party.

If you are a member of a profession, you are expected to uphold the standards of performance and conduct set by the relevant professional association and this Code of Conduct. However, it is noted that there can be exceptions to this where there is legislative authority to do so. If you believe a conflict exists between your official role and the standards of your profession, you must raise your concerns with your line manager.

If you are a workplace representative of a trade union or professional association, you should ensure that when you make public comment, it is clear that comment is made on behalf of the union or association you represent and not the Council. Provisions relating to Facility Time to undertake official union roles are outlined in the Council's Facility Time Agreements.

3.11 Information Disclosure and Confidentiality

As a Council employee, you may obtain information that has not been made public and is still confidential. You must never disclose information given in confidence by anyone, or information acquired which you believe is of a confidential nature, without the consent of a person authorised to give it or unless you are required to by law.

You must not prevent another person from gaining access to information to which that person is entitled by law. You must not disclose confidential information for your own personal use or for use by anyone else known to you, or to the disadvantage or the discredit of the Council or anyone else.

You must always observe the provisions of the Data Protection Act 1998, the Freedom of Information Act 2000 and the Council's procedures for the release of personal information held about other employees or members of the public. Breach of confidentiality may be considered a disciplinary offence, which could result in dismissal.

When you leave your employment with the Council, you must still respect the confidentiality of official information that may have been available to you in the course of your duties and not use this information for private, commercial or political gain.

You must obtain permission from the Chief Executive or their delegate before publishing or disclosing any articles, processes or materials that you have produced as part of your employment.

You must ensure that consultants and contractors engaged to provide a service for the Council are aware that this work is the intellectual property of the Council.

3.12 Intellectual Property

Intellectual property is a legal term that refers to the rights and obligations received and granted, including copyright. Ownership of intellectual property is determined by considering the circumstances in which it was conceived and developed. The Council owns the copyright in material made by, or under its direction. Whether you are an employee or a contractor, copyright in material you produce in the course of your work belongs to the Council, unless otherwise explicitly provided for in your contract of employment.

3.13 Security

You must visibly display your Identification Badge at all times while you are on any Council premises. All employees are required to challenge anyone in an employee and/or secure area of the Council's premises without either an Employee ID or Visitor's Badge. You must not allow any individual not displaying an ID Badge to follow ("tailgate") you into any secure area of the Council's premises.

If you come to work without your badge, you must report to the nearest Customer Services point to collect and use a temporary replacement. If you lose your ID Badge, you must report it immediately to your manager. You will be required to pay for a replacement.

If you have a visitor coming to see you at the Council's premises, you must follow the Visitor Monitoring arrangements.

3.14 Public Comment on Council Policy and Administration

'Public comment' in this section includes public speaking engagements, comments on radio and television, letters to newspapers, and expressing views in books, journals or notices if it is expected that the comments will spread to the community at large.

All media requests for information and enquiries that relate to policy and procedures or operational activities must be referred to the Council's Communications Team. The Council procedure should be followed in these instances.

When making authorised public comment in an official capacity, you must:

- Ensure it is part of your official role.
- Not misrepresent the facts concerning Government or Council policy or administration.
- Comply with the confidential information provisions of the Data Protection Act.
- Respect the confidentiality of information that has not been approved for release either by the Cabinet or through official Council channels.

In your capacity as a private citizen, you have the same rights as any other member of the public to openly discuss or comment on community and social issues. However, there are some circumstances where you may still need to take care in making such comments. For example, a situation could arise when public comment, although made in a private capacity, may appear to be an official comment on behalf of the Council. In such circumstances you should indicate clearly that your comment is made in a private capacity and does not represent the official view of the Council.

It is your responsibility to take all reasonable steps to ensure that any comment will be understood as representing your personal views as a private citizen. If you are a workplace representative of a trade union or professional association, you should ensure that when you make public comment, it is clear that comment is made on behalf of the union or association you represent and not the Council.

If you are in any doubt, contact your line manager or the Director, Customer Communications on telephone number 01793 463020.

3.15 Internal Audit and Risk Management

An effective internal audit function and risk management framework are important mechanisms for the Council to ensure effective internal control, good financial systems and management of risk. All employees have a responsibility to contribute to this work and, where an agreed action plan makes you personally responsible for progressing a particular action, it is your responsibility to ensure that it is undertaken within the agreed timescale.

4. Ways of Working

You should ensure your leadership and management style:

- Is based on open, honest and thorough communication.
- Provides for optimum working conditions within the resources available to you.
- Supports positive performance management processes, including access to related learning and development opportunities for employees.
- Supports the right of employees to engage in open dialogue with you, and to pursue relevant conflict and grievance management options when issues arise.

4.1 Managerial Roles and Responsibilities

As a manager, you have a responsibility to set a good example for employees through your own behaviour and attitudes, especially in relation to upholding the ethical principles, obligations and standards as set in this Code of Conduct. You should ensure that you understand your responsibilities under relevant financial, technological, information, human, knowledge/intellectual and physical asset management legislation, policies and procedures, maintaining the principles of accountability, continuous improvement, fairness, flexibility and equity in the workplace.

You should ensure that employees understand performance standards expected from them and objectively assess their performance against these standards.

You must ensure that relevant legislation, delegations, and Council policies and procedures are accessible to all employees in your workgroup.

You should ensure that all employees who report to you are familiar with the requirements and objectives of their job, and have access to the information, training, supervision, feedback and work conditions needed to achieve them.

You should be honest and objective in reporting the skills and qualities of employees in testimonials; references and performance reports, ensuring your decisions can be substantiated against objective standards and indicators.

You are required to act promptly, thoroughly and fairly when responding to, or investigating grievances and reports of breaches of the Code of Conduct.

To avoid any accusation of bias, you must not be involved in the appointment of any applicant if you are a relative or friend to them. Similarly, you must not be involved in decisions relating to discipline, promotion or pay adjustments for any employee who is a relative, partner or friend. If you are in any doubt, you should discuss the matter with your manager.

4.2 Following Instructions

- You are expected to follow all reasonable and lawful instructions related to your work given by a person with the authority to issue such instructions.
- You should accept that you may not personally agree with all decisions made by your manager.
- You may refuse to comply with an instruction that appears to be unlawful and report the matter to an appropriate senior officer.
- You should tell the person giving an unreasonable instruction that the instruction is, in your view, unreasonable and allow them the opportunity to respond. In the interim, you are generally required to carry out the instruction unless:
 - there is a danger to a person's health and safety or
 - a conflict of interest may exist or
 - it does not comply with Council policy and practice.

Managers must be able to justify their instructions and decisions in line with their delegations, authority, and Council policies and procedures, and be open and respond promptly to constructive questions.

If you object to an instruction on genuine conscientious grounds, or if there may be a perceived conflict with a professional code of ethics, you should attempt to negotiate and resolve the matter with your manager to achieve a mutually acceptable solution. If a local resolution is unable to be reached, refer the issue to your Director or Group Director.

4.3 Working with Councillors

Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and elected Members can damage the relationship and cause embarrassment to other employees. Such familiarity should be avoided. The Council has agreed a Member/Officer Protocol that councillors and officers must comply with. Councillors have their own Code of Conduct that they are also required to comply with.

As a private citizen you have the right to communicate directly with a Member of Parliament on any issue affecting you as a private citizen.

4.4 Communication with Senior Officers and Members

When required, you are expected to provide Members, the Chief Executive or other line managers with advice that is frank, independent, based on accurate and comprehensive representation of the facts. This includes setting out the advantages, disadvantages, costs and consequences of the available options and where appropriate, recommending a course of action.

When communicating directly with Members on issues affecting you as a private citizen, you should ensure your actions comply with the obligations relating to public comment.

4.5 Working with Local Community and Service Users

Employees should always remember their responsibilities to the community they serve and should provide courteous, efficient and impartial service delivery to all groups and individuals within the community.

4.6 Working with Contractors

All relationships of a business or private nature with external contractors, or potential contractors, should be made known in writing to the Director of Procurement and copied to the Director of Law and Democratic Services. Orders and contracts must be awarded in accordance with the Council's Standing Orders and procurement process. No special favour in the tendering process must be shown to businesses run by, for example, friends, partners, or relatives. No part of the local community must be discriminated against.

4.7 Working Safely

Any activity that presents a significant risk to the health, safety or well-being of an employee or other person must have been subject to a written risk assessment. This is a tool which managers must use to determine the safest and best way of carrying out the work, including appropriate training, personal protective equipment etc. Appropriate safety controls should all be summarised on the risk assessment or safe system of work procedure and provided to the relevant employees.

Employees must follow the resulting safe system of work to ensure their safety and that of others is not put at risk. If these are not in place, speak to your manager in the first instance or your Health and Safety adviser.

For example, you must:

- Comply with the instructions given for workplace health and safety at the workplace by the Council.
- Use personal protective equipment if the equipment is provided and you have been properly instructed to use it.
- Not wilfully or recklessly interfere with or misuse anything provided for workplace health and safety at the workplace.
- Not wilfully place at risk the health and safety of any person at the workplace.
- Not wilfully injure yourself.
- Report to your supervisor any workplace hazards that cannot be immediately rectified.
- Ensure that you comply in practice with any guidelines given for performing manual handling tasks.
- Take all reasonable steps to ensure that employees you supervise are following guidelines and have access to job-specific training.

4.8 Dress Standards

Your dress style must reflect appropriate workplace health, safety and security considerations applicable to your job and work environment.

5. Reporting Breaches of the Code and Whistleblowing

Disclosures might be about:

- Official misconduct
- Incorrect administration
- Negligent or improper management affecting public funds.

