

All about Pauline

I'm am a Senior Educational Psychologist

Who am I?

- People say I am good at listening and some people say I am funny!
- I enjoy spending time with friends and family, listening to music, doing Art, surfing and dancing.

What to expect when you meet me:

When I come to see you, I may observe you in class or somewhere else such as the playground or lunch hall. I will then meet with you and have a chat and do some activities to find out what you enjoy doing, if there is anything you find difficult and if there is anything we can help you with. I will then meet with the people who support you and know you well, such as your teacher and parent/carer. You can be part of this meeting if you want to be. We will be thinking of ideas for how to help you. I will write a report so that everyone knows what they need to do next. I will then come back in a few weeks and see how things are going.

What is important to me?

It is important that everyone feels they have been understood and heard and have a shared understanding of the problem.

How best to communicate with me:

The best way to contact me is by asking the SENCo at your setting or by contact our Business Support on:
EPSenquiries@swindon.gov.uk

What do I do?

As an Educational Psychologist, I work with Children and Young People, their families and those supporting them in their educational setting. I enjoy gathering everyone's views, especially the child or young person's, and problem solving to see how I can help everyone find a way to move forward.