If you are concerned about any practice you see in the Council which you think conflicts with the Code of Conduct, you should obtain advice from your manager, your department head, Trade Union representative, or any other appropriate person as identified in the Council's policies referred to in the Code of Conduct.

The Public Interests Disclosures Act 1998 and the Council's Disclosure (Whistleblowing) Policy can provide safeguards for employees and public officials who disclose unlawful and improper conduct including breaches of this Code.

Public interest disclosures should be made directly to the Monitoring Officer, who is the Director, Law and Democratic Services, or to the Head of Internal Audit on the confidential whistleblowing line 01793 464603.

Any suspicion of money laundering must be reported in the first instance to the Director of Finance.

6. A Quick Guide

A Quick Guide To Making an ethical decision

Not every ethical dilemma can be detailed in a Code of Conduct. This is because every situation is different. To help you assess a situation, a useful rule is – **when in doubt, talk about it**. You can talk with your manager, a colleague, trade union representative, or an adviser from Human Resources or Law and Democratic Services.

It is important to analyse all the relevant facts and circumstances before deciding what is the ethical thing to do.

1. What is the problem? – describe the situation

- What is happening and who is involved?
- Who is affected?
- What are the job expectations?
- What are the actual or foreseeable consequences and impact?
- What guidance is there in legislation and the Code of Conduct?
- Which Council policy or procedure applies?
- Why do I feel uncomfortable with this?

2. Is it an ethical problem? – apply the Code of Conduct

- What ethics obligations and standards apply?
- Would the public see the proposed conduct, decision or advice as fair, honest and appropriate?
- Is the public's confidence in the Council at risk?
- Are the values of natural justice, accountability and reasonableness met?
- Has the Council's duty of care been compromised?
- Are my personal and professional beliefs and values compromised?

3. What action should be taken? – identify options

- Do I have the power or authority to deal with the issue?
- Who else should I talk to?
- What options are available that meet the relevant ethics principles?
- What is consistent with current policy and practice?
- What are the pros and cons of each option?
- How would the public view these options?
- What feels right to me as a professional public official?

4. What is the most ethical option? – choose a course of action

- Is the decision fair and equitable as outlined in the ethics principles?
- Does it provide a reasonable balance between competing interests and values?
- Is it consistent with relevant legislation, policy and practice?
- Can the decision be justified to Members and the public?
- Can the decision be easily explained?
- Is it easy to document the key issues and explain the reasons for the decision?
- Do I feel comfortable?

5. What changes may need to occur? – follow up

- Is this ethical issue an isolated event or does it represent a wider Council issue?
- Who needs to be advised and how?
- What do I need to do to prevent the situation occurring again?

Guidance for Swindon Borough Councillors for interacting with the Media and for using Social Media

PART ONE: INTERACTING WITH THE MEDIA

1. Background

- 1.1 The role of the Council's Communications Team is to promote and inform residents about Council policies and services and to invite consultation responses. It is essential that all reporting on issues is factual, balanced and not politically biased, and that it complies with the Code of Conduct on local council publicity issued by the Secretary of State under Section 4 of the Local Government Act 1986.

2. Council News Releases

- 2.1 All news releases and publications issued by the Council should cover the Council's policies and services in a clear, concise and positive manner.
- 2.2 Quotations from elected Members can be included on the following basis:
- That they positively promote the Council's policies and services
 - All quotations by Members should be cleared by the appropriate Cabinet Member and/or Leader of the Council apart from quotes by the Council's committee chairs.
 - Members quoted will always be referred to by name and official title, e.g. Cabinet Member for XXX.
- 2.3 Council publications will feature articles on all Council policies, services and events likely to be of current media interest.
- 2.4 Ministers of State visiting Swindon for an event/support of a Council initiative can be featured in Council releases with pictorial support, subject to the approval of the relevant Government press office and the Leader of the Council.
- 2.5 Reference to local MPs should only be included in releases when they are supporting a specific Council policy or initiative which is relevant to them. In all instances, the relevant Cabinet Member or Leader of the Council should agree the release before it is issued.
- 2.6 Officers should not be quoted in Council news releases, undertake interviews or respond to media enquiries without clearance from the Communications Team. The Communications Team will make every effort to contact the relevant Cabinet Member before a decision is made.

3. Party Political Group Media Releases

- 3.1 The Council's officers are employed by the Council itself and not by political groups. Although officers are free to support political causes in their own time they are required to remain politically neutral when carrying out their duties. Councillors should not therefore use photographs of or comments by officers to promote their own causes or profile. Councillors wishing to use publicity material which may feature council officers should first consult with the Chief Executive or the Chief Legal Officer.
- 3.2 The Council's Communications Team welcomes timely copies of releases sent out by the individual political groups for information.

4. Comments by Individual Members

- 4.1 As a Councillor or a Committee or Sub-Committee Member, Members will acquire much information that has not yet been made public and is still confidential. The Member's Code of Conduct makes clear that it is a breach of the Code to disclose such confidences, except in limited instances. Members should never disclose or use confidential information for their personal advantage or of anyone known to them, or to the disadvantage or the discredit of the Council or anyone else.
- 4.2 Members will also come across confidential information from sources other than the Council. Members should not make public comment on issues not formally in the public domain, such as would bring the Council into disrepute.
- 4.3 Subject to the above, Councillors are free to make whatever comment they may wish in whatever media they choose, but they must ensure the accuracy of the comment and are advised to first clear it with their Group. Any quotation should make clear whether it is the Councillor's own view expressed or whether it is a view expressed on behalf of others.
- 4.4 If a Councillor is misquoted, or his/her views misrepresented, then the Member has a responsibility to seek in writing to correct the matter and, if appropriate, copy to others affected.

5. Complaints

- 5.1 If any political group believes that these guidelines have been broken, this should first be raised without delay with the Monitoring Officer, who will consult as appropriate with the Chief Executive.

PART TWO – SOCIAL MEDIA GUIDANCE FOR COUNCILLORS

6. Background

- 6.1 Councillors should be as open as possible about the things they do and the decisions they make when acting, or appearing to act, in their 'official' capacity. Social media is an excellent tool which Councillors can use to communicate with residents – not only in getting their own messages 'out there', but also as a way of constituents getting in touch with them or alerting them to a local issue.
- 6.2 The use of Social Media does carry with it some pitfalls, however, and Councillors should be familiar with these and bear in mind at all times that errors when using, or misuse of, social media can have serious implications for the Councillor, for the Council, and sometimes for one or more of our residents.
- 6.3 Once you have published a comment or picture on social media it has effectively left your control. It is almost impossible to retrieve and completely delete data once it has been published – it may already have been downloaded, copied, edited, manipulated and posted elsewhere (sometimes being used in a different context) before you have deleted it from your own account.

7. Ground rules and legal considerations:

- 7.1 When you use social media you are 'publishing' comments and views and other content, and you should take care not to fall foul of the law when you do so, even if you are simply responding to another person's comment or post, or are re-tweeting or sharing content already published by someone else.
- 7.2 Matters to bear in mind:
 - 7.2.1 Defamation – if you publish an untrue statement about a person which is damaging to their reputation you may have to pay damages.
 - 7.2.2 Copyright – if you publish – or re-publish – content or information belonging to someone else without their permission you could be liable to pay damages to the owner of that information.
 - 7.2.3 Harassment – it is a criminal offence to pursue a campaign against a person if it is likely to cause them alarm, harassment or distress.
 - 7.2.4 Data protection – you must never publish personal information about other people, including photographs, without their express permission to do so. Where a resident wishes to engage with a Councillor to seek help with a problem, they should be encouraged to communicate via private message or to email the Councillor's @swindon.gov.uk email address. Where a resident inadvertently places their own personal information into the public domain when communicating with a Councillor, the Councillor should take immediate steps to remove the information and help the resident to identify a private method of communication.
 - 7.2.5 Incitement – it is an offence to incite any person to carry out a criminal act.

- 7.2.6 Discrimination and ‘protected characteristics’ – it is an offence to discriminate against anyone based on a protected characteristic (as defined in the Equality Act 2010).
- 7.2.7 Malicious and obscene communications – it is an offence to send malicious or obscene communications.
8. Additional considerations applicable to elected Members:
- 8.1 Bias and Pre-determination – Councillors are of course allowed to have a view on certain matters, indeed sometimes they are expected to do so. However, if a Councillor airs their strongly held views on social media to the extent that they have already made up their mind on a matter upon which they are going to be making a decision, this may amount to ‘pre-determination’. This can expose the Council to the risk of a legal challenge to that decision. This issue is especially important when the Councillor in question is making decisions as part of a regulatory committee, e.g. with responsibility for planning or licensing matters. Decisions could be invalidated and the Councillor could face accusations of having brought the Council into disrepute.
- 8.2 Equality and discrimination –The Council must comply with the provisions of the Equality Act 2010 and must also have due regard to the Public Sector Equality Duty (which requires it to eliminate unlawful discrimination, advance equality of opportunity and foster good relations). When acting (or appearing to act) in their official capacity, Councillors are required to abide by these principles. If they fail to do so they may be in breach of their Code of Conduct and may also expose the Council to challenge and to reputational damage.
- 8.3 Electioneering – Council equipment and resources (this includes the use of social media on Council mobile devices or IT equipment) should never be used for political/campaigning purposes. Particular care should be taken during any pre-election period. The Electoral Commission periodically publishes guidance on this subject, including the requirements to provide a return of expenditure on election advertising (which includes online advertising).
- 8.4 Human Rights – The Human Rights Act 1998 provides that public authorities should not interfere with the right of individuals to a private and family life without lawful authority to do so and where it is necessary, proportionate, and in pursuit of one of the aims set out in Article 8(2) (namely, national security, public safety, economic well-being, health or morals, prevention of crime or disorder, or protecting others’ rights). Councillors should be aware that observing the use of social media by other people (even on ‘open’ profiles) can potentially engage Article 8.
9. Code of Conduct
- 9.1 Councillors may choose to use social media in both an official and personal capacity but must remain aware that the public may believe they are acting in a different capacity to what the Councillor intended. Personal and official social media accounts should be kept entirely separate. Any social media account which could be linked to a Councillor, even if the Councillor believes it is entirely personal, should still meet the

standards required under the Code of Conduct. Despite the common practice of heading a social media page with a statement along the lines of “The views expressed are my own personal views and have no connection with my role as Swindon Borough Councillor”, this is unlikely to prove adequate if the content of that page fail to meet the standard expected and are linked to Council issues.

9.2 Councillors should also keep alert as to the identity of their ‘friends’ and ‘followers’ on social media. If their interactions with and connections to these individuals is such that they could be termed a ‘close association’ then there will be implications for the Councillor in declaring interests and participating in meetings where that person’s well-being or financial position may be affected.

10 “Netiquette”

10.1 Councillors will need to be vigilant and regularly monitor their social media for defamatory or offensive comments made by others. Such comments will need to be removed without delay. Allowing them to remain could in itself be held to be ‘publishing’ such comments, even though the Councillor themselves didn’t actually create or post them. Similarly, a Councillor may be assumed to be endorsing such views or comments, which in itself could potentially place them in breach of the Code of Conduct.

10.2 Councillors should be wary of ‘liking’, ‘sharing’ or ‘re-tweeting’ comments or posts made by others as this could be interpreted as endorsing or condoning those comments and could also amount to ‘publication’.

10.3 Councillors are advised that it can sometimes be best to allow a level of disagreement, rather than seeking to censor it. There is no requirement to respond to every comment made, however, and heated on-line arguments are generally best avoided. Councillors should endeavour to be respectful and polite. This can be especially important when dealing with those who are already irate or not courteous.

10.4 Councillors are advised to avoid using social media when they are tired or angry/upset or their judgment may be otherwise impaired.

10.5 Councillors should also exercise judgment when thinking about who they ‘follow’ or become ‘friends’ with on-line. For example, an on-line ‘friendship’ with a Council officer may be seen as inappropriate, and allow third parties to question the impartiality of the officer’s advice. It is also inadvisable to ‘follow’ anyone unless you have good reason to do so. Constituents may find this odd or uncomfortable (please see also the Human Rights comments above). Many Councillors wait to be ‘followed’ before returning the compliment.

11. Use of Social Media During Committee Meetings

- 11.1 Sustained use of a mobile device during meetings can give the wrong impression to observers, who may assume that you are taking no interest in the meeting at all. Where meetings are engaged in important decision-making, the Council could be exposed to the risk of challenge on the basis that Councillors made the decision without listening to all the information. Ignoring speakers in a meeting in order to browse on a device may also risk an accusation of failing to treat others with respect.
- 11.2 Councillors engaged in regulatory decision-making (e.g. licensing or planning) should alert officers as soon as practicable to any lobbying they may receive via social media.
- 11.3 It is best to use mobile devices sparingly during meetings, however it is recognised that there may be occasions when their use may be invaluable – texting or emailing information between members during a debate, for example.

Protocol for Member/Officer relations

1 Underlying principles

The principles underlying this protocol are as follows: -

- 1.1 There shall be mutual courtesy and respect between Members and officers with regard to their respective roles set out below.
- 1.2 Members and officers shall each carry out their respective duties in the best interests of the Council.
- 1.3 This Protocol applies to all dealings between Members and officers and not just in formal meetings.
- 1.4 The Council's organisationally agreed behaviour framework should be demonstrated at all times by both Officers and Members in their dealings with each other.

2 The Role of Members

- 2.1 These include the following:-
 - 2.1.1 Develop and set policies that will then be implemented by the officers.
 - 2.1.2 Monitor how those policies are being implemented.
 - 2.1.3 Provide guidance to the officers on how those policies are to be implemented either if Members wish to do so or if officers ask for guidance.
 - 2.1.4 Represent the views of their communities and ward constituents, and deal with individual casework.
 - 2.1.5 Understand the statutory roles of the Chief Executive as Head of Paid Service, the Director of Finance and Audit as Section 151 Officer, the Monitoring Officer, Corporate Director of Children's Services and the Corporate Director of Integrated Adult Social Care, and of the significance attached to their advice.
 - 2.1.6 Consult, where possible, with the communities they represent on the development of policy, community planning and other local initiative.
 - 2.1.7 Consult with the Monitoring Officer and S151 Officer about vires, maladministration, financial impropriety and probity or where they have any doubt as to whether the particular decisions were, or are likely to be, contrary

to the policy framework, or contrary to, or not wholly in accordance with the budget.

2.1.8 Respect officers' political impartiality.

2.19 Promote the highest standards of conduct and ethics by leadership and example.

2.20 Act within any agreed Councillor protocol.

2.2 Members must not insist that any officer

2.2.1 Change his or her professional advice but in relation to specific matters should draw all relevant matters to the officer's attention as referred to in paragraph 3.1.7.

2.2.2 Take any action, or not take action that the officer considers unlawful or illegal, or which would be likely to amount to maladministration.

3 The Role of officers

3.1 Officers:

3.1.1 Should implement the policies set by Members.

3.1.2 Will ask for guidance on implementation of the policies set by Members if they are unclear about any aspect of those policies.

3.1.3 Give such professional advice to Members as may be required of them from time to time.

3.1.4 Carry out their delegated functions to the best of their ability and in the interests of the Council.

 - 3.2.2 Take any action, or not take action, which would be unlawful or illegal or which would be likely to amount to maladministration.

4 Relationship between Members and Officers

- 4.1 The relationship between officers and Members should be characterised by mutual respect which is essential to good local government and underpinned by the Council's agreed behaviours framework.
- 4.2 Individual Members and officers must not use improper and/or inappropriate language to each other and, in particular, offensive and/or abusive words must not be used.
- 4.3 Close personal familiarity between individual Members and officers can damage professional relationships and prove embarrassing to other Members and officers. Situations should be avoided that could give rise to suspicion and any appearance of improper conduct, or the perception that a Member and officer treat each other differently than others due to the nature of the personal relationship between them. This includes excessive socialising between Members and officers.
- 4.4 Any close personal or family relationships (e.g. parent/child; spouse/partner) between officers and Members should be disclosed to the Chief Executive who will then decide how far this needs to be disclosed to others.
- 4.5 Members should not raise matters relating to the conduct or capability of Council staff either individually or collectively at meetings held in public or in the Press. Staff have no means of responding to criticism like this in public. If Members feel they have not been treated with proper respect, courtesy or have any concern about the conduct or capability of a member of staff they should raise the matter with the Corporate Director, Director or Head of Service of the department concerned if they fail to resolve it through direct discussion with the member of staff.

5 Relationship between the Mayor, Leader of the Council, Cabinet Members and officers

- 5.1 The Mayor, the Leader of the Council and Cabinet Members shall be bound by the same provisions set out in paragraph 2 when acting as Mayor/Chair of the Council or Members of the Cabinet as they would be when acting as an ordinary Council Member.

- 6.1 The Chair and members of the Council's Overview and Scrutiny Committees and related bodies shall:

 - 6.1.2 When considering calling officers to give evidence the Committees shall not normally, without the consent of the relevant Chief Officer, request the attendance of a junior officer to ensure that more junior officers are not put under undue pressure.
 - 6.1.3 When asking officers to give evidence confine questions, so far as possible, to questions of fact and explanation relating to policies and decisions. Officers may be asked to give a professional opinion, but officers must not be expected to give a political view.
 - 6.1.4 Where they consider it appropriate, ask officers to explain and justify advice given to Members prior to decisions being taken and justify decisions they themselves have taken under the Council's Constitution and their responses to consultations under the Scheme of Delegations.
 - 6.1.5 Not to question officers in such a way as to be in breach of the Council's policy on harassment nor deal with matters which are of a disciplinary nature.
 - 6.1.6 At all times respect the political impartiality of the officers.
- 6.2 Officers shall
 - 6.2.1 Maintain political impartiality at all times when commenting on the Cabinet's / Council's policies and actions.

8.2 When acting in party groups, and dealing with officers, Members shall:

8.2.1 Recognise that attendance at Party Group meetings by officers is not compulsory but officers may properly be called upon to support and contribute to such deliberations by Party Groups either by attendance or by preparing documentation for discussion by a group, subject to the availability of resources.

8.2.2 Recognise that Party Groups are not empowered to make decisions on behalf of the Council and that any conclusions reached by such groups will not be actioned by officers.

- 9.1.3 As set out in the Report Writing Guide, Officers must ensure that Ward Councillors are consulted where relevant on reports relating to issues affecting particular wards so that comments from Ward Councillors can be taken into account before the report is finalised.
- 9.2 When acting in their ward role, Members:
 - 9.2.1 Need to be mindful of their competing roles, i.e. acting for the Council and acting for constituents, and the possible conflicts of interest that can arise and the pressure this can bring on officer time.
 - 9.2.2 Recognise the officers' right to suggest that senior officers, the Cabinet, Council or a committee should authorise additional work requested by individual Members.

10 Member Access to Documents and information

- 10.1 Save as provided below every Member of the Cabinet, a Committee and / or Sub-Committee of the Council has a right to inspect documents about the business of that Committee, Sub-Committee or the Cabinet, as set out in the Access to Information Procedure Rules included within the Council's Constitution.
- 10.2 A Member who is not a member of a specific Committee, Sub-Committee or the Cabinet may have access to any documents of that part of the Council if:
 - 10.2.1 He or she can demonstrate a reasonable need to see the documents to perform his or her duties (the 'need to know'); and
 - 10.2.2 The document or papers or information do not contain 'confidential' or 'exempt information'.
- 10.3 An officer should seek the advice of the Monitoring Officer in any case of doubt in relation to the reasonableness of a Member's request to have access to documentation and a Member should seek advice from the Monitoring Officer in circumstances where he or she wishes to inspect any document or have access to any information about a matter

13 Correspondence

13.1 All correspondence written on behalf of the Council must be written on the relevant headed paper.

13.2 When Members are writing in their capacity as a Member they must make it clear whether they are writing on behalf of the Council or as the ward member.

13.3 Correspondence between individual Members and officers should not be copied to other Members or officers unless the Member or officer concerned indicates otherwise.

14.1 If the Protocol is breached, then a complaint may be made to the Monitoring Officer who shall consult with the Chair of Standards Committee and if appropriate refer the complaint to the Standards Committee to be considered further.

Background

This Code of Good Practice has been prepared in response to the Local Government Association's Guidance Note on the preparation of Local Codes of Good Practice on Planning Matters in the light of the introduction of the new ethical framework and is based on a Model Code produced by the Association of Council Secretaries and Solicitors in consultation with the District Audit Service, Local Government Ombudsman and the former Standards Board for England.

Introduction

The aim of this code of good practice: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

The key purpose of Planning: to control development in the public interest.

Your role as a Member of the Planning Authority: to make planning decisions openly, impartially, with sound judgement and for justifiable reasons.

When the Code of Good Practice applies: this code applies to Members at all times when involving themselves in the planning process. (This includes, where applicable, when part of decision-making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with officers or the public and consultative meetings). It applies as equally to planning enforcement matters or site-specific policy issues as it does to planning applications.

If you have any doubts about the application of this Code to your own circumstances you should seek advice early, from the Monitoring Officer or one of her staff, and preferably well before any meeting takes place.

Any complaints covering any breach of the Code should be reported to the Monitoring Officer.

1 Relationship to the Members' Code of Conduct

- Do apply the rules in the Members' Code of Conduct first, which must be always be complied with.
- Do then apply the rules in this Planning Code of Good Practice, which seek to explain and supplement the Members' Code of Conduct for the purposes of planning control. If you do not abide by this Code of Good Practice, you may put:
 - the Council at risk of proceedings on the legality or maladministration of the related decision; and
 - yourself at risk of being named in a report made to the Standards Committee or Council.

2 Development Proposals and Interests under the Members' Code

- **Do** disclose the existence and nature of your interest at any relevant meeting, including informal meetings or discussions with officers and other Members. Preferably, disclose your interest at the beginning of the meeting and not just at the commencement of discussion on that particular matter. A 'Declaring Interests Flowchart' is attached to this Code.
- **Do** then act accordingly. Unless otherwise permitted under the Members Code of Conduct, where your interest is personal and prejudicial: -
 - **Don't** participate, or give the appearance of trying to participate, in the making of any decision on the matter by the planning authority.
 - **Don't** try to represent ward/local views, get another Ward/Local Member to do so instead, except where permitted under the Members' Code of Conduct.
 - **Don't** get involved in the processing of the application.
 - **Don't** seek or accept any preferential treatment, or place yourself in a position that could lead the public to think you are receiving preferential treatment, because of your position as a Councillor. This would include, where you have a personal and prejudicial interest in a proposal, using your position to discuss that proposal with officers or Members when members of the public would not have the same opportunity to do so.
 - **Do** be aware that, whilst you are not prevented from seeking to explain and justify a proposal in which you have a personal and prejudicial interest to an appropriate officer, in person or in writing, the Code places greater limitations on you in representing that proposal than would apply to a normal member of the public. For example, where you have a personal and prejudicial interest in a matter, you may address the Planning Committee but only in the same manner as would apply to a member of the public, after which you must leave the room whilst the meeting considers the matter.
 - **Do** notify the Monitoring Officer in writing of your own application and note that:
 - notification to the Monitoring Officer should be made no later than submission of the application;
 - the proposal will always be reported to the Committee as a main item and not dealt with by officers under delegated powers; and

- it is advisable that you employ an agent to act on your behalf on the proposal in dealing with officers and any public speaking at Committee

3 Fettering Discretion in the Planning Process.

- **Don't** fetter your discretion and therefore your ability to participate in planning decision-making by making up your mind, or clearly indicating that you have made up your mind on how you will vote on any planning matter prior to formal consideration of the matter at the meeting of the planning authority and of your hearing the officer's presentation and evidence and arguments on both sides. Every person making application to the Council or objecting to an application is entitled to expect that in considering the matter before it, the Committee will give consideration to all views that are expressed, that such views will be openly heard, and fairly considered in a balanced way before the Committee's decision is made.

Fettering your discretion in this way and then taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of there being a danger of bias or pre-determination or a failure to take into account all of the factors enabling the proposal to be considered on its merits.

- **Do** be aware that you can have legitimate 'pre-disposition' in relation to a planning application. The statutory position as set out in the Localism Act 2011 is that a Councillor who has expressed a preference for a particular outcome of an application as it proceeds to determination, will not be taken to have had a closed mind when making the decision just because they have previously done or said anything to indicate their view in respect of that matter. However, it is important that a fair-minded observer would think that you were open to changing your mind in the light of different or additional information, advice or evidence presented.
- **Do** be aware that if you are a leading member who has participated in the promotion of schemes such as regeneration on council owned land, or the development of planning policies and proposals, you need not, and should not, normally exclude yourself from decision-making meetings provided that you can demonstrate that you have an open mind in determining planning issues,
- **Do** be aware that you may, however, be considered to have fettered your discretion or be biased, where the Council is the landowner, developer or applicant and you have acted as, or could be perceived as being, a chief advocate for the proposal. (This is more than a matter of membership of both the proposing and planning determination committees, but that through your significant personal involvement in preparing or advocating the proposal you will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits.)
- **Do** also be aware that, whilst the Members' Code of Conduct provides for a presumption that you may regard yourself as not having a prejudicial interest in matters which relate to the organisations mentioned below, you must exercise your discretion in deciding whether or not to participate in each case and where:
 - you have been significantly involved in the preparation, submission or advocacy of a planning proposal on behalf of:
 - another local or public authority of which you are a member; or

- a body to which you have been appointed or nominated by the Council as its representative; or
- you are a trustee or company director of the body submitting the proposal and were appointed by the Council

you should always disclose a prejudicial as well as personal interest and withdraw.

- **Do** consider yourself able to take part in the debate on a proposal when acting as part of a consultee body (for example, where you are also a member of the parish council), provided:
 - the proposal does not substantially affect the well-being or financial standing of the consultee body;
 - you make it clear to the consultee body that:
 - your views are expressed on the limited information before you only;
 - you must reserve judgement and the independence to make up your own mind on each separate proposal, based on your overriding duty to the whole community and not just to the people in that area, ward or parish, as and when it comes before the Committee and you hear all of the relevant information; and
 - you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Committee; and
 - you disclose the personal interest regarding your membership or role when the Committee comes to consider the proposal.
- **Don't** vote on a proposal where you have fettered your discretion. You do not also have to withdraw, but you may prefer to do so for the sake of appearances. If you are a ward councillor representing your ward interests and have made up your mind about a matter either for or against, you must disclose the details of your predetermined position and may continue to represent those ward interests as a spokesperson for your local community, but you should not take part in the vote, to avoid accusations of bias. If you speak on behalf of a lobby group at the decision-making meeting, you should withdraw at the end of public speaking, to counter any suggestion of influencing members' decision by your presence.
- **Do** explain that you do not intend to vote because you have or you could reasonably be perceived as having judged the matter elsewhere, so that this may be recorded in the minutes.
- **Do** seek to take the opportunity to exercise your separate speaking rights as a Ward/Local Member where you have represented your views or those of local electors and fettered your discretion, but do not have a personal and prejudicial interest. Where you do:
 - advise the proper officer or Chair that you wish to speak in this capacity before commencement of the item;
 - remove yourself from the member seating area for the duration of that item; and
 - ensure that your actions are recorded.

4 Contact with Applicants, Developers and Objectors

- **Do** refer those who approach you for planning, procedural or technical advice to officers.
- **Do** agree to be briefed by an applicant or developer on an application (especially as a Ward Member). Don't commit to a view. Do consider taking another Councillor or Officer with

you to any arranged meeting, if it is possible, according to your discretion. Where you feel that a formal meeting would be useful in clarifying the issues, you should never seek to arrange that meeting yourself but should request the planning officer to organise it. The Officer will then ensure that those present at the meeting are advised from the start that the discussions will not bind the authority to any particular course of action, that the meeting is properly recorded on the application file and the record of the meeting is disclosed when the application is considered by the Committee.

- **Do** otherwise:
 - follow the rules on lobbying;
 - consider whether or not it would be prudent in the circumstances to make notes when contacted; and
 - report to the Head of Planning any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your involvement in them, and ensure that this is recorded on the planning file.

In addition in respect of pre-application discussions/presentations by applicants/developers:

- **Do** engage in pre-application discussions with developers, but follow the rules on lobbying and observe the ‘do’s’ and ‘don’ts’ contained in *Positive Engagement – A Guide for Planning Councillors (updated version)* which is attached to this Planning Code of Good Practice.
- **Don’t** attend a planning presentation unless an officer is present and/or it has been organised by officers. At the start of the meeting it should be explained the merits of the case will not be discussed. If the applicant requests the views of the authority, these will be communicated subsequently and in writing. In such communication, officers will make it clear that any views expressed prior to formal determination of an application are preliminary.
- **Do** ask relevant questions for the purposes of clarifying your understanding of the proposals.
- **Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application; this will be carried out by the appropriate Council Committee.
- **Do** be aware that a presentation is a form of lobbying and you must not express any strong view or state how you or other Members might vote as other pre-application discussions may well also be taking place.

5 Lobbying of Councillors

- **Do** explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said and express a preference for a particular outcome, it potentially prejudices your impartiality and therefore your ability to participate in the Committee’s decision making if you express an intention to definitely vote one way, regardless of any additional information or evidence that may be provided to you at a later stage.
- **Do** remember that your overriding duty is to the whole community not just to the people

in your ward/local area and, taking account of the need to make decisions impartially, that you should not improperly favour, or appear to improperly favour, any person, company, group or locality.

- **Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum; its acceptance is declared as soon as possible and remember to register the gift or hospitality in accordance with the Council's Code of Conduct on gifts and hospitality for Councillors.
- **Do** copy or pass on any lobbying correspondence you receive to the Head of Planning at the earliest opportunity, unless you know that it has already been received by the planning department.
- **Do** promptly refer to the Head of Planning any offers made to you of planning gain or constraint of development, through a proposed s.106 Planning Obligation or otherwise.
- **Do** inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate officers to follow the matter up.
- **Do** note that, unless you have a personal and prejudicial interest, you will not have fettered your discretion or breached this Planning Code of Good Practice through:
 - listening or receiving viewpoints from residents or other interested parties;
 - making comments to residents, interested parties, other Members or appropriate officers, provided they do not consist of or amount to pre-judging the issue and you make clear you are keeping an open mind;
 - seeking information through appropriate channels; or
 - being a vehicle for the expression of opinion or speaking at the meeting as a Ward/Local Member, provided you explain your actions at the start of the meeting or item and make it clear that, having expressed the opinion or ward/local view, you have not committed yourself to vote in accordance with those views and will make up your own mind having heard all the facts and listened to the debate.

6 Lobbying by Councillors

- **Don't** become a member of, lead or represent an organisation whose primary purpose is to lobby to promote or oppose planning proposals. If you do, you will have fettered your discretion and are likely to have a personal and prejudicial interest and have to withdraw.
- **Do**, if you are a member of a general interest group, disclose a personal interest where that organisation has made representations on a particular proposal and make it clear to that organisation and the Committee that you have reserved judgement and the independence to make up your own mind on each separate proposal
- **Don't** excessively lobby fellow councillors regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken
- **Don't** decide or discuss how to vote on any application at any sort of political group meeting, or lobby any other Member to do so. Political Group Meetings should never

dictate how Members should vote on a planning issue.

7 Site Visits

- **Do** familiarise yourself with the location of the site of a planning application you are to consider.
- **Do** try to attend any site visits organised by the Council where possible.
- **Don't** request a site visit unless you feel it is strictly necessary because:
 - particular site factors are significant in terms of the weight attached to them relative to other factors or the difficulty of their assessment in the absence of a site inspection; or
 - there are significant policy or precedent implications and specific site factors need to be carefully addressed.
- **Do** ensure that any information which you gained from any site visit is reported back to the Committee, so that all Members have the same information
- **Do** ensure that you treat any site visit only as an opportunity to seek information and to observe the site.
- **Do** ask the officers at the site visit questions or seek clarification from them on matters that are relevant to the site inspection.
- **Don't** hear representations from any other party with the exception of the Ward/Local Member(s) whose address must focus only on-site factors and site issues. Where the applicant or a third party approaches you, advise them that they should make representations in writing to the authority and direct them to or inform the officer present.
- **Don't** express definite opinions or views to anyone.
- **Don't** enter a site which is subject to a proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:
 - the site is open to members of the public
 - you feel it is essential for you to enter the site other than through attending any official site visit,
 - you have first informed the Council's Head of Planning about your intention to do so and why (which will be recorded on the file) and
 - you can ensure you will comply with these good practice rules on site visits.

8 Public Speaking at Meetings

- **Don't** allow members of the public to communicate with you during the Committee's proceedings (orally or in writing) other than through the scheme for public speaking, as this may give the appearance of bias.
- **Don't** allow documents to be circulated at Committee meetings which have not previously been submitted to the committee as all parties may not have time to react to the submissions, and you may not be able to give proper consideration to the matter. Moreover, officers may not be able to provide considered advice on any material

considerations arising. Those who intend to speak should be made aware of this. The acceptance of circulated material could imply a willingness to take the necessary time to investigate any issues raised and lead to the need to defer the application or risk a complaint about the way the material has been considered. For similar reasons, messages passed to members sitting in planning committees should be avoided. Care needs to be taken to avoid the perception of external influence or bias.

- **Do** ensure that you comply with the Council's procedures in respect of public speaking.

9 Officers

- **Don't** put pressure on officers to put forward a particular recommendation. (This does not prevent you from asking questions or submitting views to the Head of Planning, which may be incorporated into any committee report).
- **Do** contact the Case Officer to seek advice and guidance on the material planning issues related to the application. Officers have a professional obligation to advise any Member or interested party of the material factors to be taken into account in the evaluation of a proposal. This can benefit Members' consideration of the proposal and focus the decision-making process on planning matters.
- **Do** recognise and respect that officers involved in the processing and determination of planning matters must act in accordance with the Council's Code of Conduct for Officers and their professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, planning officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.
- **Don't** insist that an officer should change their professional judgment or decision on a delegated matter but **do** bring all relevant matters to the officer's attention in order that the decision is properly made.

10 Decision Making

- **Do** ensure that, if you request a proposal to go before the Committee rather than be determined through officer delegation, that your reasons are recorded and repeated in the report to the Committee.
- **Do** come to meetings with an open mind and demonstrate that you are open-minded – particularly if you have expressed a pre-disposition before the meeting.
- **Do** comply with section 38(6) of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the Development Plan unless material considerations indicate otherwise.
- **Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new information or that there is simply insufficient information before you, request that further information. If necessary, defer or refuse.
- **Don't** vote or take part in the meeting's discussion on a proposal unless you have been present to hear the entire debate, including the officers' introduction to the matter.

- **Do** have recorded the reasons for Committee’s decision to defer any proposal.
- **Do** make sure that if you are proposing, seconding or supporting a decision contrary to officer recommendations or the development plan that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given as part of your motion prior to the vote and be recorded. It may help to have prior discussions of those reasons with planning officers before the meeting. In some cases, it may be necessary to adjourn the meeting for a few minutes for reasons to be properly discussed. In cases where there is a very strong objection from officers as to the planning merits of those reasons, you should consider deferring the planning application to another meeting. Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge.

11 Training

- **Don’t** participate in decision-making at meetings dealing with planning matters if you have not attended planning training provided by the Council.
- **Do** endeavour to attend any other specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans beyond the minimum referred to above and thus assist you in carrying out your role properly and effectively.
- **Do** participate in the annual review of a sample of planning decisions to ensure that judgements have been based on proper planning considerations.

Swindon Borough Council

Local Code of Corporate Governance

1. What is Corporate Governance

- 1.1 The Council has a key role in governing and leading the communities within the Borough of Swindon. Effective local government relies on public confidence in elected councillors and officials. Effective systems of corporate governance underpin the credibility and confidence in public services.
- 1.2 Corporate governance is a phrase used to describe how organisations direct and control what they do. For local authorities this also includes how a council relates to the communities that it serves. Good corporate governance requires local authorities to carry out their functions in a way that demonstrates accountability, transparency, effectiveness, integrity and inclusion.
- 1.3 Swindon Borough Council is committed to being at the forefront of those local authorities that are able to demonstrate that they have the necessary corporate governance to excel in the public sector.
- 1.4 This code is a public statement that sets out the way in which the Council will meet that commitment.

2. Why do we need a Local Code?

- 1.5 Corporate governance is important because it is crucial to:
 - Providing high quality public services. Nationally governance weaknesses have led to service failures and critical situations. High performing organisations, on the other hand, have effective governance arrangements.
 - Raising public trust. The public's trust is increased when the quality of services that they and their families experience is high, and when organisations are perceived to be open and honest in communicating their performance, and in learning from their mistakes.
- 1.6 The Code is based upon the following seven core principles, as set out in the CIPFA/SOLACE document *Delivering good governance in local government – Framework 2016*:
 - Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law.
 - Ensuring openness and comprehensive stakeholder engagement
 - Defining outcomes in terms of sustainable economic, social and environmental benefits.
 - Determining the interventions necessary to optimise the achievement of the intended outcomes.
 - Developing the entity's capacity, including the capability of its leadership and the individuals within it.
 - Managing risks and performance through robust internal control and strong public financial management.

- Implementing good practices in transparency, reporting, and audit, to deliver effective accountability.

1.7 This Local Code of Corporate Governance sets out the means by which the Council will meet and demonstrate our commitment to good corporate governance in relation to these seven principles.

2. The Principles of Corporate Governance

(a) *Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law*

2.1 The Council is accountable not only for how much they spend, but also for how it uses the resources under its stewardship. In addition, it has an overarching responsibility to serve the public interest in adhering to the requirements of legislation and government policies.

2.2 The Council promotes and maintains high standards of ethical conduct of Members and officers through the work of its Standards Committee.

2.3 The Council will foster a culture of behaviour based on shared values, ethical principle and good conduct.

2.4 This will be evidenced by establishing and keeping under regular review:

- The Council's Constitution
- Code of conduct for Members and Officers
- A protocol governing Member/Officer relations
- A Member's Planning Code of Good Practice
- Monitoring Officer Protocol
- Making and recording any declaration of interests
- Maintaining a register of gifts and hospitality for both Members and staff
- Anti-fraud and bribery strategy including a Whistleblowing Policy
- Contract Standing Orders and Financial Regulations

- Ensuring an effective appraisal process is carried out for all staff
- Maintenance of accurate job descriptions/specifications

(b) *Ensuring openness and comprehensive stakeholder engagement*

2.5 The Council operates for the public good and recognises that it should ensure openness in its activities as well as clear communication and engagement with all groups of stakeholders.

2.6 The Council is committed to increasing public involvement in decision-making and devolving power to individuals and local organisations. We will seek and respond to the views of stakeholders and the community. The Council will do this by:

- Maintaining a record of decision making
- Publication of reports including a calendar of dates for submitting, publishing and distributing reports
- Maintaining and publishing a Performance dashboard

(c) *Defining outcomes in terms of sustainable economic, social, and environmental benefits*

2.7 The long-term nature and impact of many of the Council's responsibilities means that it should define and plan outcomes. Decisions should further the Council's purpose, contribute to intended benefits and outcomes, and remain within the limits of authority and resources.

The Council is committed to an ambitious strategy of achieving the best for our residents and their communities. This is set out in the Council's:

- Corporate plan including the vision, missions, priorities
- Health and Wellbeing Strategy

The Council will consider the economic, social and environmental impact of policies, plans and decisions by:

(d) *Determining the interventions necessary to optimise the achievement of the intended outcomes*

2.8 The Council has a robust decision-making mechanism that ensures defined outcomes can be achieved in a way that provides the balance between the various types of resource inputs while still enabling effective and efficient operations. A clear statement of the Council's priorities and pledges are set out in the Corporate Plan. The Council will ensure the best outcomes are achieved by:

- Determining local needs and targeting resources accordingly
- Ensuring that value for money is obtained
- Engaging with all key stakeholders as appropriate

- Have prepared, and tested, business continuity and disaster recovery arrangements to ensure resilience in delivering services.

(e) *Developing the entity's capacity, including the capability of its leadership and the individuals within it*

2.9 The Council needs appropriate structures and leadership as well as people with the right skills, appropriate qualifications and mind set to operate efficiently and effectively and achieve intended outcomes within the specified periods. The Council will do this by:

- Implementing a Members development strategy
- Developing leadership skills and capacity across the Council
- Developing our approach to workforce planning
- Maintaining and developing our appraisal process
- Cascading regular information to Members and staff through staff briefings etc.

(f) *Managing risks and performance through robust internal control and strong public financial management*

2.10 The Council needs to ensure that it has an effective performance management system that facilitates effective and efficient delivery of planned services. Risk management and internal control are important and integral parts of a performance management system and are crucial to the achievement of outcomes. A strong system of financial management is also essential for the implementation of policies and the achievement of planned outcomes.

2.11 The Council will ensure that the decision making process includes a rigorous assessment of risk, including:

- Financial and procurement implications
- Legal and Human Rights implications
- Diversity impact assessments

- Risk management
- Other implications, including staff, sustainability, health, rural, crime and disorder

2.12 The Council will operate a Risk Management strategy that enables the Council to manage and control risks in order to maximise the quality of service provision, uphold its reputation and achieve value for money. Assurance is provided through:

- Risk management strategy and process including maintenance of the Corporate risk register
- An annual risk-based Internal Audit plan taking in to account materiality, impact and previous audit knowledge

- Maintain a performance dashboard
- Completion of an annual governance statement
- Ensure timely and accurate budget monitoring and reporting
- Effective counter fraud and whistleblowing arrangements are in place

(g) *Implementing good practices in transparency, reporting, and audit to deliver effective accountability*

2.13 The Council will ensure that those making decisions and delivering services are accountable for them. 3.2 The Council will ensure that these arrangements are kept under continual review by:

- The work of Internal Audit
- Reports prepared by managers with responsibility for aspects of this Code
- External Audit opinion
- Other review agencies and inspectorates

Recording, Photography and Use of Social Media Protocol and Guidance

Introduction

Swindon Borough Council is committed to being open and transparent in the way it conducts all its main decision-making meetings which are held in public.

Swindon Borough Council recognises that it operates in a modern digital world where the use of filming and contemporary communication methods such as tweeting and blogging is commonplace. It has responded to the Government's requirements through the "Openness of Local Government Bodies Regulations 2014" to increase citizens' rights to attend and report on meetings and has therefore adopted the following revised "Standing Order" and Protocol / Guide.

12. RECORDING OF PROCEEDINGS BY THE MEDIA AND RESIDENTS OF THE BOROUGH

12.- Audio and visual recordings of a meeting of the Council, the Cabinet, Committees and other Council bodies that is open to the public is permitted by legislation. Whilst no prior permission is required, any person wishing to film, photograph or record such a meeting is requested to advise the Mayor, Leader, or Chair of the meeting of their intention to do so. That activity shall be undertaken in accordance with the Protocol included in Part 5 of the Constitution. The Mayor, Leader, or Chair of the meeting shall advise Members that the meeting is being recorded. In order to maintain orderly conduct or prevent misbehaviour or disruption of the meeting, the Mayor, Leader, or Chair of the meeting may exclude any individual who is recording the meeting.

This means that the taking of photographs and audio / visual recording of any meetings that are held in public is generally permitted, preferably with a prior request to the Mayor, Leader, or Chair of the relevant Committee, and in accordance with this protocol.

The purpose of this protocol is to provide guidance, particularly, for members of the public as well as the media on the taking of photographs and / or the audio / visual recording of any Council meeting held in public.

The protocol also refers to the use of "Social Media" at meetings and makes clear that there are no restrictions placed on anyone at the meeting using Twitter, blogs, Facebook or similar "social media" provided that the Mayor or Chair does not consider their actions are disrupting the proceedings of the meeting leading to disorderly conduct and/or misbehaviour.

The Local Audit and Accountability Act 2014 and the "Openness of Local Government Bodies Regulations 2014" set out the statutory provisions that permit the recording of proceedings by any person attending the meeting.

Council broadcasting of meetings

There are a number of committee and full Council meetings that the Council routinely broadcast via the internet. Broadcast meetings will only include footage of agenda items that are deemed public, and not closed or 'exempt' agenda items. The following meetings are routinely broadcast:

- Audit Committee
- Planning Committee (items of particular public interest)
- Policy Development and Scrutiny Committee (Achieve Net Zero)
- Policy Development and Scrutiny Committee (Build a Better Swindon)
- Policy Development and Scrutiny Committee (Combat Inequality)
- Corporate Overview and Scrutiny Committee
- Children's and Adult's Overview and Scrutiny Committee
- Council
- Special Committee
- Cabinet

Limitations

Although there is a general presumption in favour of allowing photography, audio / visual recording and the use of media tools at Council meetings, in order to maintain orderly conduct or prevent misbehaviour or disruption of the meeting, the Mayor, Leader, or Chair of the meeting may exclude any individual who is recording the meeting

Audio and Visual Recording - Your Obligations

Any member of the public or of the media wishing to photograph and / or audio or visually record a meeting must agree to the following:

- a) Any photography or audio / visual recording must take place from a fixed position in the meeting room approved by the Chair so as to minimise disruption to the proceedings;
- b) The use of flash photography or additional lighting will only be permitted for a limited period during the meeting at a point in the proceedings agreed in advance with the Mayor or Chair, so as to minimise disruption to the proceedings;
- c) If the Mayor or Chair feels that any photography, audio or visual recording is disrupting the meeting in any way or any pre-meeting agreement has been breached then the operator of the equipment will be required to stop;
- d) If during the meeting a motion is passed to exclude the press and public, because confidential or exempt information is likely to be disclosed, then all rights to record the meeting are removed and the operator of the equipment will be required to stop recording and /or photography;

- e) If the Mayor, Leader, or Chair adjourns the meeting, then the operator of the equipment should stop any recording or photography at the point at which the meeting is adjourned;
- f) Those making audio or visual recordings must comply with any request made by the Mayor or Chair regarding respecting the public's right to privacy;
- g) People seated in the public gallery / seating area should not be photographed, filmed or recorded without the consent of the individuals concerned. This also applies to those individuals who may ask a public question, present a petition or make a representation at a Council meeting open to the public and who are seated in a "public seating area";
- h) Use must not be made of an image or recording if consent is refused by an individual;
- i) Photographs, audio, and visual recordings should not be edited in a way that could lead to misinterpretation of the proceedings. This includes refraining from editing the views being recorded in a way that may ridicule or show lack of respect.

It should be noted that failure to comply with this Protocol may lead to the refusal of any future requests to photograph or audio or visually record any future Council meetings in view of the risk of future disruption to proceedings.

If a request has been received to take photographs or to audio or visually record a particular meeting, notices to this effect may be displayed in the relevant meeting room.

To assist the public, the Chair will, in accordance with the Council's Standing Order 12, make an announcement that the meeting will be photographed and /or recorded or filmed.

The Council may, on occasion, audio record meetings for minuting purposes only. The relevant Chair will make an announcement to this effect and these recordings will not be made available to anyone outside the Council.

Audio and Visual Recording - Your Rights

If as a member of the public you do not wish to be photographed, filmed or recorded please inform the Committee Officer in attendance at the meeting, or the Mayor, Leader or Chair of the relevant committee if notice that a request to photograph / record has been received is given.

Procedure Prior to the Meeting for those Wishing to Record or Photograph a Meeting

Requests to take photographs or undertake audio or visual recordings of meetings open to the public, either by members of the public or by the media should wherever possible be made to the Committee Officer for the meeting concerned. (Contact details available on the Agenda for the meeting and on the Council's Website or by emailing committee_services@swindon.gov.uk.) at least two working days before the meeting.

The request should include the following information as this will assist the Council in making preparations for the meeting to avoid any disruption to the proceedings:

- a) to which meeting this request refers;
- b) the name, organisation (if applicable) and contact details of the person making the request;
- c) what equipment it is intended will be used (e.g. camera/audio recorder/video camera);
- d) what the photographs, or audio / visual recording will be used for and / or where the information is to be published.

Procedure at the Meeting

Equipment must be set up before the meeting starts. The use of flash photography or additional lighting will only be permitted for a limited period during the meeting at a point in the proceedings agreed in advance with the Mayor, Leader, or Chair. This will be communicated to all relevant parties. This is to minimise disruption to the proceedings.

If the Mayor, Leader, or Chair feels the photography/audio / visual recording is disrupting the proceedings the operator of the equipment will be required to stop.

If use continues the Mayor, Leader, or Chair will ask the person to leave the meeting. If the person refuses to leave then the Mayor, Leader, or Chair may adjourn the meeting or make other appropriate arrangements for the meeting to continue without disruption.

Anyone asked to leave a meeting because they have refused to comply with the Mayor or Chair's requests may be refused permission to photograph, record or film at future Swindon Borough Council meetings that are open to the public so as to minimise the risk of future disruption to the proceedings.

If during the meeting a motion is passed to exclude the press and public, because confidential or exempt information is likely to be disclosed, then all rights to record the meeting are removed.

If a meeting for which agreement is given to record or photograph is adjourned by the Mayor or Chair then any recording or photography should stop at the point at which the meeting is adjourned.

Social Media

There are no restrictions placed on anyone at the meeting using Twitter, blogs, Facebook or similar "social media" provided that the Mayor, Leader, or Chair does not consider their actions are disrupting the proceedings of the meeting.

Any person can provide a written commentary during a meeting, as well as an oral commentary outside or after the meeting.

If the Mayor, Leader, or Chair feels the use of social media is at the time disrupting the proceedings the Councillor, member of the public or media representative may be required to stop.

If use continues, the Mayor, Leader, or Chair will ask the person to leave the meeting. If the person refuses to leave then the Mayor or Chair may adjourn the meeting or make other appropriate arrangements for the meeting to continue without disruption.

Councillors and members of the public are reminded that the law of the land applies to social media use – including the law of defamation and the law on public order offences.

Public Question Time at Council Meetings – Protocol and Guidance

- (1) At ordinary meetings of the Council and other Council Committees and relevant bodies, questions can be asked of the Mayor, Leader of the Council, Cabinet members and the Chairs of committees.
- (2) The total time set aside for such questions and answers will be limited to 15 minutes which can be extended at the Mayor or Chair's discretion.

Notice of Questions

- (3) Written questions, including questions sent by electronic mail, must be received by the Proper Officer no later than 3pm two clear working days before the meeting date. This means that for a meeting held on a Thursday, questions must be received by 3pm Monday (less any intervening bank holiday).
- (4) The period of notice is to allow sufficient time for a response to be formulated.
- (5) Those providing a written question will receive precedence during Public Question Time, with other questioners who have not provided questions in writing only being heard if time permits;
- (6) Where a (non-written) question is put, there is no guarantee that a full reply will be given at the meeting. In these circumstances the Chair will, generally, ask that a written response be provided as soon as possible after the meeting
- (7) The Notice of each question must include the name and contact details of the questioner, (in respect of an organisation, the name of the organisation and the questioner's position within the organisation) and to whom the question is to be put. This same information is required in respect of questions put at the meeting.

Scope of Questions

- (8) The question must be relevant to the powers and duties of the Council and be clear and concise. A question will be rejected where it:
 - (a) does not relate to a matter for which the local authority has a responsibility or which affects the council's administrative area;
 - (b) is defamatory, frivolous, offensive, vexatious, unlawful or otherwise improper;
 - (c) relates to any non-determined planning or licensing application;
 - (d) requires the disclosure of confidential or exempt information;
 - (e) names or identifies individual service users, members of staff or members of staff of partner agencies;
 - (f) is considered by the Mayor or Chair to be inappropriate for the particular meeting.
- (9) The Mayor or Chair's ruling on rejection of a question will be final following consultation with the Monitoring Officer.
- (10) Where a question is rejected on the above grounds, the questioner shall be advised of

the reasons for rejection. Time permitting, the questioner will be given an opportunity to submit an amended question that will be considered afresh against the criteria in (8). For the avoidance of doubt, questions amended in this way, must be delivered within the timescale referred to at (3) above.

At the Meeting

- (11) Questions will be dealt with in order of receipt subject to the Mayor or Chair's discretion to group together questions on the same or similar subject.
- (12) Where written questions have been submitted within the requisite notice period, and written answers provided, the Mayor or Chair may choose to take these questions and answers "as read". However, if a questioner wishes to ask his or her question at the meeting, he or she will be allowed to.
- (13) If the questioner prefers, the question may be asked on his or her behalf by another person.
- (14) If the questioner is not able to be present at the meeting and has not made arrangements for someone else to ask the question on their behalf, the Mayor or Chair will indicate that the written reply will be forwarded to the questioner.
- (15) Subject to time constraints, questions submitted in writing by the deadline as referred to in (3) above will be either (a) answered at the meeting, or (b) at the request of the Mayor or Chair in consultation with the Monitoring Officer, referred to officers for a direct written response if they consider the question can be most appropriately handled in that way.
- (16) Subject to time constraints, any questions put at the meeting will be either (a) answered at the meeting, or (b) at the request of the Mayor or Chair in consultation with the Monitoring Officer, referred to officers for a direct written response if they consider the question can be most appropriately handled in that way.
- (17) Where a question is dealt with in the way described in (15 and 16) above, the questioner will be advised of this and provided with a response where possible within ten clear working days of the meeting and this will be copied to all councillors where this is for a meeting of the Council or to all members serving on the Council body concerned.

Part 6

Councillors' Allowances Scheme

COUNCILLORS' ALLOWANCE SCHEME

Swindon Borough Council, in exercise of the powers conferred by the Local Authorities (Members Allowances) (England) Regulations 2003, has made a scheme for the payment of Councillors' Allowances for 2024/2025.

The Council, on the recommendation of the Independent Remuneration Panel on Councillors' Allowances, agreed at its meeting on 9th July 2020 to index link increases in the Basic Allowance to any percentage increase in pay awarded to local authority staff nationally, for a period of four years commencing in May 2021 and ending in May 2025. The Council also agreed that the levels of Special Responsibility Allowances, Travel, Subsistence and Dependent Care Allowance remain the same as the levels for 2020/2021 until reviewed.

Rates and Allowances

These are determined from time to time by the Council having regard to the recommendation of the Council's Independent Remuneration Panel on Councillors Allowances.

Total Annual Allocation

Swindon Borough Council has set aside £509,580 for 2024/2025 for the payment of Councillors' Basic Allowances (£8,940 x 57) with funding available for Special Responsibility Allowances, and other Allowances (e.g. Travelling and Subsistence) as specified in the Scheme.

An additional allocation of £13,500 is made for Mayoral Allowances that do not form part of this Scheme.

ALLOWANCES APPLYING TO ALL COUNCIL MEMBERS

Basic Allowance

- (a) Basic Allowance is intended to recognise the time devoted by Councillors to their work, including approved duties, Council meetings and such inevitable calls on their time as meetings with Constituents, and incidental costs for which no other provision is available.
- (b) The Basic Allowance for each member will be £8,940 for 2024/2025.

Travelling and Subsistence Allowances

Members and Non-Elected (co-opted) Members are entitled to receive payment of travelling and subsistence allowance, where expenditure has been necessarily incurred on travelling inside or outside the U.K. or on subsistence, for the purposes of performing approved duties as set out in the Appendix to the Scheme.

Travel

The rate for the use of a private car shall not exceed 45p per mile (Inland Revenue Tax Threshold).

The rate for motorcycles shall not exceed 16.5p per mile.

The rate for pedal cycles shall not exceed 30p per mile.

The rate for travel by taxi shall not exceed:

- (a) in cases where no public transport is reasonably available, the amount of the actual fare and any reasonable gratuity (tip) paid (providing that all appropriate receipts are attached); and
- (b) in any other case, the amount of the fare for travel by appropriate public transport.

Passengers

The rate for the use of a private car above may be increased for the "carriage of each passenger (not exceeding 4) to whom a travelling allowance would otherwise be payable". A rate of not more than 3 pence a mile for the first passenger and 2 pence per mile for the second and subsequent passengers may be claimed.

Bus fares, train fares, ferry fares, tolls, and parking fees will be reimbursed at actual cost providing that all appropriate receipts are attached.

The rate of travel by a "hired vehicle" other than a taxi shall not exceed the rate that would apply had the vehicle belonged to the Councillor / Co-opted Member who hired it.

Rail and Air Travel

Standard Class rail fare or ordinary fare for other public conveyance, or the appropriate cheap or economy rate where applicable shall apply in all cases.

Standard Class rail travel should always be used unless the train's Standard Class accommodation is full, in which case it is in order to travel First Class and pay the surcharge.

Travel Concession Cards

Councillors and non-elected Members who are eligible to hold a senior citizens rail card or similar concession card for rail or bus travel can purchase them and be reimbursed by the Borough Council through the normal expenses' claim mechanism, providing that by doing so there is a reduction in the cost of allowances claimed from the Council. Cards and similar forms of Concession must be purchased in conjunction with travel associated with an "Approved Duty" and this clearly indicated on the Councillors' Allowances Claim form.

Rail Travel

The Council can arrange for Councillors travelling by rail on Approved Duties to be issued with a "rail travel warrant / tickets" in advance of their departure. For details please contact the Committee and Member Services Section via CommitteeServices@swindon.gov.uk.

Air Travel

The rate for travel by Air -

- shall not exceed the rate applicable to travel by an appropriate alternative means of transport, together with an allowance equivalent to the amount of any saving in subsistence allowance resulting from travel by air;
- is dependant on approval being given "in advance" by the Chief Legal Officer in consultation with the Leader of the Council / Chair of the Cabinet, and
- that in the UK the saving in time is so significant as to justify payment of the fare for travel by air;
- the amount paid is based on the ordinary (economy) fare or any available cheap fare for travel by regular air service.

Travel General

Members and Non-Elected members are entitled to make travelling claims from their home to the venue of an approved duty.

For journeys from work to an approved duty and then home, they should deduct their normal work to home mileage.

If a Member or Non-Elected member is required to leave work to attend an approved duty, and subsequently returns to work, they are entitled to claim the number of miles travelled.

Subsistence Allowances

Subsistence allowance claims must only be made where actual expenditure has been incurred. All appropriate receipts in support of subsistence claims must be provided and reimbursement will only be made up to the maximum levels set out below:-

- | | | |
|------|---|-------|
| (i) | Breakfast allowance (more than 4 hours away from normal place of residence) start before 7 a.m. | £5.85 |
| (ii) | Lunch allowance (more than 4 hours away from normal place of residence, including the lunchtime between 12 noon and 2 p.m.) | £8.05 |

- (iii) Evening meal allowance (more than 4 hours away from the normal place of residence ending after 7 p.m.) £15.20

In the case of absence that covers more than one Subsistence period then Councillors are permitted to combine these to form one Subsistence claim.

Meals on Trains

When main meals (that is breakfast, lunch or dinner) are taken on trains during a period for which there is an entitlement to subsistence allowance, the reasonable cost of the meals (including VAT), may be reimbursed in full. Where the cost of meals taken on trains is reimbursed, absence from the normal place of residence must be consistent with the absences listed.

This provision will also apply to any air travel where meals are taken during a period for which there is an entitlement to subsistence allowance and where a charge is made by the airline concerned,

Please note that claims must not be made where any meal is provided free of charge by an authority or outside body.

Accommodation

In the case of an absence overnight from your usual place of residence you are entitled to claim:

- (i) In London or at the Annual Conference of the Local Government Association / Conference of Local Education Authorities - £110.00
- (ii) Elsewhere in the U.K. - £93.50

These amounts relate to accommodation only and are not intended to include any meals for which separate allowances are available as above.

If an approved duty starts at such a time that it is not possible to be at the venue at the start of the event, then claims will be accepted for overnight stays subject to approval being gained in advance from the Chief Legal Officer and the Leader of the Council.

All appropriate receipts should be submitted with each claim made.

Dependant Care Allowances

Councillors, Co-opted (Non-Elected) Members and other persons serving on the Council and / or its Committees, who are responsible for providing care to children and / or dependant relatives qualify for a Child Care / Dependant Relatives Allowance to assist with spending incurred in paying for care of the child or dependant relative whilst attending approved duties.

The allowance will cover paid care for the following that live with the claimant:

- children aged 15 years and under
- elderly relative requiring constant care
- disabled relative requiring constant care
- relative with learning disabilities requiring constant care

The paid carer cannot be a member of the immediate family or household.

The allowance will be the actual fee per hour, per child/dependant relative, but not exceeding £20.00 per hour.

Claims for Child Care / Dependant Relatives Care should be made on the appropriate Councillors' Allowances form.

Child Care / Dependant Relatives Care Allowance is assessed as income for benefits and income tax purposes and will therefore be paid through the Council's payroll.

All appropriate receipts for dependent care allowances should be submitted with each claim made, and should be signed by the carer.

* Reference to "the Council and its committees" should be understood as referring to the Council, the Cabinet and such other Committees and bodies as shall be established from time to time.

**ALLOWANCES APPLYING TO CERTAIN COUNCIL MEMBERS AND
CO-OPTED NON-ELECTED MEMBERS**

Special Responsibility Allowances

For each year a Special Responsibility Allowance shall be paid to those Councillors who hold special responsibilities in relation to the work of the Council. Only one Special Responsibility Allowance is payable. If a Councillor is appointed to more than one position where a Special Responsibility Allowance is payable, then the larger of the allowances will be paid. The Council has agreed that the following Special Responsibility Allowances will be payable in the 2024/25 Municipal Year.

Individual Councillors may give notice in writing that they wish to forgo their entitlement to all or any part of their entitlement to allowances. Notice should be sent to the Chief Legal Officer.

CLAIMS AND PAYMENTS

Claims

Claim forms are available from the Committee and Member Services Section. A continuation sheet is also available for when more than one claim form is required for each month.

Properly completed forms must be submitted to Committee and Member Services before the 1st day of each month (or nearest possible date when the 1st falls on a weekend). This is necessary as the Council's Payroll team require that completed and authorised forms must be with them by the 2nd working day of each month in order for payments to be processed and made in that month's pay round.

The time limit within which any claim for travelling, subsistence and dependant care allowance must be made by the person to whom they are payable is **two months**.

Certification

All claims have to be certified by Committee and Member Services officers to ensure that they relate to an Approved Duty as defined in this Scheme.

All appropriate receipts must be submitted with each claim made for those specific travel and subsistence allowances specified in the relevant sections of this Scheme.

To help the Council certify that you are attending an "Approved Duty" if you attend a meeting of an outside body or attend meetings at the request of a Council officer you should provide supporting information with your claim. Failure to do so may delay payment of your claim.

For example you may:-

- (i) attach the agenda front sheet or minutes of that meeting to your claim form if they indicate your attendance;
- (ii) attach letters or correspondence from the Council officer concerned requesting your attendance at the meeting referred to on your claim form.

It is a Councillor's responsibility to ensure the accuracy of any claim submitted.

The Council's Internal Audit Service may undertake visible sampling of claims made by Councillors to ensure that accurate claims are being made.

Payments

The payment of allowances and related matters are handled within the Payroll Section. If you have enquiries regarding your allowance payments please contact the Council's Payroll Team at PayrollServices@swindon.gov.uk.

Any more general queries concerning Councillors' Allowances, Approved Duties and the provisions of this Scheme of Allowances should be directed to Committee and Member Services via CommitteeServices@swindon.gov.uk.

The following points should assist you to understand how the allowances are paid and answer some of the general points that could arise from time to time:

- Records of Councillors allowances showing the amount and nature of the payment are open to inspection by Local Government electors resident in the area and are subject to both internal and external audit. They are required by law to be publicised in the local press each year.
- Claims will not be required for Basic Allowance and Special Responsibility Allowance as these will be paid on a monthly basis.
- New Councillors and retiring Councillors will be paid allowances pro rata to their period of office.
- Claims may be made by Co-opted Members (Non-Elected Members) on the standard form for Non-Elected Members available from the Committee and Member Services Section (or from the Payroll Section), and the Council's Intranet.
- Claims may be made for Travel, Subsistence and Dependant Care Allowances in accordance with the Approved Duties defined in the Appendix to the Scheme.
- It is important that the claim form is completed fully, including, date, start and finish times, journey details and place of duty. For claims relating to meetings of outside bodies and meetings attended at the request of Council officers, invitations to attend and / or agenda front sheets must be attached. If they are not this may lead to

payments being delayed or claims being referred back to the Councillor concerned for clarification. The mode of travel should be indicated and whether travelling by car, motorcycle or pedal cycle the mileage must be entered.

- The separate financial columns on the claim form should be correctly totalled. Councillors must sign and date the claim and cross through any unused lines and columns.

Please note that claims, which have not been completed fully, which do not have adequate supporting documentation or which are more than 2 months old, will not be authorised and will be returned.

Taxation of Members' Allowances and Expenses

Basic, Special Responsibility and Dependant Care Allowances count as earnings for benefits (social security) purposes and income tax. Councillors can be affected, therefore, both as contributors and beneficiaries of the Social Security Scheme and accordingly National Insurance contributions will be deducted unless the payments fall below the threshold limit.

Councillors can find out more details about Benefits and Income Tax that may affect them by accessing the following website - www.gov.uk and follow the links to benefits or Income Tax. Councillors can also contact the National Income Tax Enquiry Line on 0300 200 3300.

The Local Government Information Unit has published a booklet on the interaction of Councillors' Allowances with the tax and social security benefits system.

Please note that Council officers must not give advice on Tax and Social Security issues.

Deductions - Political Affiliations

The Council is able to arrange to deduct from Councillors' Basic Allowance on a monthly basis affiliation fees to certain political organisations relating to a Councillor's Work (e.g. Association of Labour Councillors). Members wishing to make use of this service should request the organisation concerned to write to the Council to provide the necessary authorisation, with details of the deduction to be made, amount, and address for payment. Queries concerning this service should be made to the Payroll Team (PayrollServices@swindon.gov.uk) or Committee and Member Services (CommitteeServices@swindon.gov.uk).
